**Historical Dictionary of the War in Vietnam** Ronald B. Frankum Jr.,2011-06-10 For Southeast Asia the Vietnam War altered forever the history topography people economy and politics of the Democratic Republic of Vietnam DRV the Republic of Vietnam RVN Cambodia and Laos That the war was controversial is an understatement as is the notion that the war can be understood from any one perspective One way of understanding the Vietnam War is by marking its time with turning points both major and minor that involved events or decisions that helped to influence its course in the years to follow By examining a few of these turning points an organizational framework takes shape that makes understanding the war more possible Historical Dictionary of the War in Vietnam emphasizes the international nature of the war as well as provide a greater understanding of the long scope of the conflict The major events associated with the war will serve as the foundation of the book while additional entries will explore the military diplomatic political social and cultural events that made the war unique While military subjects will be fully explored there will be greater attention to other aspects of the war All of this is done through a chronology an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries This book is an excellent access point for students researchers and anyone wanting to know more about the Vietnam War

The United States Marine Corps John C. Fredriksen,2011-04-08 This comprehensive survey profiles one of history s greatest fighting forces on land sea and air The United States Marine Corps A Chronology 1775 to the Present touches upon all aspects of the Continental and U S Marine Corps since their inception All major battles in all major wars are covered along with innumerable smaller clashes and deployments abroad The evolution of amphibious doctrine so essential to Marine Corps activity in the 20th and 21st centuries is likewise covered in detail along with the rise of Marine Corps aviation Through a diary of daily occurrences proffered in the context of greater historical events this chronology captures the entire sweep of U S Marine Corps history It follows the Corps from the American Revolution to the halls of Montezuma and the shores of Tripoli through World Wars I and II and up to Operation IRAQI FREEDOM and Operation ENDURING FREEDOM in Afghanistan Entries delineate battlefield events but also significant political and administrative changes that have affected the Marines Notable events in the careers of generals and other individuals are included as well

*War Stories* Gary Kulik,2009-10-31 War stories are mostly innocent fables and understood as such by both the teller and the hearer However they have long been used for political and national purposes and those about the war in Vietnam were no exception as painfully evidenced in the 2004 presidential campaign John Kerry campaigned as a war hero His opponents cast him as a liar and a traitor and their war story prevailed War Stories delves into the myths associated with the Vietnam veteran s experience and looks at them through the war stories they told and continue to tell Kulik conducts an extremely thorough review of the Vietnam literature

and interviews participants wherever possible poking holes in the war myths of people throughout the political spectrum War Stories discusses how returning Vietnam vets were treated and delves into the myths that atrocities were commonplace that all veterans of that war suffer from PTSD and that all are guilt ridden Kulik s research and analysis of such stories lies at the heart of this book s originality and provides a new perspective on the Vietnam War for scholars students and general readers His purpose in exposing such stories is not to deny or minimize American war crimes in Vietnam but to cut through the cant of false stories so that we retain our outrage at those that are true As we are faced with future war stories from Iraq and Afghanistan and their likely exploitation the moral stance and the lessons learned in this book will be especially important

Guns Up! Johnnie Clark,2011-02-02 THIS GUT WRENCHING FIRSTHAND ACCOUNT OF THE WAR IS A CLASSIC IN THE ANNALS OF VIETNAM LITERATURE Guns up was the battle cry that sent machine gunners racing forward with their M60s to mow down the enemy hoping that this wasn t the day they would meet their deaths Marine Johnnie Clark heard that the life expectancy of a machine gunner in Vietnam was seven to ten seconds after a firefight began Johnnie was only eighteen when he got there at the height of the bloody Tet Offensive at Hue and he quickly realized the grim statistic held a chilling truth The Marines who fought and bled and died were ordinary men many still teenagers but the selfless bravery they showed day after day in a nightmarish jungle war made them true heroes This new edition of Guns Up filled with photographs and updated information about those harrowing battles also contains the real names of these extraordinary warriors and details of their lives after the war The book s continuing success is a tribute to the raw courage and sacrifice of the United States Marines     **Leading at the Edge** Dennis N. T. Perkins,Margaret P. Holtman,Jillian B. Murphy,2012 For the 100th anniversary of the Race to the South Pole a fresh look at what Shackleton s legendary Antarctic adventure can teach us about true leadership Stranded in the frozen Antarctic sea for nearly two years Sir Ernest Shackleton and his team of 27 polar explorers endured extreme temperatures hazardous ice dwindling food and complete isolation Despite these seemingly insurmountable obstacles the group remained cohesive congenial and mercifully alive a fact that speaks not just to luck but to an unparalleled feat of leadership Drawing on this amazing story Leading at The Edge demonstrates the importance of a strong leader in times of adversity uncertainty and change The book reveals 10 timeless leadership lessons that show readers how to Instill optimism while staying grounded in reality Have the courage to step up to risks worth taking Consistently reinforce the team message Set a personal example Find something to celebrate and something to laugh about Never give up Part adventure tale part leadership guide the second edition features additional lessons new case studies of the strategies in action tools to uncover and resolve conflicts and expanded resources An updated epilogue compares the leadership styles of the famous polar explorers Shackleton Amundsen and Scott Today s leaders have much to learn from this gripping account of survival against all odds Leading at The Edge will help them bring order to chaos and achieve success in the face of adversity     Gouverneur Morris James J. Kirschke,2005-11-29 An ever present figure in the early days of the

nation Gouverneur Morris left an indelible mark on the country's future development While in the New York State legislature he was part of the committee that wrote the state's constitution He went on to write some of the most critical documents of the Second Continental Congress gaining the enduring admiration of George Washington who later appointed him minister to France At the Office of Finance he helped to develop the basic plan for the coinage system that remains in use today and in private business he was instrumental in the planning and establishment of the Bank of North America **Air Force Magazine**, 2001-07

Rites of Passage Robert Peterson, 2001 A raw powerful account of an infantryman's life during wartime complete with all the horrors and the heroism Robert Peterson arrived in Vietnam in the fall of 1966 a young American ready to serve his country and seize his destiny What happened in that jungle war would change his life forever Peterson vividly relives the tense patrols in the Viet Cong infested Central Highlands the fierce firefights along the Cambodian border the ambushes and enemy charges Daily he and his fellow grunts put their lives on the line forced to blindly follow orders from higher ups solely interested in reaping their own personal glory Yet out of the deadly hell of Vietnam came a brotherhood forged in blood and courage sacrifice and survival of men who continuously risked their lives for one another whatever the odds Rites of Passage is a shining testament to their valor *Library Journal*, 2001 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035
