## **Northern Territory Dispute And Russo Japanese Relations:**

*The Northern Territories Dispute and Russo-Japanese Relations* Tsuyoshi Hasegawa, 1998      *Northern Territories, Asia-Pacific Regional Conflicts and the Aland Experience* Kimie Hara, Geoffrey Jukes, 2009-05-07 Examining the origin and development of the Northern Territories Southern Kuriles sovereignty dispute this volume is the first to take inspiration from the multilaterally resolved land conflict to investigate the possibility of a solution      **A History of Russo-Japanese Relations** , 2019-06-07 This publication is the result of a three year research project between eminent Russian and Japanese historians It offers an in depth analysis of the history of relations between Russia and Japan from the 18th century until the present day The format of the publication as a parallel history presents views and interpretations from Russian and Japanese perspectives that showcase the differences and the similarities in their joint history The fourteen core sections organized along chronological lines provide assessments on the complex and sensitive issues of bilateral Russo Japanese relations including the territory problem as well as economic exchange      Japan, Russia and their Territorial Dispute James D. J. Brown, 2016-02-05 The territorial dispute between Japan and Russia over four islands off the northeast coast of Hokkaid has been an enduring obstacle to closer relations between the two powers and therefore an important determinant of geopolitics in North East Asia Having emerged at the end of World War II this conflict has now existed for more than seven decades And yet despite the passage of so much time within Japan there remains a resilience of belief that the islands will eventually be returned This book provides a comprehensive analysis of Japan s prospects of ever recovering these Northern Territories Offering an in depth account of why the Japanese side believe they still have a chance of securing the return of the four islands it also provides an objective and methodical evaluation of the prospects of these expectations being realised The key finding is that Japanese policymakers and scholars have consistently overestimated the extent of Japan s leverage with regard to Russia and that there is in fact already no possibility whatsoever of sovereignty over the four islands being restored to Japan This has major implications for Japanese decision makers who must balance their principled commitment not to compromise on territorial issues with more pragmatic considerations of energy security and how to contain the rise of Chinese regional power Presenting a unique analysis and a strikingly different perspective on this territorial dispute the findings of this book are of considerable importance for international relations within the Asia Pacific region It will be of interest to students and scholars of Japanese Politics Russian Politics and International Relations      Economic Statecraft and Foreign Policy Jean-Marc F. Blanchard, Norrin M. Ripsman, 2013-07-18 This book develops a unified theory of economic statecraft to clarify when and how sanctions and incentives can be used effectively to secure meaningful policy concessions High profile applications of economic statecraft have yielded varying degrees of success The mixed record of economic incentives and economic sanctions in many cases raises important questions Under what conditions can states modify the behaviour of other states by offering them tangible economic rewards or by threatening to disrupt existing economic

relations To what extent does the success of economic statecraft depend on the magnitude of economic penalties and rewards In order to answer these questions this book develops two analytic models one weighs the threats economic statecraft poses to the Target s Strategic Interests TSI while the other stateness assesses the degree to which the target state is insulated from domestic political pressures that senders attempt to generate or exploit Through a series of carefully crafted case studies including African apartheid and Japanese incentives to obtain the return of the Northern Territories the authors demonstrate how their model can yield important policy insights in regards to contemporary economic sanctions and incentives cases such as Iran and North Korea This book will be of much interest to students of statecraft sanctions

diplomacy foreign policy and international security in general **Resolving the Russo-Japanese Territorial Dispute** Brad Williams, 2007-06-11 The unresolved territorial dispute between Japan and Russia over the South Kuril Islands Northern Territories remains the largest obstacle to concluding a peace treaty and fully normalising bilateral relations between the two nations This book traces the evolution of transnational relations between subnational public authorities in Hokkaido and Sakhalin examining the interrelationship between these ties and the Russo Japanese territorial dispute The book investigates why the development of Hokkaido Sakhalin relations has failed to create at the subnational level an environment conducive to resolving kankyo seibi the South Kuril Islands Northern Territories dispute Brad Williams suggests that kankyo seibi has not worked primarily because Russia s troubled transition to a liberal democratic market economy has manifested itself in ways that have ultimately increased the South Kuril Islands intrinsic and instrumental value for the Sakhalin public and regional elite This in turn has limited the impact from the twin transnational processes of cultural and economic exchange in alleviating opposition to the transferral of these disputed islands to Japan Drawing upon a wealth of primary and secondary sources from both countries this book utilises levels of analysis and an analytical framework that incorporates national and subnational as well as governmental and non governmental forces to discuss a relatively unexplored aspect of Russo Japanese relations As such Resolving the Russo Japanese Territorial Dispute will appeal to students and scholars of Asian politics international relations and post communist states **Northern Territories and Beyond** James E Goodby, Vladimir I. Ivanov, Nobuo Shimotomai, 1995-05-30 In this edited collection diplomats academic researchers and journalists survey modern Russian Japanese relations An attempt is made to go back to the origins of the conflict in their relations to analyze their current status and to propose an agenda for the future The authors argue that the problems Moscow and Tokyo inherited from the decades of the Cold War cannot be resolved through a narrow bilateral approach and will require constructure U S participation The problem of the Northern Territories is examined in the context of the North Pacific regional security environment The authors explore the prospects for cooperative regional engagement a nuclear build down in the North Pacific and possible involvement of the UN in the resolution of the territorial dispute The dissolution of the Soviet Union raised hopes for a rapid improvement of Japanese Russian relations This is important to both global and

regional stability peace and security in Northeast Asia and to Russia's transition to new relations with the West Both Russia and Japan are in the process of domestic change and have weak political leadership Yeltsin's visit to Tokyo in October 1993 was a cause for relief and for hope as the two nations discussed their common concerns However the Northern Territories remains a serious obstacle to improved relations In this book an attempt is made to go back to the origins of the conflict in Japan Russia relations to discuss their current status and to propose an agenda for the future There was a broad consensus among the diplomats academic researchers political analysts and journalists whose writings are part of this collection First the problems Moscow and Tokyo inherited from the decades of Cold War cannot be resolved through a narrow bilateral approach and will require constructive U S participation Second the interconnection between bilateral regional and global trends created a new context for Moscow Tokyo dialogue and cooperation Third the problem of the Northern Territories cannot be separated from the realities of the North Pacific regional security environment which is still under the residual influence of the Cold War The authors explore the prospects for cooperative regional engagement a nuclear build down in the North Pacific and possible involvement of the UN in the resolution of the territorial dispute Among the problems that require immediate attention the writers focus on defense conversion and dismantlement and disposing of nuclear weapons and prospects for trilateral partnership that will serve the purpose of multilateral cooperation in the North Pacific Northeast Asian region

**Japan's Foreign Policy, 1945-2009** Kazuhiko Togo, 2010-07-26 Now in its third edition This is a fascinating insider account of postwar Japanese foreign policy written by a former senior Japanese diplomat The author examines Japanese foreign policy as it approaches a crucial reorientation towards a more proactive policy stance The book is exceptionally clear accessible and interesting for anyone interested in modern Japan

Japanese-Russian Relations, 1907-2007 Joseph Ferguson, 2008-04-03 This book presents a comprehensive survey of Japanese Russian relations from the end of the Russo Japanese War until the present Based on extensive original research in Japanese and Russian sources it shows how the hopeful period of the late 1990s when acrimonious relations between the two briefly ceased was not in fact unique

*Voices from the Shifting Russo-Japanese Border* Svetlana Paichadze, Philip A. Seaton, 2015-02-20 In the nineteenth century as the Russian empire expanded eastwards and the Japanese empire expanded onto the Asian continent the Russo Japanese border became contested on and around the island of Sakhalin its Russian name or Karafuto as it is known in Japanese Then in the wake of the Second World War Russia seized control of the island and the Japanese inhabitants were deported Sakhalin's history as a border zone makes it a lynchpin of Russo Japanese relations and as such it is a rich case study for exploring the key themes of this book life in the borderlands migration repatriation historical memory multiculturalism and identity With a focus on cross border dialogue *Voices from the Shifting Russo Japanese Border* reveals the lives of the ordinary people in the border regions between Russia and Japan and how they and their communities have been affected by shifts in the Russo Japanese border over the past century and a half Examining the lives and experiences of

repatriates from Karafuto Sakhalin in contemporary Hokkaido and their contribution to the multicultural society of Japan's northernmost island the chapters cover the border shifts in Karafuto Sakhalin up until 1945 the immediate aftermath the Second World War the commemorative practices and memories of those in both Japan and Eastern Russia and finally postwar lives by drawing extensively on interviews with people in the communities affected most by the shifting border This interdisciplinary book will be of huge interest to students and scholars across a broad range of subjects including Russo Japanese relations Northeast Asian history border studies migration studies and the Second World War

**The U.S.-Japan Security Alliance** T. Inoguchi, G. John Ikenberry, 2011-09-12 In this book American and Japanese experts examine to what extent diverging priorities in the U S Japan alliance are real and whether they are not remedied with political and diplomatic leadership and other processes American and Japanese authors are paired to analyze the same topic where doing so is possible for comparing their perspectives

**Japanese Strategic Thought toward Asia** G. Rozman, K. Togo, J. Ferguson, 2007-01-22 Japanese leaders and often the media too have substituted symbols for strategy in dealing with Asia This comprehensive review of four periods over twenty years exposes the strategic gap in viewing individually and collectively China Taiwan the Korean peninsula Russia Central Asia and regionalism

**Japan and the Security of Asia** Louis D. Hayes, 2001-01-01 In Japan and the Security of Asia Louis Hayes studies modern Japan's frustrated search for national security The book charts Japan's attempts to fashion its own place in the sun in the face of Great Power interventionism and national demands for regional hegemony first through nascent internationalism and later disastrous totalitarianism that culminated in war in the Pacific Hayes expertly tracks Japan's shifting foreign policy goals up to the present day moving from the preservation of the nation state by force to the drive for economic self aggrandizement as a Cold War client of the United States The book reveals to the student of modern Asian history a twenty first century Japan that has rejected unarmed neutrality and is reasserting its security independence in post Cold War Asia

**Japanese-Russian Relations Under Gorbachev and Yeltsin** Hiroshi Kimura, 2016-07-08 Why has the stalemate in Japanese Russian relations persisted through the end of the Cold War and Moscow's weakening control over its far eastern territories In this volume Kimura continues his comprehensive analysis of Russia and Japan's strained and unstable relations to the present day

*Japan's Border Issues* Akihiro Iwashita, 2015-10-30 Japan was sometimes described as a country of peace during the Cold War period in contrast to the continental border conflicts taking place at the time such as the China Soviet rivalry However as the maritime frontier was rediscovered and defined by the regional powers and legal refinements of the 1970s the process of states seeking a secure maritime zone has accelerated and maritime rivalries have become as intense as inland rivalries This book examines the territorial disputes souring relations between Japan and its three neighbours Russia South Korea and China It combines an empirical study with theoretical advancements in comparative research to understand the Cold War and post Cold War border issues related to Japan particularly the Northern Territories South Kurils dispute with Russia

Takeshima Dokto with Korea and Senkaku Diaoyu with China and Taiwan Based on the history of negotiations with the Soviet Union and Russia over the course of fifty years the study offers a series of practical suggestions to enable these disputes to be separated from arguments over their history and resolved on the basis of the principle of mutual advantage for those affected by them This book provides not only the key to resolving these three disputes affecting East Asia but the framework in which to seek the resolution of other territorial issues worldwide Explaining the history and possible outcomes of Japan s territorial disputes with Russia South Korea and China whilst providing concrete steps for resolving entrenched territorial disputes this book will be of great interest to students and scholars of International Relations Japanese Politics and International Law

**Asian Security to the Year 2000** William Jesse Taylor,1996 In January 1996 the U S Army War College s Strategic Studies Institute SSI and the Center for Strategic and International Studies CSIS hosted a conference on Asian Security to the Year 2000 No region of the world has greater potential for expanded influence on American interests This compendium of papers from the conference examines the security policies being pursued by many of the key Asian actors China the Koreas Pakistan and the nations of Southeast Asia particularly those in ASEAN The contributors to this volume paint the picture of a dynamic and diverse Asia on the verge of the new century Each author identifies the critical issues which frame both challenges and opportunities for U S foreign economic and security pol

**Japan's National Identity and Foreign Policy** Alexander Bukh,2010-10-18 This book is the first attempt to examine Japan s relations with Russia from the perspective of national identity providing a new interpretation of Japan s perceptions of Russia and foreign policy Alexander Bukh focuses on the construction of the Japanese self using Russia as the other examining the history of bilateral relations and comparisons between the Russian and Japanese national character The first part of the book examines the formation of modern Japan s perceptions of Russia focusing mainly on the Cold War years The second part of the book examines how this identity construction has been reflected in Japan s economic security and territorial dispute related policy towards post Soviet Russia Providing not only a case study of the Japan Russia relationship but also engaging in a critical examination of existing International Relations frameworks for conceptualizing the relationship between national identity and foreign policy the appeal of the book will not be limited to those interested in Japanese Russian politics but will also be of interest to the broader body of students of International Relations

**Asia Pacific Confidence And Security Building Measures** Ralph A. Cossa,2019-04-05 This book provides a summation of many of the key points and insights that emerged during the first meeting of the Council for Security Cooperation in the Asia Pacific Confidence and Security Building Measures Working Group in Washington D C in October 1994

*Trump's America and International Relations in the Indo-Pacific* Tsuneo Akaha,Jingdong Yuan,Wei Liang,2021-08-25 The book assesses U S foreign relations in the Indo Pacific during the Trump Administration with a particular focus on the regional powers response to Trump s America First policy The chapter authors draw on the theoretical insights from dominant International Relations theories Neo Realism Liberal

Institutionalism and Constructivism to explain both continuities and discontinuities found in the regional powers security and foreign economic policies before and during the Trump Administration The book will be of interest to new and advanced students of International Relations Asian Studies and U S foreign policy The multi national perspectives of the regional experts offer penetrating analyses of the likely legacy or lack thereof of the range of political security and trade policy initiatives launched by the Trump Administration and its implications for the balance of power regional institutions and national identity informed approaches to international relations in the Indo Pacific

**Understandings of Russian Foreign Policy** Ted Hopf, 2010-11-01 Scholars from Asia Europe and North America working with the support of the Finnish Institute of International Affairs combine their efforts to bring us new insights into how Russia has conducted its foreign affairs since the fall of Communism Drawing on both archival sources and interviews they cover such major issues as Russia s decision to use military force in Chechnya its reactions to NATO expansion and its emergent relations with Japan and East Asia The contributors are Eunsook Chung Henrikki Heikka Ted Hopf Andrea Lopez Hiroshi Kimura Sergei Medvedev and Christer Pursiainen
