Sopha,2021-12-15 Barbara Jean Evans has followed her father as his son practically since she was born on their patch of rock swamp and bush in the northern wilderness Bobbi s first experiences of womanhood become mixed up with her own desire to become a blacksmith Consequently she promises to marry a man she barely knows so she can join him in training under Tim a completely unknown Irish blacksmith who has other plans for her She meets a native Indian healer Lorna who encourages her to break barriers and earn a job as a teamster in a logging camp as a young man Soon Bobbi feels she no longer needs to hide under a cover of deception and is accepted for what she is a very strong and capable young woman She is certain that one day women will work right alongside men in any job they choose Along the way Bobbi meets a native Algonkian man Jonathan Swift who has been wrestling with his mixed white Indian heritage They discuss the north and how it is changing and what it has meant for Jon s people While wrestling with the challenges of working as a blacksmith working in a logging camp and being an eligible female in a world with many more men than women Bobbi and Jon adventure together going on canoe trips and horse treks through the mostly pristine wilderness Through trial and error they find their way to a new life together      *In Northern Labrador* William Brooks Cabot,1912      **Under the northern lights** Nelma Sillanpaa,1994-01-01 What was it like for young immigrant girls growing up in the lumber camps and mining towns of northern Ontario in the 1920s How did teenagers in Canada cope with the Great Depression of the Dirty Thirties What did young women on the home front do during World War II while their menfolk were overseas with the Canadian Forces This autobiography shows us what ordinary life has been like for many women in Canada over the last 75 years and it illuminates a largely unknown chapter of Canada s diverse multicultural heritage Published in English      *A Summer in Northern Europe* Selina Bunbury,1856      **Northern Lights Trilogy** Lisa Tawn Bergren,2012-10-23 Three Historical novels for the price of one in this eBook e only omnibus From the hills of Norway to the coast of Maine the streets of San Francisco and the Alaskan wilderness comes this stirring trilogy about a group of Norwegian immigrants whose lives are forever intertwined Set in the late nineteenth century The Northern Lights series will captivate historical fiction fans Lovers of family saga and adventure will be swept into the tender romances as characters make important journeys toward growth and real faith The Captain s Bride Leaving their home in Norway behind Elsa and Peder Ramstad embark on a new life in with their closest friends including Kaatje Jansen a woman seeking a

Fridtjof Nansen, 1911 **In Northern Mists (Illustrated)** Fridtjof Nansen, 2014-03-22 From Nansen's Introduction This book owes its existence in the first instance to a rash promise made some years ago to my friend Dr J Scott Keltie of London that I would try when time permitted to contribute a volume on the history of arctic voyages to his series of books on geographical exploration The subject was an attractive one I thought I was fairly familiar with it and did not expect the book to take a very long time when once I made a start with it On account of other studies it was a long while before I could do this but when at last I seriously took the work in hand the subject in return monopolised my whole powers It appeared to me that the natural foundation for a history of arctic voyages was in the first place to make clear the main features in the

development of knowledge of the North in early times By tracing how ideas of the Northern World appearing first in a dim twilight change from age to age how the old myths and creations of the imagination are constantly recurring sometimes in new shapes and how new ones are added to them we have a curious insight into the working of the human mind in its endeavour to subject to itself the world and the universe A word from this editor This book can hardly compare to getting the original hardback which by now is a rare book the wealth of maps and illustrations Nansen placed in his 2 volume work covers a breath of history and makes for a wonderful printed work of timeless value the poor substitutes we have placed here attempt to touch on this but if you can find the original you should get it *Young Soul Rebels* Stuart Cosgrove,2016-05-19 The author of *Detroit 67* captures Northern England s underground music scene of the 1970s and 80s in this candid memoir of late nights and heavy beats *Young Soul Rebel* is a compelling and intimate story of northern soul Britain s most fascinating musical underground scene Author Stuart Cosgrove takes the reader on a personal journey through the iconic clubs that made it famous like The Twisted Wheel The Torch Wigan Casino Blackpool Mecca and Cleethorpes Pier He also details the bootleggers that made it infamous the splits that threatened to divide the scene the great unknown records that built its global reputation and the crate digging collectors that travelled to America to unearth unknown sounds A sweeping memoir that covers fifty years of British life *Young Soul Rebel* places the northern soul scene in a larger social and historical context that includes the rise of amphetamine culture the policing of youth culture the north south divide the decline of coastal Britain the Yorkshire Ripper inquiry the rise of Thatcherism the miners strike the rave scene and music in the era of the world wide web **Norroena, the History and Romance of Northern Europe** ,1906 [In Northern Mists: The History of Arctic Exploration](#) Fridtjof Nansen,2020-12-17 *In Northern Mists* is one of the best known works by a Norwegian explorer Fridtjof Nansen Table of contents Volume 1 Antiquity Before Pytheas Pytheas of Massalia the Voyage to Thule Antiquity After Pytheas The Early Middle Ages The Awakening of Medi val Knowledge of the North Finns Skridfinns Lapps and the First Settlement of Scandinavia The Voyages of the Norsemen Discovery of Iceland and Greenland Voyages to the Uninhabited Parts of Greenland in the Middle Ages Wineland the Good the Fortunate Isles and the Discovery of America Volume 2 Wineland the Good the Fortunate Isles and the Discovery of America Eskimo and Skr ling The Decline of the Norse Settlements in Greenland Expeditions of the Norwegians to the White Sea Voyages in the Polar Sea Whaling and Sealing The North in Maps and Geographical Works of the Middle Ages John Cabot and the English Discovery of North America The Portuguese Discoveries in the North West *Saturday Night Believer* Scott Fellows,2010-10-12 Tells what happens when an evangelical Christian band sings Gospel in the pubs and clubs of Northern England **The Complete History of Peanuts on Parade: A Tribute to Charles M.
