Spanish - Applied New Testament Commentary Stephen Thorson Tom Hale, Spanish Language Edition The Applied New Testament Commentary is an easy to read down to earth commentary on the text of the New Testament It can be used with any version of the Bible and includes bull General Articles on important aspects of the Christian faith bull An Introduction to each book of the New Testament bull Word definitions bull Clear explanations of Bible text bull How to apply the Bible to everyday life Dr Tom Hale is an experienced medical missionary in Nepal and his commentary is essentially a missionary s commentary Although he has done his biblical homework and he thinks theologically he does not write from the ivory tower of academia His concern is rather for the grass roots of newly planted churches He is familiar with the problems they face and the questions they ask He wrestles with the need for cross cultural application He is committed to the unity of the church and urges us to give one another the liberty of interpretation in those secondary areas in which we disagree And his straightforward easy to read style includes both a simple vocabulary and short sentences Inevitably a one man commentary will not please everybody But he has struggled to rid himself of bias so that there is very much here for all Bible students to learn whatever their cultural or denominational background In fact the Applied New Testament Commentary should help to promote mutual understanding tolerance and respect among Christian people John Stott All Souls Langham Place London
