Not Religion But Love Practising A Radical Spirituality Of Compassion:

Not Religion but Love Dave Andrews, 2012-02-01 In his acclaimed book *Christi Anarchy* Dave Andrews explored the ugly ruins of Christian history and outlined the radical vision of Jesus for personal and community renewal In *Not Religion but Love* he shows how that vision can become a reality With poignant real life stories drawn from his Brisbane backyard Dave Andrews gives us a practical guide to working out Jesus agenda for love and justice in our own lives and neighborhoods Complete with group exercises and an ample collection of extra resources for study *Not Religion but Love* is a book to read at your own risk it might change your life Not Religion, But Love Dave Andrews, 2006-01-01 **To Right Every Wrong**

Dave Andrews, 2021-01-21 Dave Andrews's latest book *To Right Every Wrong* is the last in the Dave Andrews Legacy Series It is a funny sad brutally honest retrospective reflecting on what it has meant for him and his family to seek to live a lifetime dedicated to love and justice The reflections in this book subtitled *The Making and Unmaking of One Improbable Minor Prophet* come in three parts the personal the prophetic and the paradoxical The personal part explores Andrews's experience of the radical compassionate spirituality that he shares with wife Angie and which has shaped their way of life as a family in community with marginalized and disadvantaged groups of people The prophetic part explores Andrews's embrace of the strange crazy improbable call he felt to be a prophet which he has sought to flesh out in classic prophetic roles as an interrogator a protester a practitioner and an inspirator in contemporary prophetic contexts characterized by poverty and violence The paradoxical part explores Andrews's making and unmaking as a minor prophet critically constructing and deconstructing the more confrontational aspects of the prophetic roles he has played in order to be able to practice more sensitive pastoral care **ThirdWay**, 2002-02 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture

Christian Anarchism Alexandre Christoyannopoulos, 2022-02-17 Christian anarchism has been around for at least as long as secular anarchism Leo Tolstoy is its most famous proponent but there are many others such as Jacques Ellul Vernard Eller Dave Andrews or the people associated with the Catholic Worker movement They offer a compelling critique of the state the church and the economy based on the New Testament The Logic of Intersubjectivity Darren M. Slade, 2020-08-27 To survey harsh criticisms against Brian Douglas McLaren 1956 readers gain the inaccurate impression that he is a heretical relativist who denies objective truth and logic While McLaren's inflammatory and provocative writing style is partly to blame this study also suspects that his critics base much of their analyses on only small portions of his overall corpus The result becomes a caricature of McLaren's actual philosophy of religion What is argued in this book is that McLaren's philosophy of religion suggests a faith based intersubjective relationship with the divine ought to result in an existential appropriation of Christ's religio ethical teachings When subjectively internalized this appropriation will lead to the assimilation of Jesus kingdom priorities thereby transforming the believer's identity into one that actualizes Jesus kingdom ideals The hope of this book is that by tracing McLaren's philosophy

of Christian religion future researchers will not only be able to comprehend and perhaps empathize with McLaren's line of reasoning but they will also possess a more nuanced discernment of where they agree and disagree with his overall rationale

Embracing the Passion Nigel Pimlott, 2015-03-02 A timely and topical resource that looks into the areas of Christian youth work faith and politics Nigel Pimlott aims to inform engage empower and resource Christian youth workers and those studying youth work so that they have a better understanding about the relationship between their work their faith and politics

Dalit Theology and Christian Anarchism Revd Dr Keith Hebden, 2013-06-28 A second generation of emerging Dalit theology texts is re shaping the way we think of Indian theology and liberation theology This book is a vital part of that conversation Taking post colonial criticism to its logical end of criticism of statism Keith Hebden looks at the way the emergence of India as a nation state shapes political and religious ideas He takes a critical look at these Gods of the modern age and asks how Christians from marginalised communities might resist the temptation to be co opted into the statist ideologies and competition for power He does this by drawing on historical trends Christian anarchist voices and the religious experiences of indigenous Indians Hebden's ability to bring together such different and challenging perspectives opens up radical new thinking in Dalit theology inviting the Indian Church to resist the Hindu fundamentalists labelling of the Church as foreign by embracing and celebrating the anarchic foreignness of a Dalit Christian future

New Perspectives on Anarchism Nathan J. Jun, Shane Wahl, 2010-01-01 The study of anarchism as a philosophical political and social movement has burgeoned both in the academy and in the global activist community in recent years Taking advantage of this boom in anarchist scholarship Nathan J Jun and Shane Wahl have compiled twenty six cutting edge essays on this timely topic in **New Perspectives on Anarchism**

Gathering Those Driven Away Wendy Farley, 2011-01-01 This book is a powerful expression of Jesus Christ given in the midst of the brokenness and hostilities of this world as experienced by those who are marginalized and persecuted in contemporary society Drawing on broader sources in the Christian tradition Farley maintains the power of Jesus of Nazareth as the expression of the Divine Eros in Wisdom to break powers of sin and provide a vision of life which is an alternative Empire to present ways and where love reigns as norm

Heterotopia, Radical Imagination, and Shattering Orders Paula Arcari, 2024-12-13 This volume takes ending the oppression of other animals seriously and confronts the question What would happen to all the animals by showcasing real promissory and imagined counter sites or heterotopia where animals happen in different ways free of anthropocentric orders of value and purpose Rejecting persistent understandings of the oppression of nonhuman animals across the entire breadth of the Animal Industrial Complex A IC as either non existent unproblematic and or fundamentally unalterable open to merely being reduced in scale or made less harmful the collection offers readers a variety of pathways towards radically disordered ways of thinking about and relating to other animals Over 14 chapters authors describe more liberatory relational reconfigurations playing out in the present and undertake conceptual imaginative and embodied

explorations of liberatory futures The chapters are united by a common commitment to heterotopic disturbance to contesting and subverting the anthropo capitalo centric space in which we live Each chapter approaches this subversion in its own way using prefiguration restorying speculation radical imagination and combinations thereof to disturb or shatter orders explore the kinds of liberation and resistance their disturbance demonstrates demands or embodies and ultimately illustrate exactly what would or could happen to all the animals Heterotopia Radical Imagination and Shattering Orders will appeal to scholars students and individuals interested not only in challenging normalised binaries hierarchies and orders of value both human and nonhuman but in creating and realising liberatory alternatives Scholar activists activists professionals working in animal advocacy and anyone undertaking activities aimed at radically changing how other animals are understood and used will also find inspiration new insights and information that enhance their current methods and approaches Some readers may also find simply confirmation and comfort in the knowledge that so many others are working in solidarity with the disordered belief that shattering the A IC is possible

The Psychology of Compassion and Cruelty Thomas G. Plante Ph.D.,2015-03-03 This thoughtful book brings together some of the best psychological and spiritual thinkers to ponder evidence based reflections about the development and nurturance of compassion In an effort to alter behavior scientists have conducted research to better understand the factors that contribute to both caring and cruel behavior among individuals and groups This uplifting volume reviews evidence collected from experts across disciplines and explains how certain psychological spiritual and religious factors spur compassion and deter cruelty The work extols the importance of religion and psychology as tools for better understanding and influencing behavior With deep reflection combined with research based insights the book considers the various avenues for creating kinder human beings Expert contributors examine empirical evidence to learn if engagement in particular activities results in benevolent behavior while chapters present the many ways in which kindness touches all aspects of life from racial harmony to child rearing to work environments Topics include exploring the healing effects of prayers and meditation integrating compassion into higher education and parenting with greater mindfulness and care
