## **Northern Muse An Anthology Of Scots:**

The Northern Muse John Buchan,1924

**The Northern Muse** John Buchan,1936

**The Northern Muse** ,1936

The Northern Muse. An Anthology of Scots Vernacular Poetry. Arranged by J. Buchan. L.P. John Buchan,1924

**Anthologies of British Poetry** ,2021-11-22 From Tottel s Miscellany 1557 to the last twentieth century Oxford Book of English Verse 1999 anthologies have been a prime institution for the preservation and mediation of poetry The importance of anthologies for creating and re creating the canon of English poetry for introducing new programmes of poetry as a record of changing poetic fashions audience tastes and reading practices or as a profitable literary commodity has often been asserted Despite its impact however the poetry anthology in itself has attracted surprisingly little critical interest in Britain or elsewhere in the English speaking world This volume is the first publication to explore the largely unmapped field of poetry anthologies in Britain Essays written from a wide range of perspectives in literary and cultural studies and the point of view of poets editors publishers and cultural institutions aim to do justice to the typological functional and historical variety with which this form of publication has manifested itself from early modern print culture to the postmodern age of the world wide web

Scottish Modernism and its Contexts 1918-1959 Margery Palmer McCulloch,2009-05-15 This innovative book proposes the expansion of the existing idea of an interwar Scottish Renaissance movement to include its international significance as a Scottish literary modernism interacting with the intellectual and artistic ideas of European modernism as well as responding to the challenges of the Scottish cultural and political context Topics range from the revitalisation of the Scots vernacular as an avant garde literary language in the 1920s and the interaction of literature and politics in the 1930s to the fictional re imagining of the Highlands the response of women writers to a changing modern world and the manifestations of a late modernism in the 1940s and 1950s Writers featured include Hugh MacDiarmid Lewis Grassie Gibbon Neil M Gunn Edwin and Willa Muir Catherine Carswell Sydney Goodsir Smith and Sorley MacLean

**The Watcher by the Threshold** John Buchan,2009-05-01 This is the first ever complete collection of all Buchan s shorter Scottish fiction Set largely in his beloved Borders these stories and novellas show the full range and depth of Buchan s writing Featuring shepherds poachers gamekeepers and drovers they are worlds away from the tales of aristocratic adventure with which he is so often associated Shot through with characters and places he returned to in his full length fiction the Buchan that emerges from this collection is a very different and much more complex writer than he is often held to be

**News Notes of California Libraries** California State Library,1924 Volumes for 1971 include annual reports and statistical summaries

*Monthly Bulletin* Carnegie Free Library (Allegheny, Pa.),1925 **The Company I've Kept** Hugh MacDiarmid, *The Edinburgh University Calendar* University of Edinburgh,1927 **Modern John Buchan** Nathan Waddell,2020-07-13 This book offers an introduction to the breadth and diversity of the literary and non literary work of John Buchan 1875 1940 It stakes a claim for him as an engaged interpreter of twentieth century modernity and provides evaluative readings of his

output In addition to demonstrating how Buchan's work complicates the reductive view of early twentieth century literature as neatly cordoned off into low and high forms of production this book discusses his theories of empire and imperialism his account of historiography and his response to the First World War In addition to his many roles as a journalist propagandist war reporter editor civil servant and statesman Buchan was a committed literary critic philosopher and writer of history This book explores the many connections between his work and such modernists as Joseph Conrad Ford Madox Ford D H Lawrence and Wyndham Lewis and it situates Buchan as an intellectual figure who provided a distinctive set of readings of his modern times Running throughout is a consideration of Buchan's fascination with binaries doubles and duality which his work variously upholds and investigates It ends with a discussion of Buchan's most famous work *The Thirty Nine Steps* 1915 in relation to paranoia and pathology

**The Bookman**, 1924

**Hymns to the Silence** Peter Mills, 2010-04-08 *Hymns to the Silence* is a thoroughly informed and enlightened study of the art of a pop music maverick that will delight fans the world over In 1991 Van Morrison said Music is spiritual the music business isn't Peter Mills' groundbreaking book investigates the oppositions and harmonies within the work of Van Morrison proceeding from this identified starting point *Hymns to the Silence* is a detailed investigative study of Morrison as singer performer lyricist musician and writer with particular attention paid throughout to the contradictions and tensions that are central to any understanding of his work as a whole The book takes several intriguing angles It looks at Morrison as a writer specifically as an Irish writer who has recorded musical settings of Yeats' poems collaborated with Seamus Heaney Paul Durcan and Gerald Dawe and who regularly drops quotes from James Joyce and Samuel Beckett into his live performances It looks at him as a singer at how he uses his voice as an interpretive instrument And there are chapters on his use of mythology on his stage performances and on his continuing fascination with America and its musical forms

**The Oxford Handbook of British and Irish War Poetry** Tim Kendall, 2007-02-22 Thirty seven chapters written by leading literary critics from across the world describe the latest thinking about twentieth century war poetry The book maps both the uniqueness of each war and the continuities between poets of different wars while the interconnections between the literatures of war and peacetime and between combatant and civilian poets are fully considered The focus is on Britain and Ireland but links are drawn with the poetry of the United States and continental Europe The Oxford Handbook feeds a growing interest in war poetry and offers in toto a definitive survey of the terrain It is intended for a broad audience made up of specialists and also graduates and undergraduates and is an essential resource for both scholars of particular poets and for those interested in wider debates about modern poetry This scholarly and readable assessment of the field will provide an important point of reference for decades to come

**Bookseller & Stationer and Office Equipment Journal**, 1924

**Smeddum: A Lewis Grassie Gibbon Anthology** Lewis Grassie Gibbon, 2009-05-01 This selection of Lewis Grassie Gibbon's writing brings together old favourites and new material for the first time There are all his lively contributions to *Scottish Scene* co written by Hugh MacDiarmid including

the unforgettable lilt and flow of his short stories *Smeddum Clay Greendenn Sim and Forsaken* The anthology ends with the full text of his last novel *The Speak of the Mearns* unpublished in his lifetime *Valentina Bold* has also included a collection of poems *Songs of Limbo* taken from typescripts in the National Library of Scotland and a selection of Grassie Gibbon's articles and short fiction with work done for *The Cornhill Magazine* along with book reviews and essays on Diffusionism ancient American civilization and selected studies from his book on the lives of explorers *Nine Against the Unknown* A Lewis Grassie Gibbon Anthology provides an indispensable supplement to Canongate's edition of *A Scots Quair* and it also offers further insight into the wide ranging interests and the lyrical historical and political writing of the greatest and best loved Scottish novelist of the early twentieth century      **T.P.'s and Cassell's Weekly** ,1924      **Edinburgh Companion to**

**Twentieth-Century Scottish Literature** Ian Brown,2009-07-03 This volume considers the major themes texts and authors of Scottish literature of the twentieth and so far twenty first century It identifies the contexts and impulses that led Scottish writers to adopt their creative literary strategies Moving beyond traditional classifications it draws on the most recent critical approaches to open up new perspectives on Scottish literature since 1900 The volume's innovative thematic structure ensures that the most important texts or authors are seen from different perspectives whether in the context of empire renaissance war and post war literary genre generation and resistance In order to provide thorough coverage these thematic chapters are complemented by chronological *Arcade* chapters which outline the contexts of the literature of the period by decades and by Overview chapters which trace developments across the century in theatre language and Gaelic literature Taken together the chapters provide a thorough and thought provoking account of the century's literature      *The English Catalogue of Books [annual]* Sampson Low,1925 Vols for 1898 1968 include a directory of publishers
