Nosotras Y La Piel:

Nosotras-- y la piel Alfonsina Storni, 1998 La Joven Moderna in Interwar Argentina Cecilia Tossounian, 2019-12-11
In this book Cecilia Tossounian reconstructs different representations of modern femininity from 1920s and 1930s Argentina a time in which the country saw new economic prosperity a growing cosmopolitan population and the emergence of consumer culture Tossounian analyzes how these popular images of la joven moderna the modern girl helped shape Argentina's emerging national identity *Identity, Nation, Discourse* Claire Taylor, 2009-01-14 This volume explores women's literary and cultural production in Latin America and suggests how such works engage with discourses of identity nationhood and gender Including contributions by several prominent Latin American scholars themselves it seeks to provide a vital insight into the analysis and reception of the works in a local context and foster debate between Latin American and metropolitan academics The book is divided into two sections Women and Nationhood and Models and Genres The first section comprises six chapters which examines women's responses to and attempts to carve out space within national discourses in a Latin American context Spanning the nineteenth century to the present day the chapters offer an insight into the ways in which Latin American women have constructed themselves as modern subjects of the nation and made use of the ambiguous spaces created by modernization and national discourses The section starts firstly with a focus on the Southern Cone covering Chile and Argentina and then moves geographically northward to Colombia and Bolivia The second section Models and Genres consists of six chapters that examine how women writers engage with and critically re work existing literary discourses and paradigms Considering phenomena such as detective fiction fairy tales and classical mythological figures the chapters illustrate how these genres and models frequently coded as masculine are given new inflections both as a result of their deployment by women and as a result of their re working in a Latin American context **Escritos** Alfonsina Storni, 2018-03-20 Alfonsina Storni es un caso emblemático por su estratégica ubicación en el ambiente está en el centro y porque su poesía es bastante leída en la época es más tiene cierto público que le da un reconocimiento social una popularidad inhabitual que generaba la envidia o los malintencionados comentarios de algunos escritores *La Nota*, 1916 *Nota*, 1917 **Crónicas de Los Hijuná** Daniel Prieto Castillo, 1983 **¿cuánto Debes Esperar Para Tener Sexo?: Una Novela** Monique Sorgen, 2015-01-19 Samantha Harper acaba cumplir 30 años y está lista para conocer al hombre de sus sueños así que lo hace Samantha prácticamente siempre logra lo que se propone Si lo hay un problema después de que tiene sexo con él en la primera noche que se conocen no vuelve a llamarle nunca más Nada acostumbrada al fracaso Samantha está furiosa con ella misma Tan sólo desea a que no hubiera sucedido Desear a no haber tenido sexo con él Y para su sorpresa su deseo se vuelve realidad Obtiene no una sino muchas más oportunidades para retroceder en el tiempo y descubrir cuánto debe esperar para tener sexo para conseguir que el hombre de sus sueños se enamore de ella Determinada a no arruinarlo Samantha finalmente consigue la respuesta al viejo dilema de Cuánto Debes Esperar para Tener Sexo **América Latina y el mundo**
