Nuggets Of Knowledge:

Nuggets of Knowledge George William Stimpson, 1928 **Principles of Knowledge Management** Eliezer Geisler, Nilmini Wickramasinghe, 2015-03-26 This text provides a comprehensive introduction to the new field of knowledge management. It approaches the subject from a management rather than a highly technical point of view and provides students with a state of the art survey of KM and its implementation in diverse organizations. The text covers the nature of knowledge, tacit and explicit, the origins and units of organizational knowledge and the evolution of knowledge management in contemporary society. It explores the implementation and utilization of knowledge management systems and how to measure their impact, outputs and benefits. The book includes a variety of original case studies that illustrate specific situations in which the absence or existence of knowledge management systems has been crucial to the organization's actions. Charts and figures throughout help clarify more complex phenomena and classifications, and each chapter includes review questions and a comprehensive index.

Installing and Managing Workable Knowledge Management Systems Albert Rubenstein, Eliezer Geisler, 2003-08-30 Every organization should have some method of capturing, storing, transforming, retrieving, and using knowledge and lessons learned. This book has been written to help managers throughout the organization to design and develop knowledge management systems that are effective and lasting. Successful knowledge management systems are integrated into the corporate culture and the existing information systems apparatus. They are introduced gradually so as not to clutter the testing phase with too many details. And simple and appropriate metrics are utilized at each stage of the design and operating process. The book concludes with a concise summary of all the necessary steps to ensure success.

Knowledge Management Primer Rajeev K. Bali, Nilmini Wickramasinghe, Brian Lehaney, 2009-09-10 This book provides readers with an essential understanding of approaches to knowledge management. KM by examining the purpose and nature of its key components. It aims to demystify the KM field by explaining in a precise, accessible manner the key concepts of KM, tools, strategies, and techniques and their benefits to contemporary organizations.

Healthcare Knowledge Management Primer Nilmini Wickramasinghe, Rajeev K. Bali, Brian Lehaney, Jonathan Schaffer, M. Chris Gibbons, 2009-05-15 The Healthcare Knowledge Management Primer explores and explains the nature of essential KM knowledge management principles in healthcare settings in an introductory and easy-to-understand fashion. Accessibility and usability in this manner will be of use to both students and professionals wishing to learn more about the key aspects of the KM field as it pertains to effecting superior healthcare delivery.
