Maxwell,2013-11-11 The Brave New World of Sex We ve seen in less than a generation a swift revolution in human sexual behavior attitude and consequences so dramatic that some people are left in a state of stunned dismay and the public at large in aimless confusion Much of the trend if you can call a revolu tion a trend is fueled by or at least made possible by technological innovations dating back to the middle of the twentieth century The birth control pill opened the gate to promiscuity with little fear of pregnancy marriage became an annoyance divorce be came an opportunity two working parents became a necessity and teenage sex became nearly as socially acceptable as holding hands or going to the movies The copulation explosion resulted in a spiraling epidemic of children giving birth to children many of them on welfare Girls seeking relief through abortions were sometimes forced to have their unwanted offspring despite the inevitability of some of them living in poverty and a desperate dead end environment of squalor and crime Some misguidedly wanted babies and ended up the same way To top it all discipline 2 A Sexual Odyssey became a lost art leaving schools and neighborhoods infested with gun toting knife wielding teenage delinquents even in middle class areas who engaged in contests fo see who could get the most girls knocked up The chaotic state of fornication mating and birthing may be a throwback to the past      *Naked Magazine's Worldwide Guide to Naked Places* Robert Steele,2012 Naked Magazine and The Nazca Plains Corporation are proud to bring you the very latest edition of the most complete guide to gay naked travel in the world We ve tried our best to make this the most complete up to date and current guide to places known to have a gay naked following The one thing that makes this guide so special is that it s
