Logic of Faith Antonio L. McDaniel, 2011-08-24 Behold I give you faith Now you have the ability to move and live and breathe in confidence that everything you touch will work all that you think about will become a positive influence and change lives you will even become wealthy in the process It would be absolutely wonderful for God to make that pronouncement to us and it becomes so Fortunately and to what may be the ultimate paradox the kind of faith we seek will only come by trials perseverance and yes it is a journey that we all must take Faith increases as it is used and grows exponentially when it is tested The true depth of these tests of faith does not come because you decide to seek or pursue God more these tests come because faith is alive and demands to be fed even challenged Admittedly faith does appear to be somewhat illogical but most goals or feats of greatness are often met with resistance in the end when the goal has been met the feat obtained and the journey completed it is only then in clear hindsight that you realize that this was a test of your faith subsequently as you reflect on your travels you think about all the things that you would have changed or done differently only to later realize that if things were different you may not be who you are The Logic of Faith is a reasonable a step along the path of your journey through personal experiences some good some not so good I share my experiences and trials of faith so you can be enlightened and encouraged as you continue on your journey of understanding Once you embrace and unite with your faith the world will truly become your oyster and it will not matter where you are or what you are facing My wife Phyllis and our two sons Ryan and Corban are enjoying our journey of faith together a journey that currently has us residing in Katy Texas and a faith that will allow us to continue to move and live and have our being in Him **Nuggets of Faith**

Brentwood Communications Group, 2002 *Nuggets of Grace* Gerard L. Horton, 2023-09-26 Are you feeling overwhelmed and defeated Have you lost hope Perhaps in your despair your heart emits a plea for help aware you need a power beyond your ability to overcome Our human abilities limit achievement but faith connects us to the unlimited resources and ability of God He is the greater almighty and gracious one who has put faith in our hearts that we may know Him and turn to Him in troubled times Nuggets of Grace birthed in despair points us to this God of grace Its poems and reflections celebrate Jesus and His love as desirable inspiring and compelling antidotes to despair and sin in the human heart Amid competing influences of culture and religion in the world they invite and encourage us to look to Jesus as the way to strengthen the

inner life To look is to center our thoughts on God to posture ourselves before Him each day in prayer and praise and meditation on His Word as we listen for His voice and direction in our hearts In such discipline and surrender will God's grace for every trial flow to us by the Holy Spirit God will comfort He will draw near to us and our joy will arise As I looked in faith believing God healed my body and mind He lifted my head Like a wilted flower that had been given a drink of water and now rises to face the sun so my head rose again Then He told me to go and live Joy and the grace of God are the important themes of the book The source of our joy and fulfillment is the living God who wants us to overcome He wants to pour out grace on us and write a story on our hearts It is our testimony as living witnesses to His life His power and His love
