North Of Jesus Beans Short Stories:

The Canadian Short Story John Metcalf, 2018-09-25 No other person has done more to celebrate and encourage the short story in Canada than John Metcalf. For more than five decades he has worked tirelessly as editor, anthologist, writer, critic, and teacher to help shape our understanding of the form and what it can do. The long-time editor of the yearly *Best Canadian Stories* anthology as well as a fiction editor at some of the pre-eminent literary presses in the country for more than forty years, he has worked to support and champion several generations of our best writers. Literature in Canada would be far less without his efforts. Sifting through a lifetime of reading, writing, and thinking about the short story in this country and where it fits within the larger currents of world literature, Metcalf's magisterial *The Canadian Short Story* offers the most authoritative book on the subject to date. Most importantly, it includes an expanded and reconsidered Century List. Metcalf's critical guide to the best Canadian short story collections of the last 100 years. But more than a critical book, *The Canadian Short Story* is a love letter to the form, a passionate defense of the best of our literature, and a championing of those books and writers most often overlooked. It is a guide not only to what to read but also one of its author's most fervent desires, which aims to make better readers of us all.

North of Jesus' Beans Bill Gaston, 1993 Bill Gaston's work has become known for its delightfully skewed vision, its dark humour, and behind the settling dust, its compassionate understanding. The stories here in Gaston's second collection tumble out in new directions, revealing a versatility of craft, a subtle range of voice, and a constantly shifting method of telling a story. Whether the tool is farce, meta-fiction, or cutting realism, the world as described in *North of Jesus Beans* is not the one we thought we knew but a world where surprises hover.

Shut Up He Explained John Metcalf, 2007-09-15 John Metcalf's *Shut Up He Explained* defies expectations and strict definition. Part memoir, part travelogue, part criticism, wholly Metcalf, it is thoughtful, engaged, contentious, and often very funny. It offers a full dose of Metcalfian wisdom and wit and provides ample evidence that neither age nor indifference nor attack have withered him; he remains as sharp, critical, constructive, and insightful as ever. Indeed, this may just be his most important and engaged book. Certainly, it will be among his most controversial. What his critics will refuse to see, of course, is that it is also among his most positive: that it is a celebration of the best literature Canada has to offer, the birth of which Metcalf himself both witnesses and actively encouraged. *Shut Up He Explained* is magisterial, a virtuoso performance melding several seemingly different strands into one coherent narrative, which should delight and entertain as it serves to argue, elucidate, and celebrate.

Shambhala Sun, 1995 [We All Begin in a Little Magazine](#) Arc Poetry Society, 1998 When Arc began publishing in 1978, it had one aim: to publish the best work by Canada's new and established poets. Celebrating Arc's first two decades, *We All Begin in a Little Magazine* testifies to how fully the editors realized their aspirations. It provides a rich cross-section of Canada's poetry of the time, the most vital years thus far in the history of Canadian literature. winning Bill Gaston a tender wry and unforgettable memoir about alcohol fishing and all the things fathers and sons won't say to each other Sons clash with fathers sons find reasons to rebel And fairly or unfairly sons judge fathers when they take to drinking But Bill Gaston and his father could always fish together When they were shoulder to shoulder joined in rapt fascination with the world under their hull they had what all fathers and sons wish for Even if it was temporary even if much of it would be forgotten along with the empties Returning to the past in his old fishing boat revisiting the remote marina where they lived on board and learned to mooch for salmon Bill unravels his father's relationship with his father it too a story marked by heavy drinking though one that took a much darker turn Learning family secrets his father took to the grave Gaston comes to understand his own story anew realizing that the man his younger self had been so eager to judge was in fact someone both nobler and more vulnerable than he had guessed Warm insightful and often funny Just Let Me Look at You captures every father's inexpressible tenderness and the ways in which the words for love often come too late for all of us

Perkinson, 2024-07-08 This book takes its motive force from our contemporary climate crisis It seeks to reorient human and especially Christian understanding towards a more ecologically focused indigenously informed way of living James W Perkinson argues that our current eco climatic and socio political emergency is the culmination of a 5 000 year history of supremacist settlement in which city states first emergent in Mesopotamia and Egypt not only begin

coercively organizing labor into surplus production and ecosystems into inordinate and destructive yields of goods but in the process also simultaneously deform the Spirit World haloing of natural phenomenon into outsized service of imperial reach Perkinson recognizes globalized humanity as an emerging monstrosity destroying both human culture and the world How we re envision and revalue at our critical juncture our inescapable interdependence with the more than human world as peer and teacher and even elder is the central theme that throbs below the surface of the very disparate topics commanding attention in each chapter Official Year Book of the Commonwealth of Australia No. 47 - 1961 ,
