**God's Saved Israel** Philip La G. Du Toit, 2019-05-14 God's Saved Israel examines identity in the Pauline corpus in terms of how Paul expresses the new identity in Christ in relation to the identity of ancient Israel. In this study the way in which Paul uses the terms Israel, Israelite, and Judean is approached on the basis of the way in which these terms were used in the second temple period by both insiders and outsiders rather than presupposing that Paul used it in a different way. By thoroughly engaging with the New Perspective on Paul and the Radical New Perspective on Paul, Paul's conception of identity is pursued mainly along theological exegetical lines especially in terms of the contrast between flesh and Spirit. While Rom 11:26 which points to all Israel that will be saved and Gal 6:16 which points to the Israel of God who are blessed are often utilized in a paradigmatic way to interpret the rest of Paul, the approach in this book is the other way around. These two texts are approached by first assessing Paul's conception of identity in the whole of the Pauline corpus and then by interpreting Rom 11:26 and Gal 6:16 with a larger understanding of identity in Paul at hand. The Gospel and Israel Paul F.

Morris, 2014-04-07 The mission of the church to the Jews is a unique one. The biblical theological and practical issues differ from those with other groups because Israel was and is the people to whom God gave his promises. However, the unbelief of many Jewish people and the persecution of Jewish people in the name of Jesus makes mission to the Jews uniquely difficult, requiring considerable sensitivity. But it is also full of hope for there is promise of both a remnant and a fullness coming to faith in Jesus the Messiah. The lectures in this book were part of a series organized by Christian Witness to Israel in Australia to explore this unique challenge and to encourage an intelligent, heartfelt, and persevering interest in mission to the Jewish people. The studies focus on Biblical theological, historical, and current issues. They were named the Edersheim Lectures after Alfred Edersheim, the well-known nineteenth-century Jewish Christian scholar and author who served in Romania as a missionary and in the United Kingdom as a pastor. Following in his example, The Gospel and Israel engages in an in-depth examination of themes relating to the Jewish people and the Christian faith. **Israel in the New Testament** David

Pawson, 2015-04-15 Now including a new chapter, Israel in Galatians. Over 80% of the promises and prophecies of the Old Testament have been literally fulfilled. It is a simple matter of faith in God's faithfulness to believe that he means what he says and will do what he says he will do. This study reveals that both the people and the place called Israel have a significant role in God's future plans for world redemption. *Election of the Lesser Son* David R. Wallace, 2014-09-01 Chapters 9-11 of Romans remains one of the most contested biblical texts in scholarship today. Theological discussions often limit the focus of this passage to God's sovereignty or to Paul's defense of God's faithfulness, but less attention has been devoted to the form and style. Wallace demonstrates how Paul weaves two distinct Jewish literary forms together, lament and midrash, into a logical narrative concerning Israel's salvation. Attention is given to Paul's poetical structures, key literary terms, and use of Old Testament contexts. **Exposition of The Whole Bible** G. Campbell Morgan, 2010-05-01 G. Campbell Morgan Reprint

**The Prophetic Call to Love and Justice** Arnold H. De Graaff,2025-06-20 Scripture s compelling message of love and justice is powerfully relevant for today The implications of the Amsterdam way of interpreting Scripture are evident throughout the book It is both a personal and timely way of speaking to our disintegrating society The Prophetic Call to Love and Justice provides a meaningful and radical yet simple way of re connecting with the Bible As one of the founders of the Amsterdam way of interpretation Karel Deurloo stated The opportunity to learn anew and understand the language of the Bible has been taken away Often the focus is on the assumed origin and history of a text a historical literary approach or a fundamentalist view creating a fragmented moralistic and doctrinaire emphasis which has alienated many from churches Instead Deurloo and others focused on the prophetic meaning that speaks to all of us as the living word of God today This alternative is rooted in the Hebrew Scriptures Its abiding prophetic message of love and justice is reiterated in the Gospels and apostolic letters Hence the choice of subtitle Rediscovering the Old Testament It is a joyful journey of discovery finding new meaning in the Bible for our lives
