The creative endeavours of their residents facilitated by adroit public policy has created economic and investment opportunities that translate into some private sector employment and decent livelihoods for many Their ingenuity coupled with strategic investments and the support of the diaspora has led to a suite of sometimes unlikely products and services from citizenship and higher level internet domain names to place branded foods and beverages from electronic gaming to niche manufacturing There is much more to small island survival than subsistence farming aid remittances and public sector workfare Entrepreneurship in Small Island States and Territories helps to dispel this myth showcasing an aspect of life in small island states and territories that is rarely documented or critically reviewed Notes on Central America; particularly the states of Honduras and San Salvador ... and the proposed Honduras interoceanic railway Ephraim George Squier, 1855 *Notes to accompany mr.* Wyld's model of the Earth, Leicester square [by himself].
