Nos Knife Collected Shorter Prose 1945 1966

James Knowlson

Nos Knife Collected Shorter Prose 1945 1966:

No's knife : collected shorter prose 1945 - 1966 Samuel Beckett, 1975 No's Knife Samuel Beckett, Richard Seaver, 1975 **Samuel Beckett: the Complete Short Prose, 1929-1989** Samuel Beckett, 1995 Gathers the Nobel Prize winning poet and dramatist's short prose into one volume that affords the reader a view of Beckett's development as an artist

The Complete Short Prose of Samuel Beckett, 1929-1989 Samuel Beckett, 2007-12-01 Nobel Prize winner Samuel Beckett was one of the most profoundly original writers of the 20th century. He gave expression to the anguish and isolation of the individual consciousness with a purity and minimalism that have altered the shape of world literature. A tremendously influential poet and dramatist, Beckett spoke of his prose fiction as the important writing, the medium in which he distilled his ideas most powerfully. Here for the first time his short prose is gathered in a definitive complete volume by leading Beckett scholar S E Gontarski.

Beyond Fetishism and Other Excursions in Psychopragmatics NA NA, 2022-09-24 Do the meanings of the innumerable fetish signs appearing in recent artworks depend on the sender's intentions? Is the meaning of postfeminist glamour the celebration of femininity that its practitioners tout to counter ersatz macho posturing? To fully examine and clarify these and other issues involving gender, postcolonial and artistic otherness, this book argues for a more adequate view of performativity than presently available from speech act theory and certain strains of linguistic pragmatics. In drawing simultaneously on Charles Sander Peirce's pragmatic analysis of signs, Freudian and post-Freudian psychoanalytic inquiry and radical feminist thought, the concern of *Beyond Fetishism* is with the ethical and aesthetic import of the psychopragmatics resulting from this intermingling.

Damned to Fame: the Life of Samuel Beckett James Knowlson, 2014-10-16 A triumph of scholarship and sympathy, one of the great post-war biographies. Independent. A landmark in scholarly criticism, Knowlson is the world's largest Beckett scholar. His life is right up there with George Painter's Proust and Richard Ellmann's Joyce in sensitivity and fascination. Daily Telegraph. It is hard to imagine a fuller portrait of the man who gave our age some of the myths by which it lives. Evening Standard.

SHORTLISTED FOR THE WHITBREAD PRIZE Samuel Beckett's long-standing friend James Knowlson recreates Beckett's youth in Ireland, his studies at Trinity College Dublin in the early 1920s and from there to the Continent where he plunged into the multicultural literary society of late 1920s Paris. The biography throws new light on Beckett's stormy relationship with his mother, the psychotherapy he received after the death of his father and his crucial relationship with James Joyce. There is also material on Beckett's six-month visit to Germany as the Nazis tightened their grip. The book includes unpublished material on Beckett's personal life after he chose to live in France, including his own account of his work for a Resistance cell during the war, his escape from the Gestapo and his retreat into hiding. Obsessively private, Beckett was wholly committed to the work which eventually brought him public fame, beginning with the controversial success of *Waiting for Godot* in 1953 and culminating in the award of the Nobel Prize for Literature in 1969. *The Unhappy*

Consciousness E.F. Kaelin, 2012-12-06 In the wake of so many other keys to the treasure whoever undertakes still another book of criticism on the novels and drama of Samuel Beckett must assume the grave burden of justifying the attempt especially for him who like one of John Barth's recent fictional characterizations of himself believes that the key to the treasure is the treasure itself No one will ever have the privilege of the last word on these texts since any words other than the author's own found therein must be referred back to the text themselves for cautious verification Indeed the words the author has used to create the oeuvre stand by virtue of their own creativeness or fail in their pretense and need no critical comment to be appreciated for what they have achieved or have failed to achieve In criticism there is no privileged point of view not even the author's own He has consulted his knowledge and experience to make the work and whoever would criticize his efforts would seem to owe him the indulgence of doing the same If communication is mediated through the works the author and his readers respond in reciprocal fashion to the expressiveness of their contexts For the philosopher of art the challenge is extremely tempting on a manifold count

Twentieth Century Drama Simon Trussler, 1983-04-01 A compendium of information on all the main events individuals political groupings and issues of the 20th century It provides a guide to current thinking on important historical topics and personalities within the period and offers a guide to further reading

The Who's Who of Nobel Prize Winners, 1901-2000 Louise S. Sherby, 2001-12-30 The Who's Who of Nobel Prize Winners is a one stop source of detailed information on the men and women who earned the Nobel Prize during the 20th century Organized chronologically by prize each extensive article contains in depth information on the laureate's life and career as well as a selected list of his or her publications and biographical resources on the individual A concise commentary explains why the laureate received the award and summarizes the individual's other important achievements This completely updated edition also contains a history of the prize Four indexes distinguish this title from similar biographical references and enable researchers to search by name education nationality or citizenship and religion

Routledge Library Editions: Beckett Various, 2022-07-30 This collection of five previously out of print titles examines Samuel Beckett's works and their impact on the theatre and on people who came into creative contact with his ideas His plays are assessed as are his works for film and television A titan of original thinking these books by leading Beckett scholars analyse how his creative vision was expressed and how it revolutionised not just the world of theatre but also of the wider world of the arts

A Rhetoric of the Unreal Christine Brooke-Rose, 1981-10-15 This 1981 book is a study of wide range of fiction from short stories to tales of horror from fairy tales and romances to science fiction to which the rather loose term fantastic has been applied Cutting across this wide field Professor Brooke Rose examines in a clear and precise way the essential differences between these types of narrative against the background of realistic fiction In doing so she employs many of the methods of modern literary theory from Russian formalism to structuralism while at the same time bringing to these approaches a sharp critical intuition and sound common sense of her own The range of texts considered is broad from Poe and James to Tolkien from Flann O

Brien to the American postmodernism This book should prove a source of stimulation to all teachers and students of modern literary theory and genre as well as those interested in fantastic literature **Navigations** Richard Kearney,2006-07-13 This collection contains writings on Irish politics literature drama and visual arts along with a series of dialogues with important cultural and intellectual figures Previously unpublished pieces include essays on Joyce and on the Irish Hunger Memorial in New York City and a dialogue with Georges Dumzil on myth **Beckett's Eighteenth Century** F. Smith,2001-12-17

Beckett's Eighteenth Century is the first book length study of Samuel Beckett's affinity with the British eighteenth century and of the influence of its writers on his work Reading Swift Pope Defoe Fielding Sterne Johnson Gray and other writers of this period this study demonstrates how he was not only influenced by them but interprets them for us in a quite modern way Beckett's uniqueness is not questioned here but this uniqueness is shown paradoxically to have its roots at least in part in his native literature of two centuries ago *Contemporary Poets*,1985 **Beckett the Shape Changer** Katharine Worth,2021-05-18 The essays in this book first published in 1975 suggest how best to approach Beckett how to read him how to get closer to the concrete experience offered by this most concrete of writers It aims to bring out the full diversity of Beckett's art as dramatist and story teller His astonishing flexibility and inventiveness is stressed throughout either in studies of single novels or from the whole range of the fiction and stage drama or from the experiments in other media the solitary film the radio plays Beckett's bilingualism one of the strangest aspects of his Proteanism is examined through a comparison of the French and English texts of some of his stage plays The emphasis of the essays is literary rather than philosophical they explore narrative and dramatic processes the strange partial transitions between them the fine relations of form and feeling which Beckett aims at through whatever medium he is using and his humaneness expressed through the many nuances of his humour The shorter fiction and the later writings also receive close attention **Samuel Beckett and the Language of Subjectivity** Derval Tubridy,2018-07-05 The first sustained exploration of aporia as a vital subversive and productive figure within Beckett's prose and theatre **Samuel Beckett** Linda Ben-Zvi,1986 Provides in depth analysis of the life works career and critical importance of Samuel Beckett No Author Better Served Samuel Beckett,Alan Schneider,1998-10-20 Samuel Beckett claimed he couldn't talk about his work but he proves remarkably forthcoming in these pages which document the thirty year working relationship between the playwright and his principal producer in the United States Alan Schneider The 500 letters capture the world of theater as well as the personalities of their authors

The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950 George Watson,I. R. Willison,1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct

and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries **Comparative Criticism: Volume 5, Hermeneutic Criticism** E. S. Shaffer, 1986-04-17 Addresses literary theory and criticism comparative studies in terms of theme genre movement and influence and interdisciplinary perspectives

Nos Knife Collected Shorter Prose 1945 1966: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have charmed audiences this year. Nos Knife Collected Shorter Prose 1945 1966 : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
