Not The Crob But The Crucified:

The Edinburgh Christian magazine ,1854 **Good Words** ,1862 Parish Papers Norman Macleod,1862 *The Field Afar* ,1925 **A History of the Warfare of Science with Theology in Christendom** J.M. Cohen,2017-07-05 Given the powerful and forthright title of Andrew Dickson White s classic study it is best to make clear his own sense of the whole as given in the original 1896 edition My conviction is that science though it has evidently conquered dogmatic theology based on biblical texts and ancient modes of thought will go hand in hand with religion and that although theological control will continue to diminish religion as seen in the recognition of a power in the universe not ourselves which makes for righteousness and in the love of God and of our neighbor will steadily grow stronger and stronger not only in the American institutions of learning but in the world at large White began to assemble his magnum opus a two volume work first published in 1896 as *A History of the Warfare of Science with Theology in Christendom* In correspondence he wrote that he intended the work to stake out a position between such religious orthodoxy as John Henry Newman s on one side and such secular scoffing as Robert Ingersoll s on the other Historian Paul Carter declared that this book did as much as any other published work toward routing orthodoxy in the name of science Insofar as science and religion came to be widely viewed as enemies with science holding the moral high ground White inadvertently became one of the most effective and influential advocates for unbelief The Popular Science Monthly ,1891 International Sunday School Evangel ,1905 *Unholy Writ*: T. Joyner Drolsum,2011-11-07 During our brief and perilous journey ex irritum ad irritum how are we to find what the German philosopher Martin Heidegger Sein und Zeit would call the true approach to being How do we answer the question posed by the Apostle Thomas when he asked how can we know the way Jn 14 5 In other words how should we fill that parenthesis of infinitesimal brevity which James Joyce Ulysses maintained demarcates each of our lives The Bible has often been put forth as a supposedly infallible guidebook charting the correct path to an authentic existence e g 2 Tim 3 16 17 According to its proponents Scripture is an absolutely dependable life manual because it is the word of God Summa Theologica First Part Q 1 Art 10 However close inspection of the Bible calls into question its divine authorship and thus its reliability as an accurate roadmap for the soul In fact under close examination it proves to be nothing more than a mundane and cobbled together collection of archaic superstitions beginning with the outlandish speculations of Moses concerning the creation of the world and ending with the maniacal ravings of John regarding its destruction Exposing the true nature of Holy Writ was the main purpose for writing *Unholy Writ* The modus operandi for this expos involved a thoroughgoing critical analysis of Scripture The results from such a careful consideration of its contents clearly demonstrated that any claim that the Bible is some sort of sacrosanct ethical vade mecum is completely invalid Specifically the multiple contradictions and absurdities contained in the Bible confer an unreliability upon it that undermines its function as a guide for anything let alone as some sort of moral map for the journey through life Furthermore many of the ideas that are promoted in Holy Writ are

actually spiritually harmful In addition unless the condoned misogyny violence intolerance injustice and cruelty can be removed then it is difficult to view the Scriptures as anything like an unwavering celestial beacon that clearly lights the way through the moral fog that at times engulfs our lives Moreover the many errors that it contains including those about the natural world undermine the pivotal claim that the Bible is divinely inspired **The Friend** ,1874 *Christian Advocate* ,1923 Popular Science Monthly and World's Advance ,1891 *A History of the Warfare of Science with Theology in Christendom* Andrew Dickson White,1896 A History of the warfare of science with theology in Christendom v. 2 Andrew Dickson White,1897 The Baptist Magazine ,1824 *Maximum Rocknroll* ,2006 *Israel and the Covenants in New Testament Times* Peter Williams, A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ s return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God s saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that **The Literary Gazette, Or, Journal of Criticism, Science, and the Arts** ,1821 **Congressional Record** United States. Congress,1935 *A short Account of the Life of Mr. J. Pennyman written by himself , with some of his writings ... The second edition. (An appendix to the second edition ... To which is annexed some other writings with a short account of his decease.)* John PENNYMAN,1703
