Translation of Chana Blankshteyn s stories depicting the tumultuous interwar years in Europe Fear and Other Stories is a translation from Yiddish to English of the collected stories of Chana Blankshteyn 1860 1939 a woman who may be almost entirely forgotten now but was widely admired during her long and productive life The mere existence of these stories is itself a remarkable feat as the collection was published in July 1939 just before the Nazis invaded Poland and two weeks before Blankshteyn s death Anita Norich s introduction argues that this is not a work of Holocaust literature there are no death camps partisans or survivors of WWII but anti Semitism is palpable as is the threat of war and its aftermath What could it have felt like to live under these conditions How might a woman who was a feminist a Jew and an activist understand the recent past of war and revolution through which she had lived and also confront the horror that was beginning to unfold The nine stories in this volume take place primarily in Vilna as well as various parts of Europe As if presaging what was to come World War I and Russian civil wars are the backdrops to these stories as Jews and non Jews find themselves under German occupation or caught up in the revolutionary fervor that promised them much and took away almost everything The young women in Blankshteyn s stories insist on their independence on equality with their lovers and

on meaningful work Like the men in the stories they study work and yearn for love The situations in which these characters find themselves may be unfamiliar to a contemporary reader but their reactions to the turmoil the frighteningly changing times and the desire for love and self expression are deeply resonant with today s audience The history may be specific but the emotions are universal Blankshteyn s stories are both a view of the final gasp of Eastern European Jewish culture and a compelling modern perspective on the broader world Students and scholars of history and culture women s literature and translation studies will wonder how they ve gone this long without reading Blankshteyn s work [The Hunter and Other Stories](#) Dashiell Hammett,2013-11-04 An anthology of eighteen short stories includes a number of previously unpublished pieces as well as early screen treatments for On the Make and The Kiss Off **The Withered Arm and Other Stories 1874-1888** Thomas Hardy,2006-08-31 See if she is dark or fair and if you can notice if her hands be white if not see if they look as though she had ever done housework or are milker s hands like mine So Rhoda Brook the abandoned mistress of Farmer Lodge is jealous to discover details of his new bride in The Withered Arm the title story in this selection of Hardy s finest short stories Hardy s first story Destiny and a Blue Cloak was written fresh from the success of Far From the Madding Crowd Beautiful in their own right these stories are also testing grounds for the novels in their controversial sexual politics their refusal of romance structures and their elegiac pursuit of past lost loves Several of the stories in The Withered Arm were collected to form the famous volume Wessex Tales 1888 the first time Hardy denoted Wessex to describe his fictional world The Withered Arm is the first of a new two volume selection of Hardy s short stories edited with an introduction and notes by Kristin Brady **The Complete Works of Gilbert Parker** Gilbert Parker, **The History of the Book in the West: 19142000** Alexis Weedon,2017-03-02 This collection brings together published papers on key themes which book historians have identified as of particular significance in the history of twentieth century publishing It reprints some of the best comparative perspectives and most insightful and innovatively presented scholarship on publishing and book history from such figures as Philip Altbach Lewis Coser James Curran Elizabeth Long Laura Miller Angus Phillips Janice Radway Jonathan Rose Shafquat Towheed Catherine Turner Jay Satterfield Clare Squires Eva Hemmungs Wirt n It is arranged into six sections which examine the internationalisation of publishing businesses changing notions of authorship innovation in the design and marketing of books the specific effects of globalisation on creative property and the book in a multimedia marketplace Twentieth century book history attracts an audience beyond the traditional disciplines of librarianship bibliography history and literary studies It will appeal to publishing educators editors publishers booksellers as well as academics with an interest in media and popular culture [Encounters with Lise and Other Stories](#) Leonid Dobychin,2005 For Dobychin early Soviet society was an absurdist wonderland He was not anti Soviet but trans Soviet practicing realism but looking at reality from jarring angles that expose the neophyte Soviet culture A typical Dobychin hero participates in character building sports witnesses a funeral procession watches a parade attends the unveiling of a monument to a fallen

Fox, 2022-07-27 Between the 1880s and the 1940s opportunities for southern white women writers increased dramatically bolstered by readers demands for southern stories in northern periodicals Confined by magazine requirements and social expectations writers often relied on regional settings and tropes to attract publishers and readers before publishing work in a collection Selecting and ordering magazine stories for these collections was not arbitrary or dictated by editors despite a male dominated publishing industry Instead it allowed writers to privilege stories or to contextualize a story by its proximity to other tales as a form of social commentary For Kate Chopin Ellen Glasgow Marjorie Kinnan Rawlings and Katherine Anne Porter the authors featured in this book publishing a volume of stories enabled them to construct a narrative framework of their own Arranging Stories Framing Social Commentary in Short Story Collections by Southern Women Writers is as much about how stories are constructed as how they are told The book examines correspondence manuscripts periodicals and first editions of collections Each collection s textual history serves as a case study for changes in the periodical marketplace and demonstrates how writers negotiated this marketplace to publish stories and garner readership The book also includes four tables featuring collected stories arrangements and publication histories and twenty five illustrations featuring periodical publications unpublished letters and manuscript fragments obtained from nine on site and digital archives Short story collections guide readers through a spatial experience in which both individual stories and the ordering of those stories become a framework for interpreting meaning Arranging Stories invites readings that complicate how we engage collected works

**"Richard Goes to Prison" and Other Stories** Harley Granville-Barker, 2004 This book rescues from oblivion the seven known short stories of Harley Granville Barker and demonstrates the sometimes very close relationship between individual stories and one or another of Barker s plays written about the same time Quite apart however from these considerations of the connections between his works in prose fiction and his dramatic pieces the book seeks to examine the merits of the stories in their own right and to compare them with the work of other short story writers of the same period including Galsworthy Lawrence and Munro Though his output in this genre was small Barker is not dwarfed in this scintillating company Eric Salmon is a theater historian and writer

characters who are challenged by life and who arrive at their own individual truths      **The Daring Young Man on the Flying Trapeze, and Other Stories** William Saroyan, 1997 The protagonists sailing about The Daring Young Man on the Flying Trapeze are often Armenian Jewish Chinese Polish African or Irish and all are treated with what The San Francisco Chronicle called the old Saroyan luminousness which is to say with an insight as fresh as that of an unusually perceptive child      The Kreutzer Sonata and Other Stories Leo Tolstoy, 1885-09-26 The Kreutzer Sonata is the self-lacerating confession of a man consumed by sexual jealousy and eaten up by shame and eventually driven to murder his wife The story caused a sensation when it first appeared and Tolstoy's wife was appalled that he had drawn on their own experiences together to create a scathing indictment of marriage The Devil centring on a young man torn between his passion for a peasant girl and his respectable life with his loving wife also illustrates the impossibility of pure love The Forged Coupon shows how an act of corruption can spiral out of control and After the Ball examines the abuse of power Written during a time of spiritual crisis in Tolstoy's life these late stories reflect a world of moral uncertainties
