complement each other The series invites the attention of linguists language teachers of all interests sociologists political scientists anthropologists historians etc to the development of the sociology of language

Origins of the European Economy Michael McCormick,2001 For fifty years debate has raged about early European commerce during the period between antiquity and the middle ages Was there trade If so in what and with whom New evidence and new ways of looking at old evidence are now breaking the stalemate Analysis of communications the movements of people ideas and things is transforming our vision of Europe and the Mediterranean in the age of Charlemagne and Harun al Rashid This is the first comprehensive analysis of the economic transition during this period for over sixty years Using new materials and new methodology it will attract all social and economic historians of antiquity and the middle ages and anyone concerned with the origins of Europe the history of the slave trade medicine and disease cross cultural contacts and the Muslim and Byzantine worlds

Propaganda and Persuasion Jennifer Anderson,2017-05-10 During the early Cold War thousands of Canadians attended events organized by the Canadian Soviet Friendship Society CSFS and subscribed to its publications The CSFS aimed its message at progressive Canadians hoping to convince them that the USSR was an egalitarian and enlightened state Attempting to soften define and redirect the antagonistic narratives of the day the CSFS story is one of propaganda and persuasion in Cold War Canada The CSFS was linked to other groups on the Canadian political left and was consistently lead by Canadian communists For many years its leader and best known member was the enigmatic Dyson Carter Raised in a religious family and educated as a scientist Carter was a prolific author of both popular scientific and pro Soviet books and for many years was the editor of the CSFS s magazine Northern Neighbours Subtitled Canada s Authoritative Independent Magazine Reporting on the U S S R the magazine featured glossy photo spreads of life in the Soviet Union and upbeat articles on science medicine cultural life and visits to the USSR by Canadians At the height of the Cold War Carter claimed the magazine reached 10 000 subscribers across Canada Using previously unavailable archival sources and oral histories *Propaganda and Persuasion* looks at the CSFS as a blend of social and political activism where gender class and ethnicity linked communities and ideology had significance

Advances in Shipping Data Analysis and Modeling César Ducruet,2017-11-06 Shipping flows maritime footprints remain underexplored in the existing literature despite the crucial importance of freight transport for global trade and economic development Additionally decision makers lack a comprehensive view on how shipping flows can be measured analyzed and mapped in order to support their policies and strategies This interdisciplinary volume drawing on an international cast list of experts explores a number of crucial issues in shipping data estimation construction collection mining analysis visualization and mapping *Advances in Shipping Data Analysis and Modeling* delivers several key messages First that in a world of just in time delivery and rapid freight transit it is important to bear in mind the long term roots of current trends as well as foreseeable future developments because shipping patterns exhibit recurrent if not cyclical and path dependent dynamics Second shipping flows are currently often understood

at the micro level of intra urban logistics delivery and at the national level using commodity flow analyses but this volume emphasizes the need to expand the scale of analysis by offering new evidence on the changing distribution of global and international shipping flows based on actual data Third that this multidisciplinary approach to shipping flows can shed important light on crucial issues that go beyond shipping itself including climate change urban development technological change commodity specialization digital humanities navigation patterns international trade and regional growth Edited by experts in their field this volume is of utmost importance to those who study industrial economics shipping industries and economic and transport geography

Public Statutes of New South Wales New South Wales,1888 *Foreign Economic Trends and Their Implications for the United States* ,1977 **New Zealand Journal of Zoology** ,1989 **Devolution in Greater Manchester and Liverpool City Region** Georgina Blakeley,Brendan Evans,2023-05-30

Greater Manchester and Liverpool were among the first areas of England to undergo urban devolution Under the leadership of metro mayors Andy Burnham and Steve Rotherham they were in the forefront of attempts to level up the north and to address the problem of regional inequalities This book looks at how the metro mayors evolved their office examining the fields of economic development transport skills health housing and spatial reform and the environment In the case of Greater Manchester it also explores health and the reform of public services Addressing the crucial issues of power resources partnerships central local relations and local democracy the book concludes with an assessment of the future prospects for a deeper and more fundamental change in the character of the English state
