Sudanese Women Refugees J. Edward, 2007-10-29 This book examines the social cultural economic and political transformations that have occurred among southern Sudanese women refugees as they experience life in Cairo Egypt It intends to show how these women use their newly acquired skills and knowledge to challenge their past and to challenge the image of women refugees as victims and dependents The author counters previous literature s tendency to categorize these women as victimized dependent and backwards rather than recognizing their strength and contributions to their new societies

After the Comprehensive Peace Agreement in Sudan Elke Grawert, 2010 After a long process of peace negotiations the Comprehensive Peace Agreement CPA was signed on 9 January 2005 between the Government of Sudan GOS and the Sudan People s Liberation Movement Army SPLM A The CPA raised initial hopes that it would be the foundation block for lasting peace in Sudan This book compiles scholarly analyses of the implementation of the power sharing agreement of the CPA of ongoing conflicts with particular respect to land issues of the

challenges of the reintegration of internally displaced people and refugees and of the repercussions of the CPA in other regions of Sudan as well as in neighbouring countries Back cover

Imagining the Heartland Britt E.

Halvorson,2022-06-21 An overdue examination of the Midwest's long influence on nationalism and white supremacy Though many associate racism with the regional legacy of the South it is the Midwest that has upheld some of the nation's most deep seated convictions about the value of whiteness From Jefferson's noble farmer to The Wizard of Oz imagining the Midwest has quietly gone hand in hand with imagining whiteness as desirable and virtuous Since at least the U S Civil War the imagined Midwest has served as a screen or canvas projecting and absorbing tropes and values of virtuous whiteness and its opposite white deplorability with national and global significance *Imagining the Heartland* provides a poignant and timely answer to how and why the Midwest has played this role in the American imagination In *Imagining the Heartland* anthropologists Britt Halvorson and Josh Reno argue that there is an unexamined affinity between whiteness Midwestness and Americanness anchored in their shared ordinary and homogenized qualities These seemingly unremarkable qualities of the Midwest take work they do not happen by default Instead creating successful representations of ordinary Midwestness in both positive and negative senses has required cultural expression through media ranging from Henry Ford's assembly line to Grant Wood's famous *American Gothic* Far from being just another region among others the Midwest is a political and affective logic in racial projects of global white supremacy Neglecting the Midwest means neglecting the production of white supremacist imaginings at their most banal and at their most influential their most locally situated and their most globally dispersed

A Companion to the Anthropology of Politics David Nugent,Joan Vincent,2008-04-15 This Companion offers an unprecedented overview of anthropology's unique contribution to the study of politics Explores the key concepts and issues of our time from AIDS globalization displacement and militarization to identity politics and beyond Each chapter reflects on concepts and issues that have shaped the anthropology of politics and concludes with thoughts on and challenges for the way ahead Anthropology's distinctive genre ethnography lies at the heart of this volume

Other Immigrants David

Reimers,2005 Publisher description In *Other immigrants* David M Reimers offers the first comprehensive account of non European immigration chronicling the compelling and diverse stories of frequently overlooked Americans Reimers traces the early history of Black Hispanic and Asian immigrants from the fifteenth century through World War II when racial hostility led to the virtual exclusion of Asians and aggression towards Blacks and Hispanics He also describes the modern state of immigration to the U S where Blacks Hispanics and Asians made up nearly thirty percent of the population at the turn of the twenty first century

Not Just Child's Play Felicia R. McMahon,2009-10-20 Winner of the 2008 Chicago Folklore Prize Felicia R McMahon breaks new ground in the presentation and analysis of emerging traditions of the Lost Boys a group of parentless youths who fled Sudan under tragic circumstances in the 1990s With compelling insight McMahon analyzes the oral traditions of the DiDinga Lost Boys about whom very little is known Her vibrant ethnography provides intriguing details

about the performances and conversations of the young DiDinga in Syracuse New York It also offers important insights to scholars and others who work with refugee groups The author argues that the playful traditions she describes constitute a strategy by which these young men proudly position themselves as preservers of DiDinga culture and as harbingers of social change rather than as victims of war Drawing ideas from folklore linguistics drama and play theory the author documents the danced songs of this unique group Her inclusion of original song lyrics translated by the singers and descriptions of conversations convey the voices of the young men Well researched and carefully developed this book makes an original contribution to our understanding of refugee populations and tells a compelling story at the same time **The Road to the**

Two Sudans Souad Ali,Richard Lobban,2014-03-17 Parallel with the previous volume of conference papers in 2008 Sudan s Wars and Peace Agreements most of these selected and thematic articles were originally presented as papers at the 31st meeting of the Sudan Studies Association SSA at Arizona State University in 2012 Since that time the Comprehensive Peace Agreement of 2005 provided for the self determination referendum of 2011 that resulted in the independence of the new Republic of South Sudan The previous book presaged this present volume as the perhaps inevitable outcome of endless conflicts with no serious effort to make unity attractive As this book goes to press the new Republic of South Sudan is itself wracked with violent conflict The hopes to build a new democratic and civil society in the south from the many inherited problems have now devolved to dysfunction itself Reading this book will realistically help in understanding these Roads taken The editors and authors have created a multi faceted account which reveals the complex foundations of these conflicts between north and south and recently within the south itself While Khartoum struggles onward with the Islamist project regional conflicts and grave economic problems Juba stumbles with corruption armed rebellion and a grave humanitarian crisis The half full glass of dreams of social and economic development supported by oil revenue has been replaced by a glass half empty with new varieties of political dysfunction in which both nations have grave problems in security and economic stability in a generally troubled regional neighborhood Dancing Skeletons Katherine A. Dettwyler,2013-09-26 One of the

most widely used ethnographies published in the last twenty years this Margaret Mead Award winner has been used as required reading at more than 600 colleges and universities This personal account by a biocultural anthropologist illuminates not soon forgotten messages involving the sobering aspects of fieldwork among malnourished children in West Africa With nutritional anthropology at its core Dancing Skeletons presents informal engaging and oftentimes dramatic stories that relate the author s experiences conducting research on infant feeding and health in Mali Through fascinating vignettes and honest vivid descriptions Dettwyler explores such diverse topics as ethnocentrism culture shock population control breastfeeding child care the meaning of disability and child death in different cultures female circumcision women s roles in patrilineal societies the dangers of fieldwork and facing emotionally draining realities Readers will laugh and cry as they meet the author s friends and informants follow her through a series of encounters with both peri urban and rural Bambara culture

and struggle with her as she attempts to reconcile her very different roles as objective ethnographer subjective friend and mother in the field The 20th Anniversary Edition includes a 13 page Q A with the Author in which Dettwyler responds to typical questions she has received individually from students who have been assigned *Dancing Skeletons* as well as audience questions at lectures on various campuses The new 23 page Update on Mali 2013 chapter is a factual update about economic and health conditions in Mali as well as a brief summary of the recent political unrest *Almost All Aliens* Paul Spickard,2009-05-07 *Almost All Aliens* offers a unique reinterpretation of immigration in the history of the United States Leaving behind the traditional melting pot model of immigrant assimilation Paul Spickard puts forward a fresh and provocative reconceptualization that embraces the multicultural reality of immigration that has always existed in the United States His astute study illustrates the complex relationship between ethnic identity and race slavery and colonial expansion Examining not only the lives of those who crossed the Atlantic but also those who crossed the Pacific the Caribbean and the North American Borderlands *Almost All Aliens* provides a distinct inclusive analysis of immigration and identity in the United States from 1600 until the present For additional information and classroom resources please visit the *Almost All Aliens* companion website at www.routledge.com/textbooks/almostallaliens **American Immigration** James Ciment,John Radzilowski,2015-03-17 Thoroughly revised and expanded this is the definitive reference on American immigration from both historic and contemporary perspectives It traces the scope and sweep of U S immigration from the earliest settlements to the present providing a comprehensive multidisciplinary approach to all aspects of this critically important subject Every major immigrant group and every era in U S history are fully documented and examined through detailed analysis of social legal political economic and demographic factors Hot topic issues and controversies from Amnesty to the U S Mexican Border are covered in depth Archival and contemporary photographs and illustrations further illuminate the information provided And dozens of charts and tables provide valuable statistics and comparative data both historic and current A special feature of this edition is the inclusion of more than 80 full text primary documents from 1787 to 2013 laws and treaties referenda Supreme Court cases historical articles and letters *Soldiers, Martyrs, Traitors, and Exiles* Tricia M. Redeker Hepner,2009-08-11 The first ethnography of the Eritrean struggle for independence documents the transnational dimensions of revolution and nation building from the dual perspective of both Eritrea and its U S diaspora *Diverse Histories of American Sociology* Anthony Blasi,2005-06-01 This volume presents views of American sociology from minority groups and important intellectual movements that did not merge into the mainstream Coinciding with the centenary of the American Sociological Association it provides little known background information to the development of the field A first section highlights tensions between impartial scientific sociology and scientific social reform A second section uncovers the experiences of female African American and Latino pioneers in the field as well as a sociologist from a religious minority A third section traces the organizational history of the field including gendered racial regional and outsider perspectives A final

section focuses on several neglected trajectories With this volume American sociology can be seen in its full context

Ethnic Americans Leonard Dinnerstein, David M. Reimers, 2009 Leonard Dinnerstein and David M Reimers begin with a brief overview of immigration during the colonial and early national eras 1492 to the 1820s focusing primarily on the arrival of English Protestants while at the same time stressing the diversity brought by Dutch French Spanish and other small groups including free people of color from the Caribbean Next they follow large scale European immigration from 1830 to the 1880s Catholicism became a major force in America during this period with immigrants five million in the 1880s alone creating a new mosaic in every state of the Union This section also touches on the arrival beginning in 1848 of Chinese immigrants and other groups who hoped to find gold and get rich Subsequent chapters address eastern and southern European immigration from 1890 to 1940 newcomers from the Western Hemisphere and Asia who arrived from 1840 to 1940 immigration restriction from 1875 to World War II and the postwar arrival and **Medicine, Mobility, and Power in**

Global Africa Hansjörg Dilger, Abdoulaye Kane, Stacey Ann Langwick, 2012-10-08 Recent political social and economic changes in Africa have provoked radical shifts in the landscape of health and healthcare *Medicine Mobility and Power in Global Africa* captures the multiple dynamics of a globalized world and its impact on medicine health and the delivery of healthcare in Africa and beyond Essays by an international group of contributors take on intractable problems such as HIV AIDS malaria and insufficient access to healthcare drugs resources hospitals and technologies The movements of people and resources described here expose the growing challenges of poverty and public health but they also show how new opportunities have been created for transforming healthcare and promoting care and healing Eating Culture Gillian Crowther, 2018-05-15 From ingredients and recipes to meals and menus across time and space *Eating Culture* is a highly engaging overview that illustrates the important role that anthropology and anthropologists have played in understanding food as well as the key role that food plays in the study of culture The new edition now with a full color interior introduces discussions about nomadism commercializing food food security and ethical consumption including treatment of animals and the long term environmental and health consequences of meat consumption Grist to the Mill sections at the end of each chapter provide further readings and Food for Thought case studies and exercises help to highlight anthropological methods and approaches By considering the concept of cuisine and public discourse this practical guide brings order and insight to our changing relationship with food Culture and Diversity in the United States Jack David Eller, 2015-05-15 Knowledge of and sensitivity toward diversity is an essential skill in the contemporary United States and the wider world This book addresses the standard topics of race ethnicity class and gender but goes much further by engaging seriously with issues of language religion age health and disability and region and geography It also considers the intersections between and the diversities within these categories Eller presents students with an unprecedented combination of history conceptual analysis discussion of academic literature and up to date statistics The book includes a range of illustrations figures and tables text
