

A woman with long brown hair, wearing a pink long-sleeved shirt, is smiling and holding a baby. The baby is wearing a grey long-sleeved shirt and dark pants. The background is blurred, showing what appears to be a home interior. The image is partially covered by a pink overlay on the left side, which contains text and a quote icon.

“

I think one of the coolest things for my daughters is that they get to see their mom as a working mother. It's one of the things I'll be most proud of.

- John Krasinski

Not Guilty The Good News For Working Mothers

Abbie E. Goldberg

Not Guilty The Good News For Working Mothers:

Not Guilty! Betty Holcomb, 2000-05-02 Can women have rewarding careers and still be good mothers The editor of Working Mother magazine answers with a resounding yes in the book The Boston Globe called a fresh breeze in a smog of myth and misinformation What Happy Working Mothers Know Cathy L. Greenberg, Ph.D, Barrett S. Avigdor, 2009-08-31 A fact based and proven approach to help working mothers rediscover happiness as they balance their duties at home and work Science and sociology have made great strides in understanding what makes us happy and how we achieve it For working mothers who face endless demands on their time and attention What Happy Working Mothers Know provides scientifically proven and practical ways to find the right balance and replace stress with happiness Written by a behavioral scientist and global leadership guru and an international lawyer and career coach this mom friendly guide offers practical tactics that truly work The demands of juggling work and home lead many women to try to do everything and be everything to everyone In the effort to be Superwoman many women lose sight of what makes them happy and they fail to realize how important their happiness is to being a good worker and a good mother The key to being your best at everything you do is to take care of your happiness the way you take care of your health through conscious choices every day You ll learn to overcome obstacles apply lessons learned at work to your motherhood skills and learn lessons from your children that you can apply at work Includes interactive activities that illustrate important lessons in the book Shows you how to use positive psychology to shift from a scarcity mentality to an abundance mentality for workplace success Helps you tap into your own sense of joy every day for your own happiness and the happiness of those around you Science based and packed with real case studies of real working moms Written by authors with impeccable qualifications and real world experience Many moms raise great kids and achieve the professional success they desire and deserve but if they aren t happy what s the point This book doesn t show you how to have it all but how to have all the things that really matter *Working Mother* ,1998-07 The magazine that helps career moms balance their personal and professional lives Working Mother ,1998-07 The magazine that helps career moms balance their personal and professional lives **Happy at Work, Happy at Home** Caitlin Friedman, Kimberly Yorio, 2009-09-15 This fresh empowering and fully comprehensive guide is the must have handbook for every working mom Caitlin Friedman and Kimberly Yorio have helped readers find their dream jobs be a boss without being bitchy and even start companies of their own But what happens when a career girl becomes a mom and her world turns upside down Can you maintain your ambition and momentum at work while still being the kind of parent you want to be Of course you can In Happy at Work Happy at Home Caitlin and Kim guide readers through every step on the road to having it all offering detailed practical advice in their trademark style Working mothers themselves these authors know what it means to juggle the demands of office and home and they re here to help the rest of us From first breaking the news that you re pregnant to making the most of your maternity leave to getting the help you need from your partner and childcare professionals this book

is a must have resource for a whole generation of working women who aspire to keep their careers on track and their home life running smoothly without losing their minds As the title suggests the insightful tips from both the authors and from intimate and eye opening interviews with other successful moms will help all working mothers on their quest to be satisfied fulfilled and happy at work and at home Working Mother ,1998-07 The magazine that helps career moms balance their personal and professional lives Generation Me - Revised and Updated Jean M. Twenge,2006-04-11 The Associated Press calls them The Entitlement Generation and they are storming into schools colleges and businesses all over the country They are today s young people a new generation with sky high expectations and a need for constant praise and fulfillment In this provocative new book headline making psychologist and social commentator Dr Jean Twenge documents the self focus of what she calls Generation Me people born in the 1970s 1980s and 1990s Herself a member of Generation Me Dr Twenge explores why her generation is tolerant confident open minded and ambitious but also cynical depressed lonely and anxious Using findings from the largest intergenerational study ever conducted with data from 1 3 million respondents spanning six decades Dr Twenge reveals how profoundly different today s young adults are and makes controversial predictions about what the future holds for them and society as a whole But Dr Twenge doesn t just talk statistics she highlights real life people and stories and vividly brings to life the hopes and dreams disappointments and challenges of Generation Me With a good deal of irony humor and sympathy she demonstrates that today s young people have been raised to aim for the stars at a time when it is more difficult than ever to get into college find a good job and afford a house even with two incomes GenMe s expectations have been raised just as the world is becoming more competitive creating an enormous clash between expectations and reality Dr Twenge also presents the often shocking truths about her generation s dramatically different sexual behavior and mores GenMe has created a profound shift in the American character changing what it means to be an individual in today s society Engaging controversial prescriptive and often funny Generation Me will give Boomers new insight into their offspring and help GenMe ers in their teens 20s and 30s finally make sense of themselves and their goals and find their road to happiness Gay Dads Abbie E. Goldberg,2012-07-23 When gay couples become parents they face a host of questions and issues that their straight counterparts may never have to consider How important is it for each partner to have a biological tie to their child How will they become parents will they pursue surrogacy or will they adopt Will both partners legally be able to adopt their child Will they have to hide their relationship to speed up the adoption process Will one partner be the primary breadwinner And how will their lives change now that the presence of a child has made their relationship visible to the rest of the world In Gay Dads Transitions to Adoptive Fatherhood Abbie E Goldberg examines the ways in which gay fathers approach and negotiate parenthood when they adopt Drawing on empirical data from her in depth interviews with 70 gay men Goldberg analyzes how gay dads interact with competing ideals of fatherhood and masculinity alternately pioneering and accommodating heteronormative parenthood culture The first study of gay men s transitions to

fatherhood this work will appeal to a wide range of readers from those in the social sciences to social work to legal studies as well as to gay adoptive parent families themselves

Generation Me Jean M. Twenge, 2006 Noted researcher Dr Twenge uses 14 years of research and its data from 13 million respondents to reveal how profoundly different today's young adults are from previous generations and makes controversial predictions about what the future holds

Balancing Pregnancy and Work Nancy Hall, 2004-02-07 A practical guide combines personal stories anecdotes and a wealth of advice on such topics as telling a boss about a pregnancy protecting one's rights understanding health coverage and labor laws planning a maternity leave and combating pregnancy symptoms on the job Original 35 000 first printing

Integrating Gender and Culture in Parenting Toni Schindler Zimmerman, 2013-01-11 Show parents how to help their children break free of the artificial limitations placed upon them by society's gender and cultural expectations This book presents both theoretical and practical ideas for integrating gender and culture into parenting Unlike other books on the subject this one examines interventions and activities and suggests discussion topics that provide children with the skills to become critical consumers and thinkers You'll learn to help children discover and celebrate who they are while infusing the message that they should notice and challenge exaggerated stereotypes of gender and ethnicity From the editor If therapists can coach parents in helping to inoculate their children beginning at early ages against the negative effects of gender socialization perhaps the work of developing equal relationships in their friendships and intimate relationships will be less taxing as they grow and mature Additionally as children are taught to challenge rigid gender and ethnicity messages perhaps they will feel a greater sense of flexibility as they dream about who they want to become and how they want to live their lives This essential book will teach you to help children defeat the harmful media messages they're bombarded by

Integrating Gender and Culture in Parenting presents 20 simple ideas and 5 group activities to teach children about social justice in our everyday lives explores parental socialization practices and the values transmitted to school aged and young adult offspring focusing on the way parents teaching styles integrate race and gender investigates the parenting practices of middle class dual earner couples who feel that they are successfully balancing family and work with a look at the specific strategies these couples use to achieve an appropriate balance shows what family therapists should know about sexuality education and highlights the specific roles that feminist family therapists can play with parents children and adolescents to help children be more sexually responsible and less likely to put themselves in sexually risky situations examines the gender messages found in 63 articles from the top three selling parenting magazines in the United States In addition you'll find two revealing and insightful chapters in which interviewer Lori Lund discusses the cultural scripting that American boys and girls are subjected to with Jackson Katz one of America's leading anti sexist male activists and the creator director of the United States Marine Corps Gender Violence Prevention Program and Mary Pipher respected sociologist educator and bestselling author of *Reviving Ophelia* *Saving the Selves of Adolescent Girls* and *Hunger Pains*

their personal and professional lives

Handbook of Work Stress Julian Barling, E. Kevin Kelloway, Michael R.

Frone, 2004-09-22 Questions about the causes or sources of work stress have been the subject of considerable research as well as public fascination for several decades. Earlier interest in this issue focused on the question of whether some jobs are simply more inherently stressful than others. Other questions that soon emerged asked whether some individuals were more prone to stress than others. The Handbook of Work Stress focuses primarily on identifying the different sources of work stress across different contexts and individuals. Part I focuses on work stressors that have been studied for decades, e.g., organizational role stressors, work schedules, as well as stressors that have received less empirical and public scrutiny, e.g., industrial relations stress, organizational politics. It also addresses stressors in the workplace that have become relevant more recently, e.g., terrorism. Part II of the Handbook covers issues related to gender, cultural or national origin, older and younger workers, and employment status, and asks how these characteristics might affect the experience of workplace stress. The adverse consequences of these diverse work stressors are manifold, and questions about the possible health consequences of work stressors were one of the major historical factors prompting early interest and research on work stress. In Part III, the individual and organizational consequences of work stress are considered in separate chapters. Key Features: Affords the most broad and credible perspective on the subject of work stress available. The editors are all prominent researchers in the field of work stress and have been instrumental in defining and developing the field from an organizational, psychological, and organizational behavior perspective. International contributors are included, reflecting similarities and differences from around the world. Chapter authors from the United States, Canada, England, Sweden, Japan, and Australia have been invited to participate, reflecting most of the countries in which active research on work stress is taking place. The Handbook of Work Stress is essential reading for researchers in the fields of industrial and organizational psychology, human resources, health psychology, public health, and employee assistance.

Playing with America's Doll Emilie Zaslow, 2017-08-14 This critical account of the American Girl brand explores what its books and dolls communicate to girls about femininity, racial identity, ethnicity, and what it means to be an American. Emilie Zaslow begins by tracing the development of American Girl and situates the company's growth and popularity in a social history of girl power, media culture. She then weaves analyses of the collection's narrative and material representations with qualitative research on mothers and girls. Examining the dolls with both a critical eye and a fan's curiosity, Zaslow raises questions about the values espoused by this iconic American brand.
