

Notable or Notorious?

A GALLERY OF PARISIANS

*Ten exceptional portraits of nineteenth-century notables—
including three of the most intriguing women of the age.*

GORDON WRIGHT

Notable Of Notorious Gallery Of Parisians

**Edward Jewitt Wheeler, Isaac Kaufman
Funk, William Seaver Woods, Arthur
Stimson Draper, Wilfred John Funk**

Notable Of Notorious Gallery Of Parisians:

Notable Or Notorious? Gordon Wright,1989 Notable Or Notorious? Gordon Wright,1989 Peripheries of Nineteenth-century French Studies Timothy Bell Raser,2002 The French nineteenth century came to its full fruition only recently herald and instigator as it was of some of the most important developments of the twentieth century This volume offers a wide ranging selection of scholarly approaches to the works of the French nineteenth century articles that show how pertinent the texts of that moment are to an understanding of our own modernity **Paul Lafargue and the Flowering of French Socialism, 1882-1911** Leslie DERFLER,Leslie Derfler,2009-06-30 Paul Lafargue the disciple and son in law of Karl Marx helped to found the first French Marxist party in 1882 Over the next three decades he served as the chief theoretician and propagandist for Marxism in France During these years which ended with the dramatic suicides of Lafargue and his wife French socialism and the Marxist party within it became a significant political force In an earlier volume Paul Lafargue and the Founding of French Marxism 1842 1882 Leslie Derfler emphasized family identity and the origin of French Marxism Here he explores Lafargue s political strategies specifically his break with party co founder Jules Guesde in the Boulanger and Dreyfus episodes and over the question of socialist syndicalist relations Derfler shows Lafargue s importance as both political activist and theorist He describes Lafargue s role in the formulation of such strategies as the promotion of a Second Workingmen s International the pursuit of reform within the framework of the existent state but opposition to any socialist participation in nonsocialist governments and the subordination of trade unionism to political action He emphasizes Lafargue s pioneering efforts to apply Marxist methods of analysis to questions of anthropology aesthetics and literary criticism Despite the crucial part they played in the social and political changes of the past century and the heritage they left the first French Marxists are not widely known especially in the English speaking world This important critical biography of Lafargue the most audacious of their much maligned theorists enables us to trace the options open to Marxist socialism as well as its development during a critical period of transition **Metro Stop Paris** Gregor Dallas,2009-05-26 A history of Paris in twelve metro stops Metro Stop Paris recounts the extraordinary and colorful history of the City of Light by way of twelve Metro stops a voyage across both space and time At each stop a Parisian building or street or tomb or landmark sparks a story that holds particular significance for that area of the city Dallas takes us to the jazz cellars and literary caf s of Montparnasse and Saint Germain des Pr s the catacombs at Hell s Gate and the Op ra during the days of Claude Debussy A darker side of Paris emerges at the Trocad ro stop and a charitable side at the Gare du Nord which highlights the work of Saint Vincent de Paul Finally our journey ends at P re Lachaise cemetery with the little known story of Oscar Wilde s curious involvement in the Dreyfus affair one of France s greatest legal scandals From Hell the Denfert Rochereau stop on the south side of the city to Heaven the Gare du Nord at the north end of Paris Metro Stop Paris carries readers on a journey of the heart and mind Metro Stop Paris is a thinker s guide to Paris made up of slices of life little vignettes drawn from Paris s two thousand years of

history Taken separately these are charming historic tales about a city known and loved by many but read as a whole M tro Stop Paris goes straight to the heart of what is quintessentially Parisian **Women in France Since 1789** Susan Foley,2017-03-14 This compelling study traces the changes in women s lives in France from 1789 to the present Susan K Foley surveys the patterns of women s experiences in the socially segregated society of the early nineteenth century and then traces the evolution of their lifestyles to the turn of the twenty first century when many of the earlier social distinctions had disappeared Focusing on women s contested place within the political nation Women in France since 1789 examines The on going strength of notions of sexual difference Recurrent debates over gender The anxiety created by women s perceived departure from ideals of womanhood Major controversies over matters such as reproductive rights significant cultural changes and women s often under estimated political roles By addressing and exploring these key issues Foley demonstrates women s efforts over two centuries to create a place in society on their own terms **Mexican National Identity** William H. Beezley,2008-05-29 In this enlightening book the well known historian William Beezley contends that a Mexican national identity was forged during the nineteenth century not by a self anointed elite but rather by a disparate mix of ordinary people and everyday events In examining independence festivals children s games annual almanacs and the performances of itinerant puppet theaters Beezley argues that these seemingly unrelated and commonplace occurrences not the far more self conscious and organized efforts of politicians teachers and others created a far reaching sense of a new nation In the century that followed Mexico s independence from Spain in 1821 Beezley maintains sentiments of nationality were promulgated by people who were concerned not with the promotion of nationalism but with something far more immediate the need to earn a living These peddlers vendors actors artisans writers publishers and puppeteers sought widespread popular appeal so that they could earn money According to Beezley they constantly refined their performances as well as the symbols and images they employed in order to secure larger revenues Gradually they discovered the stories acts and products that attracted the largest numbers of paying customers As Beezley convincingly asserts out of what sold to the masses a collective national identity slowly emerged Mexican National Identity makes an important contribution to the growing body of literature that explores the influences of popular culture on issues of national identity By looking at identity as it was fashioned in the streets it opens new avenues for exploring identity formation more generally not just in Mexico and Latin American countries but in every nation Check out the New Books in History Interview with Bill Beezley *Little Demon in the City of Light* Steven Levingston,2015-03-17 A delicious true crime account of a murder most gallic think CSI Paris meets Georges Simenon whose lurid combination of sex brutality forensics and hypnotism riveted first a nation and then the world In 1889 the gruesome murder of a lascivious court official at the hands of a ruthless con man and his pliant mistress launched the trial of the century When Toussaint Augustin Gouff entered 3 rue Tronson du Coudray expecting a delightful assignation with the comely Gabrielle Bompard he was instead murdered by Gabrielle and her lover Michel Eyraud An international manhunt

chased the infamous couple from Paris to America's West Coast culminating in a sensational trial that investigated the power of hypnosis to possess control and even kill. As the inquiry into the guilt or innocence of the woman the French tabloids dubbed the Little Demon intensified the most respected minds in France vehemently debated. Was Gabrielle Bompard the pawn of her mesmerizing lover or simply a coldly calculating murderess capable of killing a man in cold blood. *Auguste Comte: Volume 2* Mary Pickering, 1993 This volume explores the life and works of Auguste Comte during the last and most controversial part of his career the period from 1842 to 1857. *The Literary Review*, 1991 *Blessed Motherhood, Bitter Fruit* Elinor Accampo, 2006-09-08 Nelly Roussel 1878-1922 the first feminist spokeswoman for birth control in Europe challenged both the men of early twentieth century France who sought to preserve the status quo and the women who aimed to change it. She delivered her messages through public lectures journalism and theater dazzling audiences with her beauty intelligence and disarming wit. She did so within the context of a national depopulation crisis caused by the confluence of low birth rates the rise of international tensions and the tragedy of the First World War. While her support spread across social classes strong political resistance to her message revealed deeply conservative precepts about gender which were grounded in French identity itself. In this thoughtful and provocative study Elinor Accampo follows Roussel's life from her youth marriage speaking career motherhood and political activism to her decline and death from tuberculosis in the years following World War I. She tells the story of a woman whose life and work spanned a historical moment when womanhood was being redefined by the acceptance of a woman's sexuality as distinct from her biological reproductive role a development that is still causing controversy today. **Delphine Gray, Madame de Girardin, the Vicomte de Launay** Melissa McCullough Wittmeier, 2000 *Cyclopedia of World Authors: Scot-Z. Indexes* Frank Northen Magill, 2004 *Paris* Frances Chambers, 1998 A comprehensive bibliography of the French capital. Includes sections on geography guidebooks history economy literature and intellectual life politics the arts architecture and urban planning and mass media. The history arts and literature sections take up the bulk of the text. Most cited works were published after 1970. Annotation copyrighted by Book News Inc. illustrations of major landmarks Table of Contents for Paris Map West of Paris From the Eiffel Tower and Arc de Triomphe to the Mus e dOrsay a detailed look at the west side of Paris East of Paris From the Louvre to Parc du Luxembourg and Place de la Bastille to Lyon Station North of Paris From the hills of Montmartre to the Opera Garnier and Gare de Paris Est South of Paris From Montparnasse Tower to Envalid and Cit Around the Eiffel Tower Discover more about the Eiffel Tower the Palais de Chaillot rue Cler and more Around the Arc de Triomphe Arc de Triomphe to Sanssouci neighborhood in more detail Around the Op ra Around Palais Garnier including Printemps Galeries Lafayette Paris Haussmann St Mary Magdalene in Paris etc Around the Louvre Museum Orsay Museum Where to eat and what to see around the Louvre and Mus e dOrsay Around the The Marais le de la Cit The Pompidou Center Saint Chapelle Notre Dame Cathedral and the rest of the Marais and Cit Around the Saint Germain des Pr s Latin Quarter Restaurants and shops in the Saint Germain des Pr s neighborhood and destinations near the Latin Quarter BIG MAP Paris s Entire Map A map of the entire city of Paris to help you plan your entire trip BIG MAP Paris s Major Area Map Zoom in on key areas to see more detailed information including restaurants shops and more Plan the perfect trip to Paris for the 2024 Olympic Games Google Maps is great for simply finding your way around but the Aiden Paris Travel Map gives you enough information to help you discover the hidden gems of Paris More than just a road map this high definition map with over 2 000 travel spots and detailed descriptions allows you to explore every neighborhood of Paris in depth from the area around the Eiffel Tower to the Latin Quarter The maps which can be used without internet feature illustrations of major landmarks as well as detailed recommendations for what to eat and see at each location Everything you need to know about Paris in one book Available now on Amazon Kindle **Stanford** ,1989 **The Romance of Madame Tussaud's** John Theodore Tussaud,2017-06-28 The earliest information we have concerning Madame Tussaud is that she was born in Switzerland on the 7th of December 1760 and was the only child of Joseph and Marie Grosholtz Her mother was the daughter of a Swiss clergyman She married on the 20th of October 1795 Fran ois Tussaud who it appears was her junior by seven years We are able to trace his family back as far as 1630 when his great great grandfather one Denis Tusseaud for that is how he spelt his name was born There is documentary evidence that Denis was brought from Burgundy to M con in 1631 his family also coming from Burzy close by in 1658 His descendants lived at M con for more than a century their occupation being generally that of workers in metal The great grandfather of Fran ois was Henry Tusseaud 1684 1717 and his grandfather s name was Claude 1716 1767 Fran ois father 1744 1786 was the first of the family to adopt the present spelling of the name although we find that various members of the family viii used the forms Tussot Tusseau Tuissiaud Tussiaut Tusseaut Tussiau or Thusseaud Madame Tussaud s marriage does not appear to have been a happy one for we learn that in 1800 two years before she came to England she separated from her husband of whom we hear nothing further although he is known to have been living in Paris in the lifetime of his grandsons The foundress of the famous Exhibition had two sons Joseph and Francis Francis 1800 1873 had several sons the eldest of whom Joseph Randall 1831

1892 who was a student and exhibitor at the Royal Academy was the father of the author of this book Mr John Theodore Tussaud was born in Kensington on the 2nd of May 1858 and at the age of six was sent to St Charles s College London where he came under the influence of Cardinal Manning who took a keen personal interest in his welfare **Paris and the Musical** Olaf Jubin,2021-03-17 Paris and the Musical explores how the famous city has been portrayed on stage and screen investigates why the city has been of such importance to the genre and tracks how it has developed as a trope over the 20th and 21st centuries From global hits An American in Paris Gigi Les Mis rables Moulin Rouge and The Phantom of the Opera to the less widely known Bless the Bride Can Can Irma la Douce and Marguerite the French capital is a central character in an astounding number of Broadway Hollywood and West End musicals This collection of 18 essays combines cultural studies sociology musicology art and adaptation theory and gender studies to examine the envisioning and dramatisation of Paris and its depiction as a place of romance hedonism and libertinism or as the capital of the arts The interdisciplinary nature of this collection renders it as a fascinating resource for a wide range of courses it will be especially valuable for students and scholars of Musical Theatre and those interested in Theatre and Film History more generally **The Literary Digest** Edward Jewitt Wheeler,Isaac Kaufman Funk,William Seaver Woods,Arthur Stimson Draper,Wilfred John Funk,1895

Pictures, Passions and Eye Michel Strauss,2013-12-12 Michel Strauss embarked on an enduring love affair at the age of six when he saw for the first time paintings by Manet Monet and Degas the passion aroused by these artists never left him This passion this eye as he calls it led to his becoming Head of the Impressionist Department at Sotheby s where he remained for forty years He describes the personalities he met along the way the collectors the dealers the colleagues and even the forgers as well as the clients who shared his passion There were times of boom and times of recession there were very difficult times in particular the anti trust era and there were times that brought great delight and a sense of achievement in particular the British Rail Pension Fund sale which Michel had helped set up and which exceeded all expectations An authoritative and highly respected figure in the art world Michel Strauss has handled the greatest of all Impressionist works some of which it was thought had been lost forever
