Lives of Dust and Water María Luz Cruz-Torres, 2022-03-29 Along the coast of northwestern Mexico pink gold may mean wealth for some but the new global economy has imposed terrible burdens on many sectors of the population State and regional economic development policies have supported the use of natural resources for commercial export resulting in the rapid growth of agriculture and shrimp aquaculture Environmental pressures have contributed to the degradation of marine ecosystems and once self-reliant rural populations have been driven to wage and subsistence labor in order to survive This book eloquently explains how contemporary rural communities in southern Sinaloa have responded to economic and ecological changes affecting the entire nation A political ecology of human survival in one of the most important ecological regions of Mexico it describes how these communities contest environmental degradation and economic impoverishment arising from political and economic forces beyond their control Mar a Luz Cruz Torres evokes the rich and varied experiences of the people who live in the villages of Celaya and El Cerro showing how they invent and utilize their own social capital to emerge as whole persons in the face of globalization She traces the histories of the two villages to illustrate the complex variation involved in community formation and to show how people respond to and utilize Mexican law and reform Surrounded by limited resources poverty illness sudden death and daily oppression these men and women create innovative social and cultural forms that mitigate these impacts Cruz Torres reveals not only how they manage to survive in the midst of horrendous

circumstances but also how they transcend those impediments with dignity She details the participation of household members in the subsistence formal and informal sectors of the economy and how women use a variety of resources to guarantee their families survival A sometimes tragic but ultimately vibrant story of human resistance Lives of Dust and Water offers an important look at a little studied but dynamically developing region of Mexico It contributes to a more precise understanding of how rural coastal communities in Mexico emerged and continue to develop and adjust to the uncertainties of the globalizing world

The Origins of Life Anna-Teresa Tymieniecka, 2012-12-06 Understanding life through its origins reveals the groundwork underlying the differentiations of its autonomous generative matrixes Following the primogenital matrix of generation the three generative matrixes of the specifically human sense of life establish humanness within the creative human condition as the existential sphere of sharing in life

Managing Pandemic Isolation With Literature as Therapy Cortijo Ocaña, Antonio, Martines, Vicent, Orazi, Veronica, 2022-12-02 During the COVID 19 pandemic many people had to cope with isolation due to lockdown policies that forced them to engage in fewer social activities People were confined to the small space of their dwellings and felt constrained and socially isolated and deprived of meaningful social interaction and affection which caused stress and anxiety Several initiatives were put in place to help diminish the effects of isolation such as those involving literature either through writing or reading Managing Pandemic Isolation With Literature as Therapy explains the positive medical and psychological effects of literature and writing during a pandemic at a time when isolation prevented people from engaging with others socially Covering topics such as clinical psychology brain neurology and stress this reference work is ideal for psychologists medical professionals policymakers government officials researchers scholars academicians practitioners instructors and students

La Musa Ismael Casiano, Jr, 2013 The Muse Or How I Fall in Love represents a young poets effort to describe the creative impulse as the source of his love for a woman Profoundly spiritual and deeply torn this poetic prose explores everything from the nature of beauty to feminine spirituality

Spanish for Gay Men (Spanish That Was Never Taught in the Classroom!) Jonathan L. Charles, 2012-02 After thirty plus years teaching high school and college Spanish there are many things that have not been taught at those levels Remember how frustrating it was wondering how to say words and phrases about sex and especially gay sex So I decided to compile this book just for you so you do not have to wonder any more This book will include just about everything that you have ever wanted to know and much much more A great percent of the book was written on my travels to the many Spanish speaking countries and through interviews with countless native speakers Gay of course I have been to Spain four times spending weeks upon weeks in most all of the provinces Over the past 35 years my travels to Latin America have been more extensive living and studying in Mexico for over a year with over 40 return trips to most of the entire country exploring the enriching culture of our neighbors to the southern boarder Within the past 15 years I have explored the colorful cultural riches of Guatemala spending months with the guatemaltecos I have also had the pleasure of three fantastic magical adventures to Peru which

were truly spiritual experiences that enlightened and enriched me greatly Other Spanish speaking countries that I have traveled and explored are Puerto Rico Costa Rica Panama Bolivia Brazil Uruguay and yes Argentina I wish to thank many friends and colleagues for their encouragement to write this book They have read my work and have given me many helpful suggestions to finalize the process

Miguel de Unamuno's Quest for Faith Jan E Evans, 2014-06-26 Miguel de Unamuno 1864 1936 was a extraordinary Spanish thinker a philosopher linguist poet novelist short story writer essayist playwright professor university administrator and Spanish public intellectual He had great intellectual integrity and moral courage Unamuno is not an easy philosopher to read He loved paradoxes and even at times contradictions Various interpreters have called him an atheist a sceptic a Protestant a pantheist a Catholic modernist and a good Catholic Passages can be found in his writings that can be taken to support all of these interpretations In the present book Jan E Evans does an incisive and thorough job of sorting through the Unamuno corpus and arriving at a definitive interpretation of his views One great asset of Evans work is the insight she gains by comparing Unamuno s works with the philosophers whom he admired most and considered his fellow travellers in the tragic sense of life These include Blaise Pascal 1623 1662 William James 1842 1910 and especially Soren Kierkegaard 1813 1855 This book examines the life and work of Unamuno through the lens of his faith Those who are not familiar with Unamuno will find here a clear exposition of the most important themes in the thinker s work along with a framework through which one can profitably begin to read his primary texts

The Whispering Seeds Peter Lindo, Eugenia Proaño, Juan Munoz, Ernesto Munoz, 2025-02-12 The Whispering Seeds is a heartfelt work and it is the outcome of innumerable lessons conducted and learned over time and practicum in English language classrooms in Ecuador Brooklyn NYC Costa Rica and Indonesia However The Whispering Seeds was created in stunningly beautiful Ecuador What Ecuadorian educators achieved is a classroom practice that represents the sincere work of many Ecuadorian students who were of different levels in their ability to communicate in English as well as an assortment of insight gains understandings meaningful communication joy enthusiasm and cooperation The Whispering Seeds is primarily the result of the wisdom and insight of two Ecuadorian teachers Eugenia Proaño and Ernesto Muñoz Eugenia Proaño and Ernesto Muñoz had attended and dedicated so much of their time to many different English classes and training sessions as well as other encounters that helped to prepare them for eventually accomplishing this educational project Eugenia Proaño and Ernesto Muñoz traveled and worked at Centro Espiral Mana now also known as the Institute for Collaborative Learning in Costa Rica The learning experiences they had occurred in 2005 and 2012 for Ernesto and in 2007 for Eugenia were integral to developing their skills as educators of the English language in Ecuador Eugenia Proaño and Ernesto Muñoz had the privilege to undergo _intensive training_ on how to improve their performance as teachers with Ms Mary Scholl Ms Mary Scholl is the director and founder of Centro Espiral Mana and the Institute for Collaborative Learning which gives aspiring educators the opportunity to hone their pedagogical skills by working with real students who genuinely come to learn and further improve themselves in the

English language Being in Costa Rica and working with Ms Mary Scholl is an experience that demonstrates the values and benefits of working in a student centered class At the Institute for Collaborative Learning multi sensory activities including manipulatives collaboration and heartfelt discussion nurture an environment of creativity and self exploration Doesn t this encompass all forms of learning Ernesto Munoz Eugenia Proano and Peter Lindo think so and allow this to be a major element in their classes These activities all support student acquisition and use of the target language in whatever language a student may be learning and for whichever language a teacher may be teaching What was achieved in Ecuador as a means to learn English can be applied to learning any language in so many areas of the world After returning to Ecuador Eugenia Proa o and Ernesto Mu oz were ready to step outside the comfort zone of traditional language teaching They decided to apply what they had learned at the Institute for Collaborative Learning in Costa Rica in their classrooms at Universidad T cnica del Norte in Ibarra Ecuador They used the procedures they were introduced to with Ms Scholl including visual auditory verbal kinesthetic and tactile among other strategies and techniques Eugenia Proa o and Ernesto Mu oz worked to apply these methodologies in a student centered collaborative environment that promoted mutual support and respect The Whispering Seeds manifested in time between stellar Ecuadorian educators enthusiastic Ecuadorian students and a Bermudian educator who was working at a language school in Brooklyn New York City The practices work and guidance of Eugenia Proa o and Ernesto Mu oz in the classroom were driven by theories and their beliefs about what would work best for university students to be engaged and motivated in learning a foreign language It was a time to explore and experiment with more innovative techniques There was just so much potential This time of experimentation and exploration that Eugenia Proa o and Ernesto Mu oz did show great potential for the students and teachers We reflected on our daily teaching practices and re formed the practice to be more conducive to language I Peter Lindo was learning what was happening in Ecuador and could see the potential that this had for the world To help bring healing unity wisdom knowledge understanding and love
