Not To People Like Us

Christopher Kingler

Not To People Like Us:

Not To People Like Us Susan Weitzman, 2008-08-01 This important book brings the ignored population of abused upper income women to light revealing for the first time the depth and severity of upscale abuse How is it possible for a highly educated woman with a career and resources of her own to stay in a marriage with an abusive husband How can a man be considered a pillar of his community run a successful business and regularly give his wife a black eye That we can even ask these startling questions proves how convinced we are that domestic abuse is restricted to the lower classes In *Not to People Like Us* psychotherapist Susan Weitzman dramatically challenges this assumption It is the first book to explore a previously overlooked population of emotionally and physically battered wives the upper educated and upper income women who rarely report abuse and remain trapped by their own silence Weitzman draws on an in depth study to document the shocking nature and incidence of abuse among the wives of professors physicians and CEOs many of them professionals and executives themselves With keen insight and profound sensitivity she reveals the unique path taken by the upscale wife the early warning signs the dilemmas and decisions the dangerous desire to cover up and maintain appearances The first book to condemn the legal and social service system for failing to recognize domestic violence among upper income families *Not to People Like Us* offers crucial information to help women find their way out of abusive relationships and toward safety and independence

People Like Us Sayu Bhojwani, 2018-10-16 The inspiring story of political newcomers sometimes also newcomers to America who are knocking down built in barriers to creating better government The system is rigged America's political leadership remains overwhelmingly white male moneyed and Christian Even at the local and state levels elected office is inaccessible to the people it aims to represent But in *People Like Us* political scientist Sayu Bhojwani shares the stories of a diverse and persevering range of local and state politicians from across the country who are challenging the status quo winning against all odds and leaving a path for others to follow in their wake In Anaheim California a previously undocumented Mexican American challenges the high powered interests of the Disney Corporation to win a city council seat In the Midwest a thirty something Muslim Somali American unseats a forty four year incumbent in the Minnesota house of representatives These are some of the foreign born lower income and of color Americans who have successfully taken on leadership roles in elected office despite xenophobia political gatekeeping and personal financial concerns In accessible prose Bhojwani shines a light on the political systemic and cultural roadblocks that prevent government from effectively representing a rapidly changing America and offers forward thinking solutions on how to get rid of them *People Like Us* serves as a road map for the burgeoning democracy that has been a long time in the making inclusive multiracial and unstoppable

People Like Us Jason Mott, 2025-08-05 One of USA Today's 15 Books You Should Read This Summer One of Atlanta Journal Constitution's Hot New Summer Reads One of People's Most Anticipated Summer Books One of Lit Hub's Most Anticipated Books of 2025 The riveting new novel by the author of the 2021 National Book Award winner and bestseller

Hell of a Book *People Like Us* is Jason Mott's electric new novel. It is not memoir yet it has deeply personal connections to Jason's life. And while rooted in reality it explodes with dreamlike experiences that pull a reader in and don't let go from the ability to time travel to sightings of sea monsters and peacocks and feelings of love and memory so real they hurt. In *People Like Us* two Black writers are trying to find peace and belonging in a world that is riven with gun violence. One is on a global book tour after a big prize win the other is set to give a speech at a school that has suffered a shooting. And as their two storylines merge truths and antics abound in equal measure characters drink booze out of an award trophy menaces lurk in the shadows tiny French cars putter around the countryside handguns seem to hover in the air and dreams endure against all odds. *People Like Us* is wickedly funny and achingly sad all at once. It is an utter triumph bursting with larger than life characters who deliver a very real take on our world. This book contains characters experiencing deep loss and longing it also is buoyed by riotous humor and characters who share the deepest love. It is the newest creation of a writer whose work amazes delivering something utterly new yet instantly recognizable as a Jason Mott novel. Finishing the novel will leave you absolutely breathless and at the same time utterly filled with joy for life changed forever by characters who are people like us.

For *People Like Us* Luuk van de Weghe, 2023-02-16. Is God really for us? It has been said that no person ever rises above their view of God. Whom we worship what we worship is irrevocably tied to who we become. Worship predicts identity. Without a new vision of God there can be no new vision of hope. In the middle of Luke's Gospel in chapter 15 are three of Jesus's most treasured parables. They are the holy holy holy of Luke's Gospel. The parable of the lost sheep the parable of the lost coin and the parable of the lost son's are more than earthly stories with heavenly meanings. They are images of theological revolution. For *People Like Us* is not merely a commentary on these parables it is a study that captures a fresh vision of what God is like. This vision not only influences our reading of Luke 15 but our reading of this text in turn influences our theology. Once we appreciate this we find that God the creator of innumerable stars is not merely for us. It is his honor to be so. *People Like Us* Dominick Dunne, 2012-04-11. Before they had Too Much Money the inhabitants of Dominick Dunne's glitzy gossipy New York Times bestselling novels were *People Like Us*. The way journalist Gus Bailey tells it old money is always preferred but occasionally new money sneaks in even where it is most unwelcome. After moving from Cincinnati Elias and Ruby Renthall strike it even richer in New York turning their millions into billions. It would be impolite for high society to refuse them now. Not to mention disadvantageous. As long as the market is strong there's absolutely nothing to worry about except for those nasty secrets from the past. Scandal anyone. **People Like Us** Caroline Slocock, 2018-04-19. The first ever female private secretary to any British Prime Minister Caroline Slocock had a front row seat for the final eighteen months of Margaret Thatcher's premiership. A left wing feminist Slocock was no natural ally and yet she became fascinated by the woman behind the Iron Lady facade and by how she dealt with a world dominated by men. As events led inexorably to Thatcher's downfall Slocock observed the vulnerabilities and contradictions of the woman considered by many to be the ultimate anti feminist.

and witnessed the astonishing way in which she was brought down by her closest political allies In this vivid first hand account Slocock reflects on the challenges women still face in public life and concludes that it s time to rewrite how we portray female leaders A remarkable political and personal memoir People Like Us charts the dying days of Thatcher s No 10 and reflects on women and power then and now

People Like Us Ben Raiche,2018-08-23 This book is filled with many of my innermost thoughts It is nothing more than a document in which I have said my piece Although some persons might not agree with my philosophies I offer them admitting and knowing they are mine alone Hopefully I will generate a mutual acceptance This book includes only truths and devoted offerings agree or disagree My genuine hope however is that you will have a nice day

People Like Us Sandra Harnisch-Lacey,Steve Stickley,2011-01-04 I want to die fully alive so my soul s got extended capacity for heaven Rob Lacey People Like Us is the story of Rob Lacey poet actor and award winning author of The Street Bible It is so much more than Rob Lacey s biography A Long Way Home is the passionate and poetic account of an artistic soul enamored with God and of the woman who loved him It is a love story of two people a writer and a dancer born to be together for all eternity A Long Way Home is the memoir Rob Lacey would have written himself He never got the chance In May 2006 Rob went to be with the God he adored Foregoing medical treatment for cancer he squeezed every last drop out of life that he possibly could right up to the end That s just how Rob Lacey was Now his wife and best friend Sandra Harnisch Lacey shares Rob s story her story their story Vibrant with laughter and moistened with tears A Long Way Home is a memoir of faith hope and love that endures forever

People Like Us Joris Luyendijk,2009-09-09 A war correspondent s bestselling commanding eye opening account of five years on the Middle East frontlines Publishers Weekly starred review In 1998 Joris Luyendijk was stationed just outside of Cairo It wasn t for his journalism skills It was because he was fluent in Arabic What followed from the Palestinian Israeli conflict through the post 9 11 war in Iraq would be literal trial by fire for the young untested reporter What he had going for him was his ability to communicate Determined to cover the conflicts from the inside Luyendijk spoke with stone throwers and staunch terrorists taxi drivers civil servants and professors victims and aggressors and all of their families He chronicled first hand experiences of dictatorship occupation fear resilience jubilation and community But the more Luyendijk witnessed the less he understood He became increasingly aware of the yawning gap between what he witnessed on the ground and what was being reported by the media As a correspondent he was privy to a multitude of narratives with conflicting implications and he saw over and over again that the favored stories were those that would be sure to confirm the popularly held oversimplified beliefs of the outside world Disturbing thought provoking and ultimately profound People Like Us shatters our perceptions of what we re led to believe a filtered altered and manipulated image of reality in the Middle East that has become a wholly designed theater of war for the western audience Norman Solomon author of War Made Easy How Presidents and Pundits Keep Spinning Us to Death

People Like Us Vince Montague,2008-10-22 A collection of short stories about people both like us and yet unlike us A surfer who lost his

hand discovers his best friend's girlfriend on the waves of Ocean Beach a desperate couple tries to recoup a way of life and a kidnapped daughter a young tennis player learns about the complexities of family life and history a father loses a child and faith in a political system These stories have been published in literary magazines nationally including Other Voices Talking River Review The Green Mountains Review The Florida Review and Nimrod An International Journal People Like Us: A Dark Short Story Collection Meghan O'Flynn, 2025-02-18 An addictively macabre short story collection People Like Us includes all works from Listeners and Aftertaste For fans of Joe Hill Gillian Flynn and Carolyn Kepnes From the feverishly surreal to the downright demented O'Flynn takes you on a twisted journey through the deepest and darkest corners of the human mind Bestselling Author Mary Widdicks BEWARE THOSE WHO ENTER HERE From the bestselling author of The Jilted comes a hellscape replete with shocking twists you'll never see coming Eerie voyeurs snow-crusted wilderness strange pets demented neighbors and all the terrifyingly claustrophobic things nightmares are made from People Like Us will keep you turning pages and sleeping with the lights on Smart original and brilliantly creepy Bestselling Author Kristen Mae With unbearable tension and gripping thought-provoking storytelling O'Flynn explores fear in all the best and creepiest ways Bestselling Author Wendy Heard KEYWORDS Short stories thriller suspense short stories mystery short stories horror short stories dystopian thriller short story female protagonist amateur sleuths whodunnit mystery whodunit thriller psychological suspense suspense fiction suspense short nail biting fiction short nail biter mystery vigilante justice edge of your seat suspense dark revenge vengeance murder noir noir thriller crime gritty psychological thrillers gritty mysteries mystery books psychological thrillers psychological suspense psychological thriller books whodunit whodunnit nail biter suspense fiction family drama short story thrilling short stories edge of your seat scary short dystopian post-apocalyptic short end of the world shorts dark short story gritty sci-fi shorts ghost short stories nail biters post-apocalyptic paranormal short stories supernatural short *People Like Ourselves* Jacqueline Noll Zimmerman, 2003-09-29 The stigmatization of mental illness in film has been well-documented in literature Little has been written however about the ability of movies to portray mental illness sympathetically and accurately People Like Ourselves Portrayals of Mental Illness in the Movies fills that void with a close look at mental illness in more than seventy American movies beginning with classics such as The Snake Pit and Now Voyager and including such contemporary successes as A Beautiful Mind and As Good as It Gets Films by legendary directors Billy Wilder William Wyler Alfred Hitchcock Stanley Kubrick Oliver Stone Martin Scorsese Francis Ford Coppola and John Cassavetes are included Through the examination of universal themes relating to one's self and society the denial of reality the role of women creativity war and violence Zimmerman argues that these ground-breaking films defy stereotypes presenting sympathetic portraits of people who are mentally ill and advance the movie-going public's understanding of mental illness while providing insight into its causes diagnosis and treatment More importantly they portray mentally ill people as ordinary people with conflicts and desires common to everyone Like the motion pictures it revisits this fascinating

book offers insight entertainment and a sense of understanding Greek Narratives of the Roman Empire under the Severans Adam M. Kemezis,2014-10-23 This book explores how Greek authors who witnessed sudden political change reacted by re imagining the larger narrative of the Roman past
