## **Not Under The Law:**

**Not Under Law But Under Grace** Mike Peralta, 2019-10-18 Not Under Law but Under Grace Before launching into scriptures about this subject let me point out that Paul was reminding believers that God's grace empowers them more to overcome sin It is NOT saying that they no longer have to keep the law Again Paul is reminding them that because of grace they now have MORE power not less to overcome sin and lawlessness Romans 6 14 For sin shall no longer be your master because you are not under the law but under grace NIV Romans 6 14 For sin shall not have dominion over you for ye are not under the law but under grace KJV Romans 6 14 for sin over you shall not have lordship for ye are not under law but under grace YLT The aim of this chapter is to help you think through the book of Romans as well as others and get an insight into the thought and doctrine of Paul As mentioned before Peter comments that some of Paul's wisdom and teaching is hard to understand and some people twist it to their own destruction 2 Peter 3 15 16 In this lesson we try to represent Paul's doctrine accurately and clearly You often hear the argument that we are not under law but under grace But what does it mean to be under grace Does this mean we no longer have to obey the Ten Commandment laws or the other Moral Laws in the Old Testament First let's define what sin is according to the Bible 1 John 3 4 says Whosoever commits sin transgresses also the law for sin is the transgression of the law Therefore if there is no Law then there can be no sin and for even further clarity Romans 4 15 says Because the law worketh wrath for where no law is there is no transgression To give clarity to Romans 6 14 above we also look at Romans 5 21 and Romans 7 6 7 Romans 5 21 so that just as sin reigned in death so also grace might reign through righteousness to bring eternal life through Jesus Christ our Lord Romans 7 6 7 But now by dying to what once bound us we have been released from the law so that we serve in the new way of the Spirit and not in the old way of the written code What shall we say then Is the law sinful Certainly not Nevertheless I would not have known what sin was had it not been for the law For I would not have known what coveting really was if the law had not said You shall not covet Notice that Paul uses Commandment 10 of the Ten Commandments to illustrate this last New Testament scripture So the law as stated in the Old Testament is still supposed to be used to overcome sin But we do so in the Spirit under the Lordship of Jesus under His grace I hope you noticed the following key words that I underlined Master Dominion Lordship Lord Serve Spirit Grace Now the following is the key to understanding Paul's saying that we are not under the law but under grace Before Christ the people of God's covenant were under service to the written code or the law They were bound up in sin and the law was not enough by itself to free them from the power of sin Under Christ people if they choose for Christ would be freed from being bound in sin The law was there and still is there to show them how far short they fell from God's righteous law And the penalty of what breaking that law required was punishment and spiritual death Hell or Sheol in the Old Testament The wages of sin is death but the gift of God is eternal life in through Jesus Christ our Lord Rom 6 23 So by receiving Jesus Christ we receive the grace of God And so we put ourselves under the Lordship of Christ under His grace

## **Not Under The Law Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Not Under The Law has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Not Under The Law has opened up a world of possibilities. Downloading Not Under The Law provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Not Under The Law has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Not Under The Law. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Not Under The Law. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Not Under The Law, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Not Under The Law has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
