The overall goal is to prepare students to perform at a high level of proficiency in the four basic language skills: listening, speaking, reading, and writing. Upon completing the course, students are expected to be able to comprehend formal and informal Spanish and also speak, read, and write cohesively and precisely at the third year college level. The authors have attempted to create a series of exercises that will both meet the general objectives of the course and help the students prepare for the Advanced Placement examination. Although geared primarily to the AP course and examination, the book is also intended to provide an opportunity for advanced learning. The exercises are designed not only to review and reinforce students' knowledge but also to increase their vocabulary and sharpen their grammatical skills.
