**Notes from Exile [electronic Resource] : on Being Acadian** Clive Doucet,1999      *Notes from Exile* Clive

Doucet,1999 What it means to be a people without a nation is one of the more haunting problems of our times In the twentieth century this has been an immense issue for Jews for the Romanies and for African Americans it has been a question for Acadians for more than 350 years In 1755 in retribution for their refusal to bear arms all Acadians were deported from their homeland around the Bay of Fundy in what is today Canada s Maritime region Ever since they have worked hard to keep a sense of their identity as Acadians no matter whether they lived in New Brunswick or Louisiana Nova Scotia or Texas Clive Doucet has wrestled with the question of Acadian identity since his childhood when he spent some unforgettable summers with his paternal grandparents in an Acadian village in Nova Scotia and others with his maternal grandparents in London England In 1994 he joined with a quarter of a million other Acadians in their first ever reunion as a people in New Brunswick Canada It inspired him to write Notes from Exile which is in part a charming story of his childhood holidays a heartwarming account of les Retrouvailles and an eye opening history of the Acadians woven into a whole by a thoughtful challenging consideration of what it means to be Acadian in a world without Acadie      **Band of Acadians** John
