Bullinger, 1985 *The Numerical Structure of the Holy Bible* Charles Stockford Jr., 2016-12-22 Most Bible students are aware of the use of numbers in scripture The number 7 is a prime example with its connotations of perfection and completeness The study of numbers as used in the Bible is infrequent and the Lord s people therefore miss some of that which is profitable for correction and instruction in the Word of God This volume goes a long way toward correcting the deficiency by providing a great introduction to the subject and showing that these patterns provide proof of the completeness and inspiration of the Holy Scriptures The reader will find profit as well as inspiration from this intriguing study Number in Scripture Ethelbert William Bullinger, 1895 **Numbered** Tamera Fisher, 2011-06 One out of every five verses includes a number and oftentimes numbers in Scripture are overlooked or ignored for lack of understanding This is especially true of symbolic passages such as those describing the twelve spies of Israel the Good Samaritan and the forty two months of tribulation So how should one interpret these numbers Literally or figuratively How about mathematically Pythagorean math the process by which all numbers are reduced to one of the first nine digits is often attributed to the Greek mathematician Pythagoras but there is evidence within the Bible that it may have originated from God and even been used by Daniel By examining the Pythagorean numbers associated with numbers in the Bible and the Hebrew and Greek words they were translated from new author Tamera Fisher offers a better understanding of the

Catalogue of Printed Books British Museum,1899 British Museum British Museum (Londen),1883 PAUL'S LETTER TO THE PHILIPPIANS Edward D. Andrews,Thomas F. Marshall,2022-04-11 PAUL S LETTER TO THE PHILIPPIANS provides the reader with an explanation of Scripture that is detailed and up to date with modern scholarship faithful to Scripture as the inerrant infallible Word of God It is a trusted resource for Bible study Each commentary volume offers straightforward clear trustworthy practical and applicable explanations written by conservative evangelical scholars This verse by verse commentary makes every volume easy to understand and beneficial to your Christian life today Yet it also gives the reader a more in depth understanding of God s Word The author does not provide you with what he thinks feels or believes Instead he gives you what God said and what the Bible author meant by the words that he used The reader will also be given the historical context Bible backgrounds and any Bible difficulties **Covenant** Chris Woodall,2011-09-14 The premise of this book lies in its title God makes himself known to us in a number of ways through the created order by way of human conscience the unfolding of world events the inherent religious need in man through his written Word and ultimately of course in the Person of Jesus Christ Why he does so is a mystery which we can only assign to sovereign choice The basis upon which he does so however is covenant This being the case not only is the idea of covenant a valid hermeneutic by which to understand Scripture but a vital one without which it would be impossible for us to fully appreciate the divine revelation that is available to us in and attainable to us by the Bible Many Christians will be familiar with the idea that Christ fulfills the Old Testament prophecies and promises concerning God s people in the Old Testament But when we begin to see this too in terms of covenant then we begin to more fully understand precisely what it was that Christ fulfilled and what the implications of this are for those of us who are what the Bible calls in Christ Not only did Jesus meet all the requirements of the overarching theme of the Old Testament in general terms but he filled out to their fullest potential all the intricacies of detail of each of the separate divine covenants that we find there The benefits of this for us are beyond measure the comprehension of them is mind blowing and the treasures they hold simply await our unlocking of them Take the key and peer inside You will not be disappointed **Understanding Matthew - Using Semitic Bible Study Methods** Michael Harvey Koplitiz, This commentary was researched and written using Semitic Bible Study Methods Aramaic the language Yeshua spoke and the culture of Yeshua s day These methods were initially developed by the Sage Hillel over 2000 years ago augmented and the author Semitic Bible study methods are based on asking questions about the Scripture examining the language and culture of that day This is a strange idea for church people because the Church teaches that only the Church can interpret Scripture This is not true God wants us to ask questions because Scripture s meaning is as deep as God and God is infinite A *Biblical Hebrew/Christian Psychology* Harold Jenkerson, Ph.D.,2011-12-12 This is an introductory Christian textbook on a biblical psychology of the individual *The book of Job. Pt.1, the oldest lesson in the world Pt.2 A rhythmical tr., with notes* Ethelbert William Bullinger,1903 **The Massorah** E. W.. Bullinger,1897 **The Watchman of Israel** ,1920
