Northern Ireland A Political Directory 1968 79:

Northern Ireland, a Political Directory, 1968-79 William D. Flackes,1980 Northern Ireland, a Political Directory, 1968-79 William D. Flackes,1980 *British Political Facts 1900-1985* David Butler,1986-02-01 A Short History of Ulster Jonathan Bardon,2025-08-28 Jonathan Bardon s A History of Ulster is widely regarded as the definitive text on the region Updated with a more recent preface from the author this illustrated abridged version offers a comprehensive but accessible overview of life in the province for anyone seeking to understand the roots of its troubled history The Vikings the Norman invasions the plantations the Penal Laws the rise of the United Irishmen and Orangeism the Act of Union the linen and shipbuilding industries the Home Rule Crisis and partition the civil rights movement the Troubles and the peace process it s all here in this essential companion to Jonathan Bardon s bestselling A History of Ireland in 100 Episodes Community Relations and the Troubles in Northern Ireland Joana Etchart,2024-11-19 Community relations policy has been an almost permanent feature in Northern Ireland since 1969 yet it has rarely been considered as an object of study This book provides historical depth to its analysis by documenting the various manifestations of the notion of community relations in public policy during the Troubles period Drawing on a variety of written and oral primary and secondary sources it offers a unique rich perspective on the meaning and intent behind community relations policy at certain critical junctures In addition by examining this period through the lens of one policy the book sheds light on important questions such as who intervened in policy making during the conflict who sought to influence the process and eventually who took the decisions It also considers the varied roles played by community workers This meticulous analysis reveals previously unknown aspects of the evolution of community relations policy and presents a compelling micro history of policy making and governance during the Troubles in Northern Ireland **British Political Facts Since 1979** D. Butler,2005-11-28 British Political Facts Since 1979 is the definitive record of the who the what and the when of British political history from the election of Mrs Thatcher as Prime Minister to the present day It is a comprehensive reference work that will be invaluable to students of Contemporary British Politics **A New History of Ireland Volume VII** J. R. Hill,2003-12-04 A New History of Ireland is the largest scholarly project in modern Irish history In 9 volumes it provides a comprehensive new synthesis of modern scholarship on every aspect of Irish history and prehistory from the earliest geological and archaeological evidence through the Middle Ages down to the present day Volume VII covers a period of major significance in Ireland s history It outlines the division of Ireland and the eventual establishment of the Irish Republic It provides comprehensive coverage of political developments north and south as well as offering chapters on the economy literature in English and Irish the Irish language the visual arts emigration and immigration and the history of women The contributors to this volume all specialists in their field provide the most comprehensive treatment of these developments of any single volume survey of twentieth century Ireland How the Troubles Came to Northern Ireland P. Rose,1999-09-20 In a new book about Northern Ireland historian Peter Rose argues

that if Harold Wilson's government in the late sixties had pursued a different policy the province might have been spared The Troubles Wilson had promised the Catholics that they would be granted their civil rights However new evidence suggests that Westminster was deliberately gagged to prevent MPs demanding that the Stormont administration ended discrimination in the province Had the government acted on intelligence of growing Catholic unrest it could have prevented the rise of the Provisional IRA without provoking an unmanageable Protestant backlash The book draws upon recently released official documents and interviews with many key politicians and civil servants of the period to examine the failure of British policy to prevent the troubles

The Territorial Dimension in United Kingdom Politics Peter James Madgwick, Richard Rose, 1982-06-18 The Statesman's Year-Book 1981-82 J. Paxton, 2016-12-21 The classic reference work that provides annually updated information on the countries of the world

A Bibliography of British History, 1914-1989 Keith Robbins, American Historical Association, Royal Historical Society (Great Britain), 1996 Containing over 25 000 entries this unique volume will be absolutely indispensable for all those with an interest in Britain in the twentieth century Accessibly arranged by theme with helpful introductions to each chapter a huge range of topics is covered There is a comprehensive index

The Statesman's Year-Book 1982-83 J. Paxton, 2016-12-15 The classic reference work that provides annually updated information on the countries of the world *The Statesman's Year-Book 1983-84* J. Paxton, 2016-12-28 The classic reference work that provides annually updated information on the countries of the world

Northern Ireland W. D. Flackes, 1980 **Ireland In The 20th Century** Tim Pat Coogan, 2009-12-01 Ireland's bestselling popular historian tells the story of contemporary Ireland controversial authoritative and highly readable Tim Pat Coogan's biographies of Michael Collins and DeValera and his studies of the IRA the Troubles and the Irish Diaspora have transformed our understanding of contemporary Ireland and all have been massive bestsellers Now he has produced a major history of Ireland in the twentieth century Covering both South and North and dealing with cultural and social history as well as political this enthralling work will become the definitive single volume account of the making of modern Ireland

The Making of Modern Irish History D. George Boyce, Alan O'Day, 2006-09-07 This volume brings together distinguished historians of Ireland each of whom tackles a key question issue or event in Irish history since the eighteenth century and examines its historiography assesses the context of new interpretations considers the strengths and weaknesses of revisionist ideas offers their own interpretation Topics covered are not only of historical interest but in the context of recent revisionist debates of contemporary political significance These original contributions take account of new evidence and perspectives as well as up to date historical methodology Their combination of synthesis and analysis represent a valuable guide to the present state of the writing of modern Irish history

A Treatise on Northern Ireland Brendan O'Leary, 2019 The second volume of the definitive political history of Northern Ireland A Treatise on Northern Ireland, Volume II Brendan O'Leary, 2019-04-17

This landmark synthesis of political science and historical institutionalism is a detailed study of antagonistic ethnic

majoritarianism Northern Ireland was coercively created through a contested partition in 1920 Subsequently Great Britain compelled Sinn Féin's leaders to rescind the declaration of an Irish Republic remain within the British Empire and grant the Belfast Parliament the right to secede If it did so a commission would consider modifying the new border The outcome however was the formation of two insecure regimes North and South both of which experienced civil war while the boundary commission was subverted In the North a control system organized the new majority behind a dominant party that won all elections to the Belfast parliament until its abolition in 1972 The Ulster Unionist Party successfully disorganized Northern nationalists and Catholics Bolstered by the Specials a militia created from the Ulster Volunteer Force this system displayed a pathological version of the Westminster model of democracy which may reproduce one party dominance and enforce national ethnic religious and cultural discrimination How the Unionist elite improvised this control regime and why it collapsed under the impact of a civil rights movement in the 1960s take center stage in this second volume of *A Treatise on Northern Ireland* The North's trajectory is paired and compared with the Irish Free State's incremental decolonization and restoration of a Republic Irish state building however took place at the expense of the limited prospect of persuading Ulster Protestants that Irish reunification was in their interests or consistent with their identities Northern Ireland was placed under British direct rule in 1972 while counter insurgency practices applied elsewhere in its diminishing empire were deployed from 1969 with disastrous consequences On January 1 1973 however the UK and Ireland joined the then European Economic Community Many hoped that would help end conflict in and over Northern Ireland Such hopes were premature Northern Ireland appeared locked in a stalemate of political violence punctuated by failed political initiatives

Inside the IRA Andrew Sanders, 2011-12-20 The Irish Republican movement was one of the most significant revolutionary movements of the twentieth century This book focuses on the issue of republican splits which created the Provisional and Official republican movements and the subsequent development

Western Responses to Terrorism Ronald D. Crelinsten, Alex P. Schmid, 2012-11-12 This volume combines case studies of national responses to terrorism with analyses of conceptual political economic and data collection problems surrounding the control of terrorism in democratic societies over the last 25 years
