Perspective on Early American History Carroll P. Kakel III,2019-08-16 This book argues that early American history is best understood as the story of a settler colonial supplanting society a society intent on a vast land grab of American Indian space and driven by a logic of elimination and a genocidal imperative to rid the new white settler living space of its existing Indigenous inhabitants Challenging the still strongly held notion of American history as somehow exceptional or unique it locates the history of the United States and its colonial antecedents as a central part of rather than an exception to the emerging global histories of imperialism colonialism and genocide It also explores early American history in an imperial transnational and global frame showing how the precedent of the North American West and its colonial trope of Indian wars were used by like minded American and European expansionists to inspire and legitimate other imperial colonial adventures from the late nineteenth through the mid twentieth centuries *Landmarks of African American History* James Oliver Horton,2005-03-24 In *Landmarks of African American History* James Oliver Horton chooses thirteen historic sites to explore the struggles and triumphs of African Americans and how they helped shape the rich and varied history of the United States Horton begins with the first Africans brought to Jamestown Virginia and the start of slavery in the colonies that became the United States Boston s Old State House provides the backdrop to the martyrdom of Crispus Attucks the former slave killed in the Boston Massacre the confrontation with British troops that led to the American Revolution After the Civil War former slaves settled the desolate area of Nicodemus Kansas and turned it into a thriving community The USS Arizona Memorial in Pearl Harbor Hawaii and Boston s Old State House illustrate African American contributions to the defense of their country and reveal racial tensions within the military And the black students who demanded service at Woolworth s racially segregated lunch counter in Greensboro North Carolina launched the sit in movement and advanced the fight for civil rights Horton brings together a wide variety of African American historical sites to tell of the glory and hardship of the great achievement and determination of the people and events that have shaped the values ideals and dreams of our nation
