Notes From A North Country Journal:

Notes from a North Country Journal Barbara A. Mulvany, 2001 Mulvany mixes nature photography with wisdom from the Northwoods Lyrical writing and stunning photos Full color throughout **North Country** Howard Frank Mosher, 2014-07-29 A richly observant memoir of a coast to coast journey along the US Canada border An armchair traveler s delight Kirkus Reviews Part travelogue part memoir part meditation part exploration North Country is an account of a trip along the northern border of the United States in search of the country s last unspoiled frontiers The Boston Sunday Globe In this vast sparsely settled territory Howard Frank Mosher found both a harsh and beautiful landscape and some of the continent s most independent men and women Here he brings this remote area to vivid life in a book bright with anecdote and history and lore and most importantly with affection for his human subjects Richard Ford Pulitzer Prize winning author of *Independence Day* A classic road book You could with confidence place this book on the shelf next to such American classics as John Steinbeck s *Travels with Charley* and Jonathan Raban s *Old Glory* Detroit Free Press What Mosher s northern journey is really about is our society s loss of Eden the garden we were promised when we came here The garden we ve turned into pulp fiction and rocket ranges The very fact that this brave book can stir up so many thoughts about the predicaments of civilization is surely an indication that it is well worth reading Ottawa Citizen *Historic North Country Disasters* Cheri L. Farnsworth, 2020-02-17 There is a tragic history in New York s North Country of human folly natural disasters deadly explosions terrible train wrecks and other calamities The famous Barnum Bailey Circus suffered deeply after its train crashed between Norwood and Potsdam in 1889 and many animals died Beloved Thousand Island Park was almost entirely destroyed by a devastating fire in 1912 leveling hotels and businesses and the once thriving park never fully recovered The great Massena earthquake measured 5.9 on the Richter scale in 1944 and caused tremendous structural damage including destroying nearly all chimneys in the area Author Cheri L. Farnsworth compiles both the man made and natural disasters that shocked the North Country in the hundred years between 1850 and 1950 Famous Wisconsin Authors James P. Roberts, 2002-04 From Aldo Leopold to Zona Gale here are the profiles of 35 Famous Wisconsin Authors Meet Native American authors as well as poets novelists and contemporary authors **"Aberdeen Journal" Notes and Queries**, 1910 *North Country* Jon K. Lauck, Gleaves Whitney, 2023-05-04 Travel north from the upper Midwest s metropolises and before long you re Up North a region that s hard to define but unmistakable to any resident or tourist Crops give way to forests mines or their remains mark the landscape and lakes multiply becoming ever clearer until you reach the vastness of the Great Lakes How to characterize this region as distinct from the agrarian Midwest is the question North Country seeks to answer as a congenial group of scholars journalists and public intellectuals explores the distinctive landscape culture and history that define the northern margins of the American Midwest From the glacial past to the present day these essays range across the histories of the Dakota and Ojibwe people colonial imperial rivalries and immigration and

conflicts between the economic imperatives of resource extraction and the stewardship of nature The book also considers literary treatments of the area and arguably makes its own contributions to that literature as some of the authors search for the North Country through personal essays while others highlight individuals who are identified with the area like Sigurd Olson John Barlow Martin and Russell Kirk From the fur trade to tourism fisheries to supper clubs Finnish settlers to Native treaty rights the nature of the North Country emerges here in all its variety and particularity as clearly distinct from the greater Midwest as it is part of the American heartland

British Diaries William Matthews, 2023-04-28 William Matthews *British Diaries 1442 1942 An Annotated Bibliography* offers an unparalleled exploration of British diary literature spanning five centuries This meticulously compiled resource catalogs diaries from diverse perspectives ranging from monarchs to farmers scholars to soldiers and clergy to craftsmen providing a comprehensive cross section of British society across eras With annotations that highlight the unique content and context of each diary the bibliography serves as an invaluable guide for scholars of history linguistics sociology and cultural studies This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1950

Pitman's Journal of Commercial Education, 1893

The Newspaper Press James Amphlett, 1869

The A to Z of the War of 1812 Robert Malcomson, 2009-08-24 The War of 1812 was an extremely complicated war motivated by British seizures of American vessels and goods American desire to expand into Canada and impressment of American sailors into the British Navy However these are merely the immediate causes To fully understand the War of 1812 one must delve deeper into history This book does just that as it covers the period leading up to the war 1803 1812 and the events of the war itself 1812 1815 through the use of a dictionary consisting of more than 1 400 cross referenced entries covering descriptions of engagements ships weaponry the compositions of regiments significant political and military figures and a full list of key places issues and terms Also included are a chronology of events an introductory essay and a comprehensive bibliography subdivided by topic and fully annotated

Magic: The Life of Earvin "Magic" Johnson Roland Lazenby, 2023-10-24 The definitive biography of the basketball legend Earvin Magic Johnson from the highly respected career sportswriter and author of Michael Jordan The Life Magic Johnson is one of the most beloved and at times controversial athletes in history His iconic smile lifted the dowdy sport of American professional basketball from a second tier sport with low ratings into the global spotlight a transformation driven by Magic's ability to eviscerate opponents with a playing style that featured his grand sense of fun He was a master entertainer who directed the Los Angeles Showtime Lakers to the heights of both glory and epic excess all of it driven by his mind blowing no look passes and personal charm Then in 1991 at the height of his charismatic power Johnson shocked the world with a startling cautionary tale about sexually transmitted disease that pushed public awareness of the HIV AIDS crisis Then out

came his confession of unprotected sex with hundreds of women each year followed by his retirement an attempted return and a proper farewell on the iconic 1992 Olympic Dream Team Longtime biographer Roland Lazenby spent years tracking the unlikely ascension of Johnson an immensely popular public figure who was instantly scandalized but who then turned to his legendary will to rise again as a successful entrepreneur with another level of hard won success In Lazenby s portrayal Johnson s tale becomes bigger than that of one man It is a generational saga spanning parts of three centuries that reveals a great deal not just about his unique basketball journey but about America itself Through hundreds of interviews with Johnson s coaches representatives past and present teammates opponents friends and loved ones as well as key conversations with Johnson himself over the years Lazenby has produced the first truly definitive study both dark and light of Earvin Magic Johnson Jr the revolutionary player the icon the man *The Monthly Chronicle of North Country Lore and Legend* ,1889

The Mechanics' Magazine and Journal of Engineering, Agricultural Machinery, Manufactures and Shipbuilding ,1863 **Notes and Queries** ,1903 *The Bankers' Magazine, and Journal of the Money Market* ,1887 **The Newspaper Press** Alexander Andrews,1869 **Scottish Notes and Queries** ,1888 **The Year-book of the Scientific and Learned Societies of Great Britain and Ireland** ,1921 **For Better, For Worse** John R. Gillis,1985-11-21

Did you know that The contemporary fashion of living together before marriage is far from new and was frequently practiced in earlier days Self divorce although never legal was once a commonplace occurrence Marriage is more popular today than in the Victorian era Marriage in church was not compulsory in England and Wales until the mid 18th century These are just a few of the fascinating and often surprising revelations in *For Better For Worse* the most comprehensive treatment to date of the history of marriage in a major Western society Using fresh evidence from popular courtship and wedding rituals over four centuries Gillis challenges the widely held belief that marriage has evolved from a cold impersonal arrangement to a more affectionate egalitarian form of companionship The truth argues Gillis lies somewhere in between conjugal love was never wholly absent in preindustrial times while today s marriages are less companionate than is commonly believed Gillis also illustrates in rich detail the perpetual tension between marital ideals and actual practices This social history of the behavior and emotions of ordinary men and women radically revises our perspective on love and marriage in the past and the present **The Pen and the People** Susan Whyman,2009-10-08

Capturing actual dialogues of people discussing subjects as diverse as marriage poverty poetry and the emotional lives of servants *The Pen and the People* will be enjoyed by everyone interested in history literature and the intimate experiences of ordinary people
