Not A Silent People Controversies That Have Shaped Southern Baptists

James H. Slatton

Not A Silent People Controversies That Have Shaped Southern Baptists:

Not a Silent People Walter B. Shurden, 1995 Shurden presents a heritage of denominational controversy and shows how this history continues to shape and affect Baptists today in this second edition Encyclopedia of Religious Controversies in the United States Bill J. Leonard, Jill Y. Crainshaw, 2012-12-05 This book provides a thorough introduction to historical and contemporary issues in American religion tackling controversial hot button topics such as abortion Intelligent Design and Scientology Surveying key aspects of the controversial issues persons and religious groups of today Encyclopedia of Religious Controversies in the United States Second Edition is a thorough update and expansion of the first edition of this book This two volume work contains many new entries that reflect current 21st century religious controversies Written by a variety of scholars with varying specializations the content covers major people ideas terms institutions groups books and events The A Z format allows for easy location of materials a chronology of developments and events enables readers to trace the development of contentious topics over time and a section of primary document excerpts gives readers further perspective on the issues **Are Southern Baptists "Evangelicals"?** James Leo Garrett, E. Glenn Hinson, James E. Tull, 1983

Distinctively Baptist Essays on Baptist History Walter B. Shurden, 2005 This collection of essays by different authors is presented as a tribute to Walter B. Shurden distinctively Baptist church historian teacher preacher author Baptist apologist extraordinaire The rationale of this celebration of the lifework and influence of Walter Shurden is well stated for example in editor Marc Jolley's preface During some of the initial forays of our most recent and ongoing Fundamentalist Moderate controversy there were days when I thought about changing denominations Shurden's works were instrumental in my remaining a Baptist not because I could see how Baptists had always had controversies and survived although that is true but because he helped me understand that the reason I had been Baptist and would remain so was due to our Baptist distinctives our freedoms For so much more but especially for that understanding I am forever grateful Many students Baptists in the pews some at the pulpit or lectern even some who are not distinctively Baptist could testify in like terms regarding the ongoing work and influence of Walter B. Shurden The essays in this collection of course address some of the primary concerns of Walter Shurden augmenting that already significant lifework **The Oxford Handbook of Christian**

Fundamentalism Andrew Atherstone, David Ceri Jones, 2024-01-18 This authoritative volume offers the fullest account to date of Christian fundamentalism its origins in the nineteenth century and its development up to the present day It looks at the movement in global terms and through a number of key subjects and debates in which it is actively engaged *God Speaks to Us, Too* Susan M. Shaw, 2021-10-21 Raised as a Southern Baptist in Rome Georgia Susan M. Shaw earned graduate degrees from the Southern Baptist Theological Seminary in Louisville Kentucky was ordained a Southern Baptist minister and prepared herself to lead a life of leadership and service among Southern Baptists However dramatic changes in both the makeup and the message of the Southern Baptist Convention during the 1980s and 1990s a period known among Southern

Baptists as the Controversy caused Shaw and many other Southern Baptists especially women to reconsider their allegiances In God Speaks to Us Too Southern Baptist Women on Church Home and Society Shaw presents her own experiences as well as those of over 150 other current and former Southern Baptist women in order to examine the role identity and culture of women in the largest Protestant denomination in the country The Southern Baptist Convention was established in the United States in 1845 after a schism between Northern and Southern brethren over the question of slavery Shaw sketches the history of the Southern Baptist faith from its formation through its dramatic expansion following World War II to the Controversy and its aftermath The Controversy began as a successful attempt by fundamentalists within the denomination to pack the leadership and membership of the Southern Baptist Convention the denomination's guiding body with conservative and fundamentalist believers Although no official strictures prohibit a Southern Baptist woman from occupying the primary leadership role within her congregation or her own family rhetoric emanating from the Southern Baptist Convention during the Controversy strongly discouraged such roles for its women and church leadership remains overwhelmingly male as a result Despite the vast difference between the denomination's radical beginnings and its current position among the most conservative American denominations freedom of conscience is still prized Shaw identifies soul competency or the notion of a free soul that is responsible for its own decisions as the principle by which many Southern Baptist women reconcile their personal attitudes with conservative doctrine These women are often perceived from without as submissive secondary citizens but they are actually powerful actors within their families and churches God Speaks to Us Too reveals that Southern Baptist women understand themselves as agents of their own lives even though they locate their faith within the framework of a highly patriarchal institution Shaw presents these women through their own words and concludes that they believe strongly in their ability to discern the voice of God for themselves

Remembering Antônia Teixeira Mikeal C.

Parsons, João B. Chaves, 2023-08-15 Uncover the truth about the scandal that shook the Texas Baptist community buried for over a century In 1894 Steen Morris raped Ant nia Teixeira Both had been guests in the house of Baylor University president Rufus Burleson The assault took place in Burleson's backyard and was the first of a series of assaults that eventually left the young Baylor student pregnant Rather than hold the guilty party accountable Rufus Burleson and other prominent members of the Baptist community in Waco launched a campaign of intimidation victim blaming and cover up to preserve the virtuous image of their institution In Remembering Ant nia Teixeira Mikeal C Parsons and Jo o B Chaves painstakingly peel back the layers of concealment that have accumulated over a century of enforced silence about the case Beginning with Antonia's father Ant nio Teixeira a priest who had renounced Catholicism and become a pillar of the Baptist community in Brazil Parsons and Chaves uproot romanticized and hagiographical accounts of the Southern Baptist Convention's foreign missions They then follow Ant nia's journey north her assault and the subsequent scandal that shook Texas until it was intentionally erased Iconoclastic and meticulous Remembering Ant nia Teixeira calls attention to how religious institutions have used

selective memory to maintain power In doing so this book takes a first step toward dismantling those structures of oppression Foreword Reviews INDIES Book of the Year Award in Biography Finalist 2023 *Uneasy in Babylon* Barry Hankins, 2002-04-24 As these self professed culture warriors believe women should be submissive to their husbands Disney World should be boycotted because of its tacit support of homosexuality and multiculturalism is tolling a death knell for the American way of life BOOK JACKET *Oliver Hart and the Rise of Baptist America* Eric C. Smith, 2020-08-01 Baptists in America began the eighteenth century a small scattered often harassed sect in a vast sea of religious options By the early nineteenth century they were a unified powerful and rapidly growing denomination poised to send missionaries to the other side of the world One of the most influential yet neglected leaders in that transformation was Oliver Hart longtime pastor of the Charleston Baptist Church *Oliver Hart and the Rise of Baptist America* is the first modern biography of Hart arguably the most important evangelical leader in the pre Revolutionary South During his thirty years in Charleston Hart emerged as the region s most important Baptist denominational architect His outspoken patriotism forced him to flee Charleston when the British army invaded Charleston in 1780 but he left behind a southern Baptist people forever changed by his energetic ministry Hart s accommodating stance toward slavery enabled him and the white Baptists who followed him to reach the center of southern society but also eventually doomed the national Baptist denomination of Hart s dreams More than a biography *Oliver Hart and the Rise of Baptist America* seamlessly intertwines Hart s story with that of eighteenth century American Baptists providing one of the most thorough accounts to date of this important and understudied religious group s development This book makes a significant contribution to the study of Baptist life and evangelicalism in the pre Revolutionary South and beyond *James Robinson Graves* James A. Patterson, 2012 The first new biography in more than eighty years of James Robinson Graves 1820 1893 a noted Southern Baptist who staked distinct denominational boundaries through what is known as Landmarkism **A Baptist Democracy** Lee Canipe, 2011 The first decades of the 20th century were days of robust optimism in the United States These were the confident years of Theodore Roosevelt and Woodrow Wilson progressive reform and high purpose This period also marked the high tide of what author Lee Canipe calls Baptist democracy the moral overlap between Baptist theology and American democracy that continues to shape the way Baptists in the United States understand and articulate their faith In this book Canipe traces the rise of Baptist democracy as reflected in the work of three prominent leaders who made their most significant contributions to Baptist life between 1900 and 1925 Walter Rauschenbusch 1861 1918 E Y Mullins 1860 1928 and George W Truett 1867 1944 Celebrating the harmony between the principles of their church and the ideals of their state these three Baptists eloquently articulated what by the turn of the 20th century had become an article of faith for many of their fellow Baptists *The Collected Writings of James Leo Garrett Jr., 1950-2015: Volume Two* James Leo Garrett Jr., 2018-07-26 James Leo Garrett Jr has been called the last of the gentlemen theologians and the dean of Southern Baptist theologians In *The Collected Writings of James Leo Garrett Jr 1950 2015* the

reader will find a truly dazzling collection of works that clearly evince the meticulous scholarship the even handed treatment the biblical fidelity the wide historical breadth and the honest sincerity that have made the work and person of James Leo Garrett Jr so esteemed and revered among so many The first two volumes of the series explore Dr Garrett s writings on the experience history and lives of Baptist Christians and this inaugural volume specifically considers Baptists Baptist views of the Bible and Anabaptists Spanning sixty five years and touching on topics from Baptist history theology ecclesiology church history and biography religious liberty Roman Catholicism and the Christian life The Collected Writings of James Leo Garret Jr 1950 2015 will inform and inspire readers regardless of their religious or denominational affiliations W.H. Whitsitt

James H. Slatton, 2009 Brilliant scholar and loyal Baptist William Whitsitt was a key leader in the original effort to mobilize the white Baptist churches of the South into an effective and centralized denominational organization to support missions and Christian education This book studies this pioneer in American religious history The Baptist Summit at Mercer

University Mercer University. Baptist Summit, Raleigh Kirby Godsey, Walter B. Shurden, William D. Underwood, 2006 **An Evangelical Saga** Justice Anderson, 2005 **The Rise of the Laity in Evangelical Protestantism** Deryck Lovegrove, 2003-08-29 This comprehensive investigation into the involvement of ordinary Christians in Church activities and in anti clerical dissent explores a phenomenon stretching from Britain and Germany to the Americas and beyond It considers how evangelicalism as an anti establishmentarian and profoundly individualistic movement has allowed the traditionally powerless to become enterprising vocal and influential in the religious arena and in other areas of politics and culture

Against the Wind Carl L. Kell, 2009 The struggle for control of the Southern Baptist Convention which was publicly launched in 1979 and concluded in the 1990s marked an unprecedented turning point in the history of the denomination Just as a new millennium was dawning everything in the denomination was different its priorities its policies and its personalities The conservatives had come decisively to the fore and those Baptists labeled as moderates found themselves largely exiled from the religious communities that had formed them and to which they had given their lives Using rhetorical and historical analysis to illuminate the role of the Baptist moderates and the schisms that led to their banishment Carl Kell argues that the twenty first century Baptist diaspora originated in an unintended fashion after World War II Birthed in a postwar revival movement at Baylor University in Waco Texas young men and women with little or no training in preaching and religious organization became the progenitors of a distinctive community of moderate believers Armed with a spirit of evangelism and missions fueled by a rhetoric of freedom these men and women would be among the first exiles and martyrs of the fundamentalist takeover that occurred years later As he probes the rhetoric that defined the moderate voice in Southern Baptist life Kell also shows how the rise of a conservative counter rhetoric associated with biblical inerrancy and related doctrines came into play to exclude and divide members of the convention Complementing Kell s text are contributions by several other prominent observers of the Southern Baptist holy wars among them William Hull Bill Leonard and Duke McCall

The end result is a unique and penetrating examination of not only where the Baptist moderates came from but where they are headed and how they will get there Carl Kell is professor of communication at Western Kentucky University He is the editor of Exiled Voices of the Southern Baptist Convention Holy War and coauthor with Raymond Camp of In the Name of the Father The Rhetoric of the New Southern Baptist Convention The Baptist River William Glenn Jonas,2008 This Baptist history textbook highlights the diversity of the Baptist movement in North America as it has developed over the past few centuries Under the Baptist tent are such diverse groups as Primitive Baptists Freewill Baptists Seventh Day Baptists American Baptists Southern Baptists North American Baptists and Independent Baptists Each of these Baptists groups shares some basic Baptist principles However there are significant theological and social differences between them This book is the ideal survey for undergraduate level students Calvinism Brad J. Waggoner,E. Ray Clendenen,2008-06-01 What impact is the Calvinist non Calvinist debate having on the Southern Baptist Convention today This book holds a theological conversation between followers of Christ about issues on which they often disagree And while such controversial points of doctrine cannot be ignored neither should they put up impenetrable walls between groups that are committed to the same essential Christian beliefs Calvinism A Southern Baptist Dialogue brings together new presentations from noted Southern Baptists including Daniel Akin Tom Ascol David Dockery Charles Lawless and Ed Stetzer that address misperceptions stereotypes and caricatures of the debate over Reformed theology Each strives to speak the truth in love and humility while seeking clarity in the presentation of the Gospel improving the health of our churches and seeking the kingdom of Christ above all Endorsements What do we have to agree on The doctrines of what it means for us to be lost and of how we are saved could not be more important This book explores how much we can disagree over these things and still work together If you care about both evangelistic cooperation and doctrinal integrity this book is a book for you Mark Dever pastor Capitol Hill Baptist Church and president of 9Marks org **Contending for the Faith** Daniel Richard Carnett,2002 Examines how a southern evangelical denomination was able to become the second largest religious body in a region characterized by cultural racial and religious pluralism and the effect this had on their structure and beliefs
