Mikel B. Classen,2019-10-27 Featuring more than 150 color photos of the U P s most beautiful historic and natural locations I
ve spent many years exploring the wilderness of Michigan s Upper Peninsula U P and one thing has become apparent no
matter what part in which you find yourself fascinating sights are around every corner There are parks wilderness areas and
museums There are ghost towns and places named after legends There are trails to be walked and waterways to be paddled
In the U P life is meant to be lived to the fullest In this book I ve listed 40 destinations from every corner of the U P that have
places of interest Some reflect rich history while others highlight the natural wonders that abound So join in the adventures
The Upper Peninsula is an open book the one that s in your hand Without a doubt Mikel Classen s Points North needs to be in
every library gift shop and quality bookstore throughout the country particularly those located in Michigan s Lower Peninsula
Not only does Classen bring alive the U P through his polished words his masterful use of color photography also makes this
book absolutely beautiful Points North will long stand as a tremendous tribute to one of the most remarkable parts of our
country Michael Carrier author Murder on Sugar Island Mikel Classen s love for Michigan s Upper Peninsula shines from
every page in Points North a fascinating insider s guidebook to the exceptional beauty and history of Michigan s far north
Whether you re still in the planning stages of your trip or you re looking back fondly on the memories you created even if you
wish merely to enjoy a virtual tour of the Upper Peninsula s natural wonders from the comfort of your armchair you need this
book Karen Dionne author of the international bestseller The Marsh King s Daughter Many of the places in Points North may
sound familiar but Classen has spent time exploring them all finding out the wonders others drive by and miss And some of
them may baffle you as much as they did me the UP has a WWII glider museum Classen has scoured every inch of the UP
visiting every campground ghost town lighthouse waterfall and beach that you may have never heard of This book is full of
surprises for even the most knowledgeable visitors to the UP And if you re like me you ll find yourself marking up the pages
making notes of places you have to visit next time you re up north Steve Lehto author of Death s Door The Truth Behind the
Strike of 1913 and the Italian Hall Disaster and Michigan s Columbus The Life of Douglass Houghton Until I read this book I
had not realized the large number of hidden treasures that the U P has More than just an interesting history this book is a
descriptive roadmap to these treasures Points North can be used as a guide to an adventure you would never have known
about on your own The pictures and place descriptions here are fantastic These hidden locations have suddenly become easy
to find with this book I recommend it highly Bob Hruska author of Humorous Hunting Fishing and Camping in the U P and
