Universal Television Wikipedia contributors, New Old-fashioned Ways Jack Santino,1996 Every year as each holiday rolls around American popular culture is suddenly awash in images associated with that festivity While Christmas has been the most obviously commercialized celebration Halloween Easter the Fourth of July Hanukkah Thanksgiving and Valentine s Day are also reflected in the offerings of the mass media and consumer products industries This book is the first in depth investigation of the myriad ways in which traditional holidays are both manifested and exploited in a commercial consumerist

society Jack Santino's analysis encompasses everything from movies to romance novels from television shows to comic books One especially fascinating feature of this study is its examination of the packaged foods industry and the manner in which soft drinks beer snack cakes cookies candy and breakfast cereals are regularly repackaged to reflect particular holidays In what becomes a central theme of the book Santino shows how holidays give companies the opportunity to create an illusion of novelty for products that otherwise remain unchanged over time For example the holiday Chips Ahoy cookies or Halloween Oreos differ only in their appearance from the everyday products but they assume a quality of uniqueness through their association with a special time of the year Throughout the book Santino examines the logic by which commercial culture and holidays are linked Halloween for instance with its traditional symbolism of death evil and monsters has served as a theme for heavy metal music and slasher films This in turn has led to some interesting transmutations as one text borrows from another in the wake of a commercial success When John Carpenter's pioneering 1978 slasher film Halloween became a box office hit it was perhaps inevitable that other holiday based slasher films New Year's Evil April Fool's Day and Silent Night Deadly Night would follow Copiously illustrated New Old Fashioned Ways is at once entertaining and informative a treat for general readers as well as an important work for scholars in a variety of fields including communications folklore anthropology sociology and business

Two Aspirins and a Comedy Metta Spencer, 2015-12-03 An extraordinary book which makes a vital contribution to our understanding of the potential power for healing and goodness in television entertainment Arlie Hochschild author of *The Time Bind* 2001 Despite the light title this is a serious book about the healing possibilities of television Provocative and enlightening Beth Montemurro Penn State University Can television be a positive force in society Can socially conscious entertainment change the world *Two Aspirins and Comedy* arrives at surprising and unconventional answers to these questions Metta Spencer delves deep into the significance and power of entertainment as a means to influence society She finds current examples of socially constructive television and demonstrates how mass entertainment can better use its power to positively influence society In a climate where television is often a culprit for society's woes Spencer casts a redemptive eye on the medium She asserts that television like other fictional landscapes offers invaluable lessons emotional bonding and catharsis for a modern society whose members are increasingly isolated

Wrapped in Plastic Andy Burns, 2015-02-01 Damn good coffee cherry pie and the big bang of auteur television In 1990 avant garde filmmaker David Lynch *Eraserhead* *The Elephant Man* *Dune* *Blue Velvet* and acclaimed television writer Mark Frost *Hill Street Blues* teamed up to create a television show that would redefine what the medium could achieve in a one hour drama With *Twin Peaks* the duo entranced audiences with the seemingly idyllic town its quirky characters and a central mystery who killed Laura Palmer In a town like *Twin Peaks* nothing is as it seems and in *Wrapped in Plastic* pop culture writer Andy Burns uncovers and explores the groundbreaking stylistic and storytelling methods that have made the series one of the most influential and enduring shows of the past 25 years
