Living in Norway Elisabeth Holte, 1993. Life in Norway based on tradition and simplicity, on quality and authenticity, parallels today's trends. Ecologically conscious Norwegians are experts at living off the land's bounty and are envied by many other European countries. Increasingly, numerous visitors travel north and most of them choose Norway as their destination. Nature is so powerful here that it dictates the Norwegian way of life. This is why S lvi Dos Santos and Elisabeth Holte have chosen the rhythm of the seasons to reveal the country's diversity and richness. We are invited into Norwegian homes at the most pleasant time of year and we discover the charming hotels, traditional restaurants and delightful house museums that are all listed in the Visitor's Guide at the end of this book. In the winter, residents unite in the warmth of farms located in the grand valleys at the interior of the country, which reveal the splendor of their rose painting decorations, their traditional built-in beds and their large ballrooms. Spring is celebrated all along the breath-taking western fjords covered with blossoming fruit trees and in white painted manor houses. In summertime, Norwegians spread out to the southern coasts with their small houses built just next to the water's edge or travel to the north of the Arctic Circle where the Midnight Sun lights up continuous outdoor life. Autumn brings Norwegians back to hunting pavilions nestled deep within the forests to the fireside and to wild berry collecting. Edvard Grieg's voice mixes with those of Henrik Ibsen, Edvard Munch, Knut Hamsen, Sigrid Undset, Tarjei Vesaas and Liv Ullmann to affirm the Norwegian's deep love for their homes and their regions. As Knut

Faldbakken explains in his preface The art of that people our original traditions have always existed side by side with more sophisticated currents demanded their due respect and flaunted their quality with a vitality and a self awareness which is still found today in the countless villages and hamlets tucked away in remote corners of our country These representatives of Norway s distinctive culture invite you to discover a fascinating country considered to be the best kept secret in Europe Stunning color photography and lively insightful texts capture the real essence of this beautiful country In this huge country of contrast and change Norwegians bring the intimate lifestyle of their comfortable homes into harmony with Nature s majestic grandiosity in a natural and unpretentiously graceful way For them nothing counts as much as life in the fresh air and the warmth of their homes the passage from one to the other constituting an exceptional lifestyle that this book invites you to discover This is a lifestyle marked by a love for natural materials by the genius of Viking carpenters and by a powerful tradition that can be brilliantly allied with the contemporary Colour reveals and illuminates the smallest decorative elements it literally bursts from walls furniture panelling and objects all of which are harmonized or contrasted with particular aesthetic talent in the houses presented to us here Grieg s and Munch s houses Lofoten island s fisherman s cabins and hunting pavilions stopping places for royal families homes of the descendants of great explorers artisan s homes and the country inns hidden deep in the valleys These remarkable houses share a magnificent folk art tradition that distinguishes them from those of their Scandinavian neighbours Living in Norway offers a privileged journey throughout this unique country Two extremely talented Norwegians will be your guides thanks to them the visitor will no longer feel like a tourist but like a native and will discover with amazement the beauty and exoticism of this little known country *Norwegian Trade Review* ,1926 *General Knowledge* YCT Expert Team , 2022-23 RRB General Knowledge Chapter wise Solved Papers
