

The background of the cover is a soft-focus photograph of a beach scene. In the upper left, a portion of a light-colored hat is visible. In the center, a dark, rounded object, presumably the bottle mentioned in the title, sits on the sand. In the lower right, a vintage-style photograph with a white border is partially visible, showing a dark, indistinct image. The overall lighting is warm and natural, suggesting a sunny day.

Notes From A Bottle Found On The Beach At Carmel:

Notes from a Bottle Found on the Beach at Carmel Evan S. Connell, 1964 **Notes from a Bottle Found on the Beach at Carmel** Evan S. Connell, 2013-02-01 Praise for Notes from a Bottle Found on the Beach at Carmel A unique tour de force The New York Times Book Review One of the most remarkable books that I have read in a long time Kenneth Rexroth Mr Connell s Notes are what one intelligent sensitive artist has been able to salvage from all experience as testimony to the rather pathetic integrity of the human species in the face of extinction The book is no manual or tract however although its political meaning is unmistakable but a work of art even a work of high art Hayden Carruth Notes from a Bottle Found on the Beach at Carmel by Evan S. Connell Evan S. Connell, *Notes From a Bottle Found on the Beach at Carmel* Evan S 1924- Connell, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant The Muse Upon My Shoulder Sylvia Skaggs McTague, 2004 In The Muse upon My Shoulder an exceptionally diverse group of writers including Evan S Connell Anthony Piccione David Trinidad William Stafford Jean Thompson Vance Bourjaily E L Doctorow Stanley Elkin Jay McInerney Beth Henley David Hwang Bud Schulberg and Mary Gordon discuss the creative process They entertain self revealing questions about their status as writers their inspiration to write and their relationship to an audience The conversational form of the interview allows for candid answers that readers rarely hear to questions that seldom are answered The final chapter lets readers participate in the conflicts that surround the production of a good interview Sylvia Skaggs McTague is a lecturer at Fairleigh Dickinson University *Gus Blaisdell Collected* Gus Blaisdell, 2012-09-30 This long awaited collection of Blaisdell s critical writings includes essays on literature art and film along with moving tributes by some of the distinguished writers who numbered Blaisdell among their friends **Literary Alchemist** Steve Paul, 2021-10-29 Winner 2022 Society of Midland Authors award for Biography Memoir Evan S Connell 1924 2013 emerged from the American Midwest determined to become a writer He eventually made his mark with attention getting fiction and deep explorations into history His linked novels Mrs Bridge 1959 and Mr Bridge 1969 paint a devastating portrait of the lives of a prosperous suburban family not unlike his own that more than a half century later continue to haunt readers with their minimalist elegance and muted satire As an essayist and historian Connell produced a wide range of work including a sumptuous body of travel writing a bestselling epic account of Custer at the Little Bighorn and a singular series

of meditations on history and the human tragedy This first portrait and appraisal of an under recognized American writer is based on personal accounts by friends relatives writers and others who knew him extensive correspondence in library archives and insightful literary and cultural analysis of Connell s work and its context It also illuminates aspects of American publishing Hollywood male anxieties and the power of place Contemporary American Women Writers Catherine Rainwater,William J. Scheick,2021-05-11 Ann Beattie Annie Dillard Maxine Hong Kingston Toni Morrison Cynthia Ozick Grace Paley Marge Piercy Anne Redmon Anne Tyler and Alice Walker all seem to be especially concerned with narrative management The ten essays in this book raise new and intriguing questions about the ways these leading women writers appropriate and transform generic norms and ultimately revise literary tradition to make it more inclusive of female experience vision and expression The contributors to this volume discover diverse narrative strategies Beattie Dillard Paley and Redmon in divergent ways rely heavily upon narrative gaps surfaces and silences often suggesting depths which are lamentably absent from modern experience or which mysteriously elude language For Kingston and Walker verbal assertiveness is the focus of narratives depicting the gradual empowerment of female protagonists who learn to speak themselves into existence Ozick and Tyler disrupt conventional reader expectations of the anti novel and the family novel respectively Finally Morrison s and Piercy s works reveal how traditional narrative forms such as the Bildungsroman and the soap opera are adaptable to feminist purposes In examining the writings of these ten important women authors this book illuminates a significant moment in literary history when women s voices are profoundly reshaping American literary tradition Remembered Words Alastair Fowler,2021-07-22 Remembered Words is a selection of Alastair Fowler s essays on genre realism and the emblem three interrelated subjects published over six decades It offers readers a way to arrive at a sense of how approaches to these subjects have changed over that period Specifically it shows how genre has come to be understood in terms of family resemblance theory Remembered Words argues that realism can be seen as altering historically so that Renaissance realism for example differs from those of later periods Similar changes are traced in the emblem which Fowler shows to be not only a particular genre but an element of various kinds of realism Famous passages in ancient literature are remembered in the familiar emblems of the Renaissance and Renaissance emblems form the basis of metaphors in later literature Meanwhile the general approach of the critic and the reader has been altering over the years as becomes evident when one takes into account the time scale of sixty years an unusually long working life for a critic Modern theoretical approaches which are often casually regarded as self evident may appear less inevitable and more arbitrary This is not to say that they are necessarily wrong just that they need to be argued for Remembered Words is intended for senior undergraduates and for graduate students who may use it to form ideas of Fowler s approach and that of his contemporaries and predecessors over the last half century **The Inner Coast: Essays** Donovan Hohn,2020-06-02 Prize winning essays on our changing place in the natural world by the best selling author of Moby Duck Writing in the grand American tradition of

Annie Dillard and Barry Lopez Donovan Hohn is an adventurous inquisitive and brightly illuminating writer New York Times Since the publication of Moby Duck a decade ago Hohn has been widely hailed for his prize winning essays on the borderlands between the natural and the human The Inner Coast collects ten of his best many of them originally published in such magazines as the New York Times Magazine and Harper s which feature his physical historical and emotional journeys through the American landscape By turns meditative and comic adventurous and metaphysical Hohn writes about the appeal of old tools the dance between ecology and engineering the lost art of ice canoeing and Americans complicated love hate relationship with Thoreau The Inner Coast marks the return of one of our finest young writers and a stylish exploration of what Guy Davenport called the geography of the imagination **Selected Letters, 1940-1977** Vladimir

Nabokov,2012-09-06 Wonderful compulsively readable delicious personal correspondences spanning decades in the life and literary career of the author of Lolita The Washington Post Book World An icon of twentieth century literature Vladimir Nabokov was a novelist poet and playwright whose personal life was a fascinating story in itself This collection of more than four hundred letters chronicles the author s career recording his struggles in the publishing world the battles over Lolita and his relationship with his wife among other subjects and gives a surprising look at the personality behind the creator of such classics as Pale Fire and Pnin Dip in anywhere and delight follows John Updike **Apollo's Fire** Michael Sims,2008-11-25 It is the oldest story on Earth You relive it every day So much of our shared daily experience in the world is shaped by the sometimes dramatic sometimes subtle effects of the Earth s spin its tilt on its axis the alternation of light and darkness the waxing and waning of the moon the seemingly capricious growth of clouds The ancient rhythm of the day and night was shaping life on Earth before there were even human beings to appreciate it It rules our bodies and weather and calendars and sets the tempo for our work and play Each of us awakens each day to relive this primordial narrative With his signature blend of science and poetry history and mythology Michael Sims serves as tour guide on an unforgettable journey through the wonders of an ordinary day from dawn to nighttime Long before we had the tools of knowledge to explain what we observed in the skies overhead we built mythologies and folklore around these occurrences immortalized them in poetry and art created special places for them in our collective imagination and even our language In Apollo s Fire Sims explores the celestial events that form our days fusing lively explanations of these phenomena with a richly layered history of what they meant to us before we knew how they worked He explains the colors of sunrise the characteristics of shadow the mysteries of twilight Characters in this vital drama include Galileo watching sunrise on the moon Eratosthenes measuring the Earth with a noontime shadow and Edgar Allan Poe figuring out why the night sky is dark instead of glowing with the light of a million suns Our story ranges from the movie High Noon to Darwin s plant experiments from The Time Machine to the afternoon rise in air pollution In the witty and elegant style that has earned him the designation science raconteur Sims weaves a dazzling array of strands into a single tapestry of daily experience and makes the oldest story on Earth new again **Moby-Duck**

Donovan Hohn, 2011-03-03 Selected by The New York Times Book Review as a Notable Book of the Year A revelatory tale of science adventure and modern myth When the writer Donovan Hohn heard of the mysterious loss of thousands of bath toys at sea he figured he would interview a few oceanographers talk to a few beachcombers and read up on Arctic science and geography But questions can be like ocean currents wade in too far and they carry you away Hohn's accidental odyssey pulls him into the secretive world of shipping conglomerates the daring work of Arctic researchers the lunatic risks of maverick sailors and the shadowy world of Chinese toy factories Moby Duck is a journey into the heart of the sea and an adventure through science myth the global economy and some of the worst weather imaginable With each new discovery Hohn learns of another loose thread and with each successive chase he comes closer to understanding where his castaway quarry comes from and where it goes In the grand tradition of Tony Horwitz and David Quammen Moby Duck is a compulsively readable narrative of whimsy and curiosity

Beyond Suspicion Marc Chenetier, 1996-01-29 Selected by Choice magazine as an Outstanding Academic Book for 1996

Companion to California James D. Hart, 1987-12 This work is intended as a useful companion for anybody interested in general or basic knowledge about any aspect of the most populous state in the Union It is designed to be serviceable to a wide variety of readers and consultants whose range might include residents and tourists high school and college students as well as scholars seeking a ready reference At present no single volume comprehends such a scope as this one and although it treats its subjects briefly many an entry also includes data not found elsewhere in a single place Reference to hundreds of books and articles would be required to provide the information that is here between the two covers

The Concise Oxford Companion to American Literature James D. Hart, Wendy Martin, Danielle

Hinrichs, 2021-01-21 For nearly half a century James D Hart's Oxford Companion to American Literature has offered a matchless guided tour through American literary culture both past and present with brief biographies of important authors descriptions of important literary movements and a wealth of information on other aspects of American literary life and history from the Colonial period to the present day In this second edition of the Concise version Wendy Martin and Danielle Hinrichs bring the work up to date to more fully reflect the diversity of the subject Their priorities have been foremost to fully represent the impact of writers of color and women writers on the field of American literature and to increase the usefulness of the work to students of literary theory To this end over 230 new entries have been added including many that cover women authors Native American African American Asian American Latino and other contemporary ethnic literatures LGBT trans and queer studies and recent literary movements and evolving areas of contemporary relevance such as eco criticism disability studies whiteness studies male masculinity studies and diaspora studies

[The Penguin Modern Classics Book](#) Henry Eliot, 2021-11-18 The essential guide to twentieth century literature around the world For six decades the Penguin Modern Classics series has been an era defining ever evolving series of books encompassing works by modernist pioneers avant garde iconoclasts radical visionaries and timeless storytellers This reader's companion showcases every title

published in the series so far with more than 1 800 books and 600 authors from Achebe and Adonis to Zamyatin and Zweig It is the essential guide to twentieth century literature around the world and the companion volume to The Penguin Classics Book Bursting with lively descriptions surprising reading lists key literary movements and over two thousand cover images The Penguin Modern Classics Book is an invitation to dive in and explore the greatest literature of the last hundred years

Mrs. Bridge Evan S. Connell, 2010-01-10 National Book Award Finalist The basis for Mr and Mrs Bridge 1990 starring Paul Newman and Joanne Woodward A perfect novel economical piquant beautiful true that chronicles the lives of a wealthy family in 1930s Kansas through the eyes of its matriarch Meg Wolitzer New York Times bestselling author In Mrs Bridge Evan S Connell a consummate storyteller artfully crafts a portrait using the finest of details in everyday events and confrontations The novel is comprised of vignettes images fragments of conversations events all building powerfully toward the completed group portrait of a family closely knit on the surface but deeply divided by loneliness boredom misunderstandings isolation sexual longing and terminal isolation In this special 50th anniversary edition we are reminded once again why Mrs Bridge has been hailed by readers and critics alike as one of the greatest novels in American literature

International Who's Who in Poetry 2005 Europa Publications, 2004 Provides up to date profiles on the careers of leading and emerging poets **Son of the Morning Star** Evan S. Connell, 2011-04-01 Son of the Morning Star is the nonfiction account of General Custer from the great American novelist Evan S Connell Custer's Last Stand is among the most enduring events in American history more than one hundred years after the fact books continue to be written and people continue to argue about even the most basic details surrounding the Little Bighorn Evan S Connell whom Joyce Carol Oates has described as one of our most interesting and intelligent American writers wrote what continues to be the most reliable and compulsively readable account of the subject Connell makes good use of his meticulous research and novelist's eye for the story and detail to re create the heroism foolishness and savagery of this crucial chapter in the history of the West
