History of Norwegian Immigration to America

The Reasons for Norwegian Immigration to America

Why did people want to leave Norway and why did they want to move to America

The Norwegian immigrants of the colonial period joined the Dutch seeking profit opportunities for trade and a new life in America

Many of the later immigrants of the early 1800 s sought religious freedom

However the main reasons for the Norwegian Immigration to America in the mid 1800 s were disasters such as crop failures blights and poor harvests leading to poverty

The agricultural revolution caused unemployment and the financial need to seek a better life and employment due to the industrialization of America

History of Norwegian Immigration to America in the 1600 s

Colonial America

New Netherland

During the Colonial era Norway were important diplomatic and trading allies of Holland

The Norwegians supplied the Dutch with the timber needed to build their ships

Due to these close alliances a number of immigrants from Norway came across in Dutch ships and settled among the Dutch in New Netherland during the Colonial period

New Netherland covered areas of the Mid Atlantic States later known as New York New Jersey Connecticut Rhode Island and Delaware

This was the first small and sporadic wave of Norwegian Immigration to America

The Sloopers

The history of Norwegian Immigration to America reached a significant point in 1825 when the Restauration ship sailed from Stavenger with over 50 Quakers and Haugean reformists on board who wanted to leave the religious prosecution of the Lutheran state church in Norway

The trip was well planned and Cleng Peerson who would later be called the Pioneer of Norse Emigration to America visited America in 1821 to prepare for their arrival

The group was led

by Lars Larsen Geilane and made the hazardous 14 week journey to America on the Restauration an undersized sailing sloop which earned the group the name of the Sloopers They landed in New York on October 9 1825 and were lauded for their bravery that many Americans saw as reminiscent of the Mayflower pilgrims The Norwegian migrants first settled in Kendall New York and in 1834 Cleng Peerson founded a second Norwegian settlement in the Fox River Valley of Illinois which was aptly called Norway Illinois History of Norwegian Immigration to America in the 1800 s The Potato Blight During the 1800 s potatoes were the most important crop in Norway The potato blight responsible for the Irish Potato Famine 1845 1849 spread to Norway causing famine hunger and disease It is estimated that 50 000 Norwegians died during this terrible time Emigration to America was a means of escape but the passage was expensive Some Norwegians obtained passage by signing contracts as indentured servants without pay up to 5 7 years in return for free passage By the end of the 1860s there were more than 40 000 Norwegians in the United States History of Norwegian Immigration to America in the 1800 s Major Wave of Norwegian Immigration After the American Civil War 1861 to 1865 yet another terrible famine hit the countries of Scandinavia and brought the first major wave of Norwegian immigrants in its wake The devastating Famine of 1866 1868 hit all the Scandinavian countries leaving potatoes and vegetables rotting in the fields of Norway Norwegian Immigration to America soared as 110 896 people were forced to leave Norway between 1866 and 1873 Much of this information obtained from the helpful website <http://www.emmigration.info/norwegian-immigration-to-america.htm> *History of the Norwegian People in America* Olaf Morgan Norlie, 1925 Background history of Norway immigration organizations and people in Norweigna America *Norwegians in America, their History and Record* Martin Ulvestad, 2011-06-01 Ulvestad compiled the Norwegian American pioneer stories by sending out 163 000 small books and pamphlets along with 450 000 circulars and forms to the early immigrants and their families The compilations were originally published in 1907 and 1913 in a Gothic script called 1883 Fraktur These bilingual volumes include a Norwegian transcription and an English translation **The Promise of America** Odd Sverre Lovoll, 1999 *Promise of America* Odd S.
