Not My Fathers War

**William Shakespeare, Charles
Symmons**

Not My Fathers War:

My Father's War Carolyn Johnston, 2012-08-03 The author draws on her father's account of the war and her extensive interviews with other veterans of the 92nd Division to describe the experiences of a naive southern white officer and his segregated unit on an intimate level During the war the protocol that required the assignment of southern white officers to command black units both in Europe and in the Pacific theater was often problematic but Johnston seemed more successful than most earning the trust and respect of his men at the same time that he learned to trust and respect them Gene Johnston and the African American soldiers were transformed by the war and upon their return helped transform the nation The 92nd Division of the Fifth Army was the only African American infantry division to see combat in Europe during 1944 and 1945 suffering more than 3 200 casualties Members of this unit known as Buffalo Soldiers endured racial violence on the home front and experienced racism abroad Engaged in combat for nine months they were under the command of southern white infantry officers like their captain Eugene E Johnston

My Father's War Jake Berry Ellison Jr, 2023-04-06 Derek's lifelong work is about to be sold to pornographers for a lot of money His wife has left him for that and other reasons and he's having a hard time keeping existential focus Into this maelstrom flies a package from his mother that contains his father's account of his experiences in the European theater of World War II As he reads about his father's war while struggling with the business deal and its ramifications for his idea of himself he begins to expand his understanding not only of who his father was and the character of his country but also of the ebb and flow of the seemingly conscious force of war All of which comes into focus during one terrifying night of the rape of a girl

Finding My Father's War Walter J. Eldredge, 2004-06 Here for the first time is the story of the 2nd Chemical Mortar Battalion told in the pictures and memories of the veterans themselves with the son of a mortar company commander as their voice

My Father's War Hwang Ha-Yong, 2010

My Father's War Jim Schneider, 2013-02-07 This is the story of Col Max F Schneider one of the original U S Ranger officers from the time they were formed until after the Allied invasion of the Normandy Coast where he commanded his own battalion of Rangers The book follows his life through the post war years leading to his tragic death in Korea in 1959

Afterwar Nancy Sherman, 2015-04-08 Movies like *American Sniper* and *The Hurt Locker* hint at the inner scars our soldiers incur during service in a war zone The moral dimensions of their psychological injuries guilt shame feeling responsible for doing wrong or being wronged elude conventional treatment Georgetown philosophy professor Nancy Sherman turns her focus to these moral injuries in *Afterwar* She argues that psychology and medicine alone are inadequate to help with many of the most painful questions veterans are bringing home from war Trained in both ancient ethics and psychoanalysis and with twenty years of experience working with the military Sherman draws on in depth interviews with servicemen and women to paint a richly textured and compassionate picture of the moral and psychological aftermath of America's longest wars She explores how veterans can go about reawakening their feelings without becoming re-traumatized how they can replace resentment

with trust and the changes that need to be made in order for this to happen by military courts VA hospitals and the civilians who have been shielded from the heaviest burdens of war 2 6 million soldiers are currently returning home from war the greatest number since Vietnam Facing an increase in suicides and post traumatic stress the military has embraced measures such as resilience training and positive psychology to heal mind as well as body Sherman argues that some psychological wounds of war need a kind of healing through moral understanding that is the special province of philosophical engagement and listening
