Not Entitled A Memoir:

Not Entitled Frank Kermode, 1999-06-04 From a great critic of English literature a different kind of text a luminous account of his own life Throughout this uniquely personal work Frank Kermode touches on the deeper lighter ineffable issues of autobiography and he does so with his characteristic grace precision and amused wisdom Tracing his life from his childhood through his six years in the Royal Navy during World War II from his student days in Liverpool to his battles at Cambridge over the literature curriculum and faculty he shows us the miraculous connections between life and literature between the world and the word more he transforms and ennobles both *Achieving Autobiographical Form* Nicholas Meihuizen, 2016-01-27 In *Achieving Autobiographical Form* Nicholas Meihuizen argues that significant autobiographies achieve significant forms peculiar to themselves alone Form he argues is not accidental or merely functional The author arrives at a form through a careful negotiation between the self's immersion in its world and its ability to distance itself from this world The quality of the resultant self scrutiny enables the author to transform everyday reflex into the act of attention that results in formal achievement a uniquely crafted structure Meihuizen's book helps demonstrate how each piece of autobiographical writing under consideration in it works by Yeats Conrad Martin Amis Frank Kermode Andrew Motion Roy Campbell Richard Murphy and J M Coetzee discovers a unique form **Memoirs** Harvard University. Block, 2022-03-17 Following a lifetime rooted in family schools culture and psychotherapy provoked by the query of a daughter concerning the presence of anxiety in my life this memoir pursues the presence of anxiety in life and seeks in some context for the concerns with which the author has lived for three quarters of a century In the reflections from these situations and influences he works his way back to stories of personal origin and growth He has sauntered through persistent issues with which he has been engaged throughout his life and he has made a few pronouncements some of which might even ring true Within these pages a little wisdom may even be found And hopefully with some love and concern he has responded to the challenging question Do you have anxiety **Memoirs of the Right Honourable Henry Lord Langdale** Sir Thomas Duffus Hardy, 1852 *A Philosophical Dictionary ... Memoirs of the R. H. Henry Lord Langdale Thomas Duffus Hardy, 1852 Memoirs of Service Afloat, During the War Between the States Raphael Semmes, 2019-11-26 In Memoirs of Service Afloat During the War Between the States Raphael Semmes provides a compelling firsthand account of naval warfare during the American Civil War. Written with eloquent prose, the memoir blends vivid descriptions of naval battles with personal reflections showcasing the complexities of honor, duty, and the brutal realities of maritime conflict. Semmes's narrative is not merely a chronicle of events; it also serves as a critical commentary on the state of the Confederate Navy, illuminating the broader historical context of a nation divided. The literary style reflects both the romantic and pragmatic elements of 19th-century literature, revealing Semmes as both a participant and a perceptive observer of the tumultuous times in which he lived. Raphael Semmes, a prominent Confederate naval officer, commanded the CSS *Alabama* and played a significant role in the war's naval engagements. His background in law and his experiences at sea uniquely positioned him to portray the challenges and moral dilemmas faced by naval officers during wartime. Semmes's eloquence and insight stem from a deep sense of loyalty to the South, as well as a genuine belief in the Confederate cause, making his memoir an invaluable resource for understanding the Navy's intricacies during the Civil War. This book is highly recommended for readers interested in American history, naval warfare, and personal narratives of the Civil War. Semmes's vivid storytelling and historical introspection provide an essential perspective on a pivotal moment in American history, making it a must-read for historians, students, and enthusiasts alike.

The Memoir of Toussaint Louverture Philippe R. Girard, 2014-01-31 Here is an annotated scholarly multilingual edition of the only lengthy text personally written by Haitian revolutionary Toussaint Louverture, the memoirs he wrote shortly before his death in the French prison of Fort de Joux. The translation is based on an original copy in Louverture's hand, never before published. Historian Philippe Girard begins with an introductory essay that retraces Louverture's career as a slave rebel and governor. Girard provides a detailed narrative of the last year of Louverture's life and analyzes the significance of the memoirs and letters from a historical and linguistic perspective. The book includes a full transcript in the original French of Louverture's handwritten memoirs. The English translation appears side by side with the original. The memoirs contain idiosyncrasies and stylistic variations of interest to linguists. Scholarly interest in the Haitian Revolution and the life of Toussaint Louverture has increased over the past decade. Louverture is arguably the most notable man of African descent in history, and the Haitian Revolution was the most radical of the three great revolutions of its time. Haiti's proud revolutionary past and its more recent upheavals indicate that interest in Haiti's history goes far beyond academia; many regard Louverture as a personal hero. Despite this interest, there is a lack of accessible primary sources on Toussaint Louverture. An edited translation of Louverture's memoirs makes his writings accessible to a larger public. Louverture's memoirs provide a vivid alternative perspective to anonymous plantation records, quantitative analyses of slave trading ventures, or slave narratives.
