The Numerical Structure of the Holy Bible Charles Stockford Jr., 2016-12-22

Most Bible students are aware of the use of numbers in scripture The number 7 is a prime example with its connotations of perfection and completeness The study of numbers as used in the Bible is infrequent and the Lord s people therefore miss some of that which is profitable for correction and instruction in the Word of God This volume goes a long way toward correcting the deficiency by providing a great introduction to the subject and showing that these patterns provide proof of the completeness and inspiration of the Holy Scriptures The reader will find profit as well as inspiration from this intriguing study

2030 - The Sixth Thousandth Year Paul R. Finch, 2023-11-10 From the opening chapter we read It is time to rewrite ancient history The chronology of ancient history as presented by modern secular scholarship is totally and emphatically bogus The entire subject of biblical chronology as well as all ancient world chronology is herein challenged as never before Now for the first time Mr Finch corrects the errors of past chronological studies With this important research it is now possible to finally create a chronology of the ancient world that at long last fits all the pieces perfectly together This timely study puts biblical chronology together in a new light and is conclusively a breakthrough investigation that cannot be ignored This exciting research is a must read for all biblical students henceforward

The Seven Days Claire Wilcox, 2021-12-15 Anyone who has ever found the configuration of the

Bible to be confusing will enjoy The Seven Days Making Sense of the Bible's Structure Claire Wilcox asks If all Scripture is God breathed then wouldn't the Bible's structure also be divinely inspired For both veteran and new readers of the Bible this book provides a thought provoking look at the creation that reveals God's plan for salvation woven throughout the structure of the Bible Its canonical sequence of sixty six books finally makes sense Rather than a stand alone narrative the first creation story of Genesis can be read as the thematic key to the God breathed structural organization of the Bible By correlating sense and structure to the entire biblical canon for each of the seven days of creation the author breaks new ground Discover great and hidden things that go far beyond anything you've ever known by using structural analysis to understand the Bible [Catalogue of Printed Books](#) British Museum,1899 **British Museum** British Museum (London),1883 **PAUL'S LETTER TO THE PHILIPPIANS** Edward D. Andrews,Thomas F. Marshall,2022-04-11 PAUL'S LETTER TO THE PHILIPPIANS provides the reader with an explanation of Scripture that is detailed and up to date with modern scholarship faithful to Scripture as the inerrant infallible Word of God It is a trusted resource for Bible study Each commentary volume offers straightforward clear trustworthy practical and applicable explanations written by conservative evangelical scholars This verse by verse commentary makes every volume easy to understand and beneficial to your Christian life today Yet it also gives the reader a more in depth understanding of God's Word The author does not provide you with what he thinks feels or believes Instead he gives you what God said and what the Bible author meant by the words that he used The reader will also be given the historical context Bible backgrounds and any Bible difficulties [Covenant](#) Chris Woodall,2011-09-14 The premise of this book lies in its title God makes himself known to us in a number of ways through the created order by way of human conscience the unfolding of world events the inherent religious need in man through his written Word and ultimately of course in the Person of Jesus Christ Why he does so is a mystery which we can only assign to sovereign choice The basis upon which he does so however is covenant This being the case not only is the idea of covenant a valid hermeneutic by which to understand Scripture but a vital one without which it would be impossible for us to fully appreciate the divine revelation that is available to us in and attainable to us by the Bible Many Christians will be familiar with the idea that Christ fulfills the Old Testament prophecies and promises concerning God's people in the Old Testament But when we begin to see this too in terms of covenant then we begin to more fully understand precisely what it was that Christ fulfilled and what the implications of this are for those of us who are what the Bible calls in Christ Not only did Jesus meet all the requirements of the overarching theme of the Old Testament in general terms but he filled out to their fullest potential all the intricacies of detail of each of the separate divine covenants that we find there The benefits of this for us are beyond measure the comprehension of them is mind blowing and the treasures they hold simply await our unlocking of them Take the key and peer inside You will not be disappointed **Understanding Matthew - Using Semitic Bible Study Methods** Michael Harvey Koplitz, This commentary was researched and written using Semitic Bible Study Methods Aramaic

the language Yeshua spoke and the culture of Yeshua's day These methods were initially developed by the Sage Hillel over 2000 years ago augmented and the author Semitic Bible study methods are based on asking questions about the Scripture examining the language and culture of that day This is a strange idea for church people because the Church teaches that only the Church can interpret Scripture This is not true God wants us to ask questions because Scripture's meaning is as deep as God and God is infinite

Behold, I AM Joyce Lynn Wulf,2023-11-13 It was a childlike question but the answer was as stunning as it was profound If God is light what do the primary colors of the rainbow's spectrum signify The Gospel of John declares in eight mysterious signs that God is light and Jesus Christ in the flesh was God sent to bring the light of true life to us These enigmatic signs of light semeion imply the eight signs significance pointed to something other than what they appeared The themes of John's eight signs match the themes of the Feasts given to ancient Israel at Mount Sinai and a sequence of YHWH's covenant names Behold I AM is a rich in depth study into God's Holyday appointed times His eight Festivals of Light what they meant then what they mean today and how they are fulfilling prophecy *The Cultic Motif in the Book of Daniel* Winfried Vogel,2010 This unique study of the theology of the book of Daniel examines the cultic motif within the book as it relates to space and time Numerous references and allusions to cult are investigated with linguistic literary and contextual analyses The findings are then related to the main theological themes of the book such as judgment eschatology kingdom and worship It is evident that the idea of cult plays a dominant role in Daniel and that it demonstrates the intention of the author to present the issue of conflict of two opposing systems of cult and worship For all who are interested in an exegesis of Daniel that pays dutiful attention to the theology of Daniel *The Cultic Motif in the Book of Daniel* is a must read
