Merrill, 2008 The Cornerstone Biblical Commentary provides students pastors and laypeople with up to date evangelical scholarship on the Old and New Testaments It s designed to equip pastors and Christian leaders with exegetical and theological knowledge to better understand and apply God s Word by presenting the message of each passage as well as an overview of other issues surrounding the text Publisher **Berit Olam: Leviticus, Numbers, Deuteronomy** Stephen K. Sherwood, 2023-03-31

Many good intentions to read the entire Bible have foundered on the rocks of Leviticus Numbers and Deuteronomy Do these books have literary qualities How does the storyteller tell the story In Leviticus Numbers Deuteronomy Stephen Sherwood C M F applies the tools of narrative criticism to look for the literary qualities of these three biblical books Sherwood identifies the narrative art of Leviticus Numbers and Deuteronomy not only in such colorful stories as the Sabbath breaker the threat from Sihon and Og the deaths of Nadab and Abihu the story of Balaam the bronze serpent Aaron s rod Miriam s leprosy and the water from the rock but also through the extended discourses made by characters in the story Sherwood studies the voices of several of these characters the narrator the Lord Moses Aaron the Israelites Balaam and Barak and others to see how each is characterized by their words and actions In Leviticus Numbers Deuteronomy Sherwood also shows how each of the three books has its own characteristics as part of a larger story Leviticus deals mainly with divine speech Numbers also contains divine speech but the voices of Moses and the narrator are more recurrent Deuteronomy is presented in the form of a farewell speech of Moses before his death The story is then retold from Moses point of view with different emphases and even some changes Chapters are General Introduction Leviticus Numbers and Deuteronomy Each chapter contains a general introduction to a biblical book which is followed by notes which make observations on the literary qualities of smaller units of each book *Exodus, Leviticus, Numbers, Deuteronomy* Joseph T. Lienhard, Thomas C. Oden, 2014-02-19 Christians read the Jewish Scriptures in the light of what God did in Jesus the Christ This ACCS volume on Exodus through Deuteronomy bears ample witness to this new way of reading these ancient texts Varied in texture and nuance the interpretations included in this volume display a treasure house of ancient wisdom speaking with eloquence and intellectual acumen to the church today

Handbook on the Pentateuch Victor P. Hamilton, 2005-09-01 In this introduction to the first five books of the Old Testament Victor Hamilton moves chapter by chapter through the Pentateuch examining the content structure and theology Hamilton surveys each major thematic unit of the Pentateuch and offers useful commentary on overarching themes and connections between Old Testament texts **The Commentary of Abraham Ibn Ezra on the Pentateuch: Leviticus** Abraham ben Meïr Ibn Ezra, 1986 Poet Biblical commentator grammarian astronomer mathematician Abraham ibn Ezra was one of the most remarkable men of his time and one of the relatively few whose works have become the heritage of all those who wish to understand the Hebrew Bible properly Ibn Ezra combined a passion for the plain sense of the verse with a

reverence for the Rabbis as transmitters of reliable tradition His most widely used works are his commentaries on the Torah which are admired for their depth and penetration into the mysteries of the Hebrew language the text of the Torah and the meaning of the mitzvot Because of their many faceted character and elusive language his commentaries are often difficult to understand in their original Hebrew and have thus inspired many super commentaries Here for the first time is an English translation of ibn Ezra s commentary on the Book of Leviticus and the Book of Deuteronomy based on those super commentaries in a style which is both faithful to the original and yet enables those who wish to fathom his meaning to do so An English rendering of Leviticus and Deuteronomy appears at the top of each page the bottom of each page contains the translation of ibn Ezra s commentary This volume includes and Appendix of astronomical units and indices of Biblical and Talmudic references
