Death Drives a Semi Edo van Belkom, 2023-10-10 Keep one eye on the road ahead and another on the rearview mirror Because like the legendary phantom semi of this book's titular story these stories will creep up on you and overtake you without warning Edo van Belkom twists his unique perspective and droll black sense of humor into twisted observations of the sad violent and ironic sides of life in this special 25th anniversary release of a compilation of his most beloved horror stories With a voice and range that has drawn comparisons of Robert Bloch Richard Matheson and Stephen King van Belkom takes the reader down a most unique highway that breathes new life into classic horror tropes all the while maintaining the essence of the best of a combination of *The Twilight Zone* and the old EC horror comics of the 1950s *Death Drives a Semi* comes at you with a sparkle in its bloodshot eye a happy twist on its pale lips and a switch blade tucked into a back pocket of its faded jeans These stories move with the brutal crazed efficiency of a starved rat who has just spotted a half eaten cheeseburger on the other side of the alley Throughout Edo van Belko's left landed almost surreal sense of humor aerates and elevates the proceedings by providing a constant ironic commentary like a soundtrack composed by Frank Zappa and Spike Jones Peter Straub author of *The Hellfire Club* These stories are full of fire and dark smoke fueled by wit and ingenuity Joe R Lansdale author of *Savage Season* Edo van Belkom is a true original His stories are sly wry sad and violent He has a voice all his own and songs well worth the singing Ed Gorman author of *Cage of Night*
