K. Stratton,2005-04-01 Dave Hickey gets it exactly right in his preface to this collection of journalism poetry fiction and memoir Lewis who died in 1997 was indeed the most stone wonderful writer that nobody ever heard of Writing for Rolling Stone in the early 70s he almost singlehandedly invented the movie set piece and no one s ever improved on his flint eyed profiles of Sam Peckinpah and the Allman Brothers But the best piece here is his searing memoir of his white trash Texas parents who died in what was ruled a double suicide Etched in acid and heart s blood it is a terse masterpiece Malcolm Jones Newsweek The least known of the New Journalism s founding fathers Grover Lewis has long been a legend among nonfiction writers and this overdue collection shows us why A beautiful stylist blessed with a blistering honesty Grover saw it all and wrote it like nobody else could Put Splendor in the Short Grass up on the shelf with the best of Tom Wolfe Hunter Thompson and Gay Talese It belongs there Kenneth Turan film critic for the Los Angeles Times and National Public Radio s Morning Edition Grover Lewis the most literary of journalists did things his way simultaneously inventing a genre and setting the standard These days ambitious feature writers whether they know it or not all strive to do it Grover s way But as this long overdue collection shows not only did Grover do it first he did it best Tim Cahill author of Lost in My Own Backyard and Hold the Enlightenment Grover Lewis was a gift to American letters He had a hard eye a sharp eye for hidden reality and the unique ability to raise a popular journalism piece to the level of a universal truth Plus he wrote like an angel This collection Splendor in the Short Grass is not just a terrific read it s an important work I loved every page of it James Crumley author of the hardboiled mysteries Dancing Bear The Last Good Kiss and The Final Country Your gonzo journalism library isn t complete without him Ruminator Grover was after all the most stone wonderful writer that nobody ever heard of His job was to hammer the detritus of fugitive cultural encounters into elegant sentences lapidary paragraphs and knowable truth and in truth the loveliness and lucidity of Grover s writing always rose to the triviality of the occasion Dave Hickey from the foreword Grover Lewis was one of the defining voices of the New Journalism of the 1960s and 1970s His wry acutely observed fluently written essays for Rolling Stone and the Village Voice set a standard for other writers of the time including Hunter S Thompson Joe Eszterhas Timothy Ferris Chet Flippo and Tim Cahill who said of Lewis He was the best of us Pioneering the on location reportage that has become a fixture of features about moviemaking and live music Lewis cut through the celebrity hype and captured the real spirit of the counterculture including its artificiality and

surprising banality Even today his articles on Woody Guthrie the Allman Brothers the Rolling Stones concert at Altamont directors Sam Peckinpah and John Huston and the filming of The Last Picture Show and One Flew over the Cuckoo s Nest remain some of the finest writing ever done on popular culture To introduce Grover Lewis to a new generation of readers and collect his best work under one cover this anthology contains articles he wrote for Rolling Stone Village Voice Playboy Texas Monthly and New West as well as excerpts from his unfinished novel The Code of the West and his incomplete memoir Goodbye If You Call That Gone and poems from the volume I ll Be There in the Morning If I Live Jan Reid and W K Stratton have selected and arranged the material around themes that preoccupied Lewis throughout his life movies music and loss The editors biographical introduction the foreword by Dave Hickey and a remembrance by Robert Draper discuss how Lewis s early struggles to escape his working class anti intellectual Texas roots for the world of ideas in books and movies made him a natural proponent of the counterculture that he chronicled so brilliantly They also pay tribute to Lewis s groundbreaking talent as a stylist whose unique voice deserves to be more widely known by today s readers
