Not Just A Shelter Kid How Homeless Children Find Solace:

Not Just a Shelter Kid Melanie S. Percy, 2014-02-25 First published in 1997 This book is about children and their perspectives These children were homeless at the time of these interviews However their questions thoughts and feelings are not unique to homeless children The many issues of childhood remain the same regardless of where the child lives The ideas expressed in these pages are some of the universal themes of growing up and becoming an adult Their search for identity the desire to care for someone and have them care for you trust stability in an ever changing world All of these themes were present in the children s interviews and photographs Homelessness in America Robert Hartmann McNamara, 2008-08-30 Homelessness is one of the most compelling social problems in the United States Dating from the early years in Colonial America to the current problems relating to homeless women and children homelessness has been the topic of discussion of scholars social activists and policy makers Many types of social problems are linked to homelessness including poverty substance abuse foster care and crime As a result unpacking the issues has proven to be a challenge for anyone interested in this topic Homelessness in America offers an assessment of what is known about each segment of the homeless population which contrary to conventional belief is comprised of a wide variety of faces from many backgrounds It explains linkages to other social issues and provides a balanced overview of homelessness in light of the varying perspectives on the topic While much of what has been written about homelessness has come from the academic perspective agendas often interfere with an accurate understanding of the problem Clearly there is a place for other types of perspectives including those that view homelessness through political and legal lenses These groups have provided us with a robust body of information within which we may better understand the questions relating to homelessness McNamara has brought together the voices of these groups in order to reveal the numerous political economic and social constraints that beset current attempts to solve homelessness In addition the commonly held belief that homelessness is a result of laziness or a poor work ethic is turned on its head to reveal that homelessness is truly a multifaceted and complex issue **Kidwatching in Josie's World** Neva Ann Medcalf, 2008 Over twenty years of work and research with homeless children comes together in a scholarly work that puts a real face on the issue of homelessness especially for children Most people do not realize that children are among the thousands that are homeless and are the fastest growing segment of the homeless population The public tends to think about the bum on the corner with the cardboard sign or those sleeping under the bridges who accost them for a handout They do not realize that homelessness has an enormous and negative impact on growth development and learning for children This is an issue that affects schools communities and society at large Through qualitative observations in a one room classroom in a homeless shelter and in classrooms of an elementary school located in a subsidized housing project the development and use of language among homeless children classroom interactions between students and teachers and information regarding the effects of homelessness on children are closely examined This book re educates teachers educators and the general public in

order to spur a new more accurate mindset about the reality and consequences of homelessness The work s larger purpose is to bring about compassionate implementation of the solutions necessary to eradicate this problem *Homelessness in the United States*, 2001 Each bibliography includes a comprehensive list of the theorist s works and critical studies of these works in English Each bibliography contains approximately 600 to 900 entries Books journal articles essays within edited books in the manner of Essay and General Literature and dissertations are included References are provided from a wide variety of disciplines and bibliographic sources The primary purpose of each bibliography is to provide access to the widely reprinted primary works in English and the critical literature in a great variety of books and journals The topical bibliographies include the authoritative works on the subject and are arranged in useful categories The lively part of the modern post modern debate is generally taking place in alternative and left journals journals always included in the literature search in the compiling of the bibliographies The Homeless Jennifer A. Hurley, 2002 Authors debate whether homelessness is a serious problem what housing options would benefit the homeless and how society should deal with the homeless Stop Domestic Violence Louis Brown, Merritt McKeon, François Duau, 2014-11-11 Thanks to the Simpson case domestic violence is no longer a dirty little secret It remains however a devastating problem and even more a deadly killer What is the answer In 1994 Lou Brown father of Nicole Brown Simpson gave us one solution by establishing a foundation in his daughter s name that provides urgently needed funding to battered women s shelters across the country Now he goes a step further and with the help of a like minded pastor and a legal activist who has been battered offers hope and practical strategies for combating domestic violence In a book whose first half is geared to support network people like himself parents families friends both personal and professional and acquaintances who can and should make a difference and whose second half is directed at the victims of abuse here is an action plan for battered women and those around them Stop Domestic Violence offers a checklist for the victim of domestic violence from obtaining restraining orders to getting the support network on her side Here are steps on how to combat battering within families within communities within homes and at the legislative level For Concerned Friends and Family What makes these men do it and is there a cure for them Why do women stay What can I do to help a battered woman And for the Victim How do I Get stronger on the inside Deal with the legal system Stay sane in a shelter Stay sane and begin recovery This is a how to book practical easy to use and it just might save a life *The Will Trent Series 6-Book Bundle* Karin Slaughter, 2013-10-21 New York Times bestselling author Karin Slaughter is acclaimed for her novels of heart stopping suspense edge of your seat intrigue and richly imagined characters And when Slaughter created detective Will Trent she broke the mold While displaying an uncanny knack for reading people solving puzzles and cracking cases at the Georgia Bureau of Investigation Detective Trent navigates the varied relationships with the women in his life vice cop Angie Polaski supervisor Amanda Wagner partner Faith Mitchell and Dr Sara Linton This gripping eBook bundle contains six novels in the Will Trent series including TRIPTYCH FRACTURED UNDONE BROKEN

People WATCH WILL TRENT ON ABC This edition features an introduction on the origins of the Will Trent novels In the
trauma center of Atlanta's busiest hospital Sara Linton treats the city's poor wounded and unlucky and finds refuge from the
tragedy that rocked her life in rural Grant County But then a tortured young woman becomes a patient in her ER In the
backwoods of suburban Atlanta where Sara's patient was found local police have set up their investigation But Georgia
Bureau of Investigation detective Will Trent doesn't wait for the go-ahead from his boss he plunges through police lines
single-handedly exposing a hidden house of horror buried beneath the earth and then finds another victim Wrestling the case
away from the local police chief Will and his partner Faith Mitchell are called into a related investigation Another woman a
smart upscale independent young mother has been snatched For the two cops out on the hunt for the doctor trying to bring
her patient back to life the truth hits like a hammer The killer's torture chamber has been found but the killer is still at work
With Undone Karin Slaughter weaves together the moving powerful human stories of three unforgettable characters from
her New York Times bestselling novels *Faithless* and *Fractured* who collide for the first time in an electrifying race against
the clock and a duel with unspeakable human evil *Florida's Economic Future and the Child Care Crisis for Families*
