## **North West Frontier:**

**The Risings on the North-west Frontier**, 1898      **India's North-west Frontier** Sir William Barton, 1939      **The Frontier Ablaze** Michael Barthorp, 1996 Of all the actions fought on India's Northwest Frontier today's Afghanistan and Pakistan the campaign of 1897 was the most threatening to the British Empire A widespread alliance of Frontier tribes overran numerous British outposts and even occupied the fabled Khyber Pass itself India was directly threatened and Britain's international prestige suffered Michael Barthorp a foremost authority on the British Army and its uniforms chronicles the year long campaign to regain the Khyber Pass A series of color plates presents the most accurate depiction based on the most recent research of the uniforms of the various participants      **North-West Frontier 1837-1947** Robert Wilkinson-Latham, 1977-12-25 For over a hundred years British and Indian troops were engaged on the North West Frontier of India policing the tribes mounting expeditions and guarding against the ever present threat from Russia Populated mainly by Pathans one of the fiercest warrior races on earth the Frontier came to be known as The Grim by generations of British soldiers This book details not only the three Afghan wars but also the issues surrounding Chitral Malakand and Tirah Color illustrations and photographs offer a rare glimpse into life on the Frontier illuminating Lord Curzon's remark No man who has read a page of Indian history will ever prophesy about the frontier      The Savage Border Jules Stewart, 2007-02-22 For centuries Pakistan's North West Frontier has been seen as a lawless wilderness which more recently has given sanctuary to Osama Bin Laden and other fundamentalist Muslim leaders This the first significant book on the territory for 40 years includes first hand accounts of life and soldiering on the Frontier since the Second World War It also tells how the British and invaders before and after the Raj attempted to deal with this unpredictable land of the Pathans The Savage Border provides an in depth highly accessible account of life and conflict on the North West Frontier covering not only the century of British rule since 1849 but also events since the creation of Pakistan in 1947 The author addresses key questions including What makes the Pathan so warlike and belligerent to outsiders from Darius the Great in the 6th century BC to the US Marines in the 21st century AD and Can these tribesmen ever be brought into society's fold and persuaded to give up their terrorist comrades The author is a specialist in North West Frontier affairs who has travelled extensively in Pakistan      **The Problem of the North-West Frontier, 1890-1908** C. Collin Davies, 2013-10-17 First published in 1932 this book presents a historical study of the problems associated with controlling the North West Frontier region of British India The text focuses in the main on the period 1890 to 1908 although a survey of policy since 1849 is also provided It was based almost entirely on analysis of numerous official documents and original sources which are quoted throughout Appendices and a select bibliography are included at the end This book will be of value to anyone with an interest in perspectives on British India and historiography      **Our North-West Frontier. [Remarks in Reference to the Defences Necessary for the Security of the North Western Frontier of British India. With a Map.]** North-West Frontier, 1856      *Campaigns on the North-west*

*Frontier* Hugh Lewis Nevill, 1912      *Afghan Wars and the North-West Frontier, 1839-1947* Michael Barthorp, 2002 From the 1830s to Indian independence in 1947 British soldiers fought constant wars with the most implacable guerrilla fighters in history The Afghan mountain tribes were fiercely independent For generations they had plundered the north Indian plain until the British took charge and alternated between paying them subsidies bribes to cease their raiding and launching punitive military expeditions to teach them manners It was a strange war fought to its own rules Neither side took prisoners Yet a grudging respect for the enemy and a concern to stick by unwritten codes of conduct governed this 100 year war Immortalized by Kipling the British Army in India fought along the frontier until the withdrawal from the sub continent in 1947 Michael Barthorp tells the story in a vivid style      **The Problem of the North-West Frontier, 1890-1908, with a Survey of Policy Since 1849** Cuthbert Collin Davies, 1975      **Story of the North West Frontier Province** J. M. Ewart, 1930      **North-West Frontier** Arthur Swinson, 1967      **The Challenge of the North-West Frontier** Charles Freer Andrews, 1937      *Twenty Years on the North-West Frontier* George Batley Scott, 1906      *Revival: The Challenge of the North-West Frontier (1937)* C.F. Andrews, 2018-04-20 First published in 1937 this book grew out of the author's belief that there needed to be a drastic revision of British policy on the North West Frontier of India now Khyber Pakhtunkhwa in Pakistan in order to achieve a lasting peace The author examined the causes of continued hostility and non military methods that might prevent further outbreaks of war reducing or removing British troops and leaving the settlement of disputes to Indians He traces the changing attitudes of Indians towards British rule and the increasing popularity of calls for independence while also detailing the wider Indian context This book will be of interest to students of Indian and colonial history      *British Governance Of The North-West Frontier (1919 To 1947): A Blueprint For Contemporary Afghanistan?* Major Andrew M. Roe, 2014-08-15 From the conclusion of the Third Afghan War 1919 to India's Independence 1947 Great Britain governed the wild mountainous territory of the North West Frontier that borders Afghanistan This control used a variety of mature political and military structures to successfully administer the tribal areas The challenges faced by the British in the North West Frontier are comparable to current problems the coalition and North Atlantic Treaty Organization face in Afghanistan Looking at British solutions to similar problems in the same geographical area albeit from a different era has clear utility This thesis provides a historical overview of Colonial India reviews the political and military structures employed in the North West Frontier 1919 to 1947 and discusses the current warfighting and reconstruction challenges faced in Afghanistan It also identifies the pertinent lessons learned from the British experience that are transferable to settling the conflict and furthering the national reconstruction of Afghanistan The thesis concludes by combining the lessons learned into a coherent four step plan for the reconstruction of Afghanistan      **Guardians of Empire** David Killingray, 2017-03-01 For imperialists the concept of guardian is specifically to the armed forces that kept watch on the frontiers and in the heartlands of imperial territories Large parts of Asia and Africa and the islands of the Pacific and the

Caribbean were imperial possessions This book discusses how military requirements and North Indian military culture shaped the cantonments and considers the problems posed by venereal diseases and alcohol and the sanitary strategies pursued to combat them The trans border Pathan tribes remained an insistent problem in Indian defence between 1849 and 1947 The book examines the process by which the Dutch elite recruited military allies and the contribution of Indonesian soldiers to the actual fighting The idea of naval guardianship as expressed in the campaign against the South Pacific labour trade is examined The book reveals the extent of military influence of the Schutztruppen on the political developments in the German protectorates in German South West Africa and German East Africa The U S Army charged with defending the Pacific possessions of the Philippines and Hawaii encountered a predicament similar to that of the mythological Cerberus The regimentation of military families linked access to women with reliable service and enabled the King s African Rifles to inspire a high level of discipline in its African soldiers askaris The book explains the political and military pressures which drove successive French governments to widen the scope of French military operations in Algeria between 1954 and 1958 It also explores gender issues and African colonial armies

**the Indian North-west Frontier** Arnold Keppel,1911      *North-West Frontier* Arthur Swinson,1967      **Gun-running and**  
 Sir Sydney Cotton,1868      Nine Years on the North-west Frontier of India from 1854 to 1863
