a compelling Canadian adventure tale with all its drama intrigue joy and tragedy But the writer goes beyond that to contemplate the significance of the Thelon wilderness and to examine its uncertain future It is the richness of human experience layered on top of the natural splendour of the river valley and its wildlife that really sets the Thelon apart The place has a history both Native and non Native which gives it standing beyond the intrinsic value of wilderness itself David Pelly writes as one who has been there time and again He knows the Thelon from personal experience As a freelance writer for 20 years he has travelled many parts of the Arctic but claims that nowhere draws me back more powerfully than the Thelon
