**The Stranger in My Bed** Patricia Marie Garcia, 2013-03-07 South Lyon was a tiny quaint town where everyone knew everyone else and their business So what went on behind closed doors stayed behind closed doors Author Patricia Garcia was a terrible student She had a very hard time grasping what the teacher was trying to get across to her in class When she entered high school that was the very worst time for her She tried very hard but she just could not take it in She struggled through high school When it was time for her to graduate she was not sure she was going to make it Her father was so angry at her that he sent her mom over to talk to the principal to see if she was indeed going to graduate Her mom was told she would graduate but not by much The abuse started and you will see just how she lived through it all Her childhood was the beginning of all of the abuse she endured and how she finally broke the cycle of hurt *Can't Get You Out of My Bed* Isla Olsen, 2020-09-12 Ben Aidan Kelly To everyone else in the world he's the star of a successful extreme travel show but to me he's the one that won't go away It started with one of those typical high school crushes on my best friend's older brother which turned out to be not entirely unrequited There was that time just after high school where someone not me may or may not have hurled all over someone else's c c k Then there was that incident in Austin where well let's just say it gave a whole new meaning to the term bull riding And let's not forget that little thing with the rental car But it doesn't matter how good the sex is or how deep the attraction is Aidan and I are just never going to work There's the distance for one and the fact that one of us not me is a closeted celebrity and that's all without going into how whenever we're in the same place we just can't seem to stop from hurting each other And not just in the good way The only option to maintain my sanity is to avoid Aidan and force myself not to think about him But that's easier said than done when thanks to my best friend's misguided help we end up living in the same freakin apartment Warning This book is not appropriate for

anyone who doesn't like laughing anyone who doesn't like terrible karaoke or anyone who doesn't like when two hella gorgeous guys have a ton of smoking hot sex as they work through their shit to get to their happy ending Happily Ever After included
