**We're Not Soldiers** Robert Nelson, Ronald Nelson, 2022-01-15 Imagine a world where the COVID 19 virus turned out to be something much worse a modern plague of biblical proportions In a little farming town in Oregon John Fide and his family find themselves in just such a scenario One terrible day John finds himself surrounded by death and the entire world is devastated by the modern day plague The majority of the population throughout the world has been taken by the plague Inexplicably John and his family seem immune to the plague Suddenly all the things that John and his family had relied on are useless money credit cards cell phones and computers The whole infrastructure of society is gone Soon there is no electricity and water no longer flows through the faucets There is no longer a government there are no police or emergency personnel that can be called upon for help Now John and his family can only rely on themselves their faith and their own ingenuity to survive However as if the struggle to survive after the plague is not enough there is a growing evil on the horizon that is threatening to take away all that they have built threatening even to take their lives Through triumph and tragedy and a little help from above John must find a way to protect those he loves while holding on to his faith his humor his integrity and his sanity in a dog eat dog world , The G.A. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
