Professional Card Reader Laurie Denise Andrews has formulated a system of using everyday playing cards and numerology to foretell one's future and to assist in everyday life experiences. Laurie details each of the 52 cards of a regular card deck based on her own numerological research and combines her research of the innate vibrational pattern of numbers with her experience as a professional card reader to give the reader a true way of knowing how to live their life, work out problems and see what the future has in store for them, whether in their personal relationships, career, health or other areas of life. By using this researched and proven method of numerology-based card readings, you will find it easy to identify the positive and negative choices in your life and you will know when the path you are on will lead you to heartache or success.

Divining Your Future Using Playing Cards Numerology is your guide to helping you fulfill your goals and achieving a happier and healthier life.

Editorial Review: In *Divining Your Future Using Playing Cards Numerology*, Laurie Denise Andrews provides the reader a short history on numerology and on the history of using playing cards for fortune telling. She then gives a detailed look at the meaning of each card in each suit of the deck and then teaches her audience how to perform card readings for themselves and for others, while giving sample readings to learn from. This is really a complete and straight forward guide that is easy to read and follow.

The Chosen Chaim Potok, 2016-11 The story of two fathers and two sons and the pressures on all of them to pursue the religion they share in the way that is best suited to each. And as the boys grow into young men, they discover in the other a lost spiritual brother and a link to an unexplored world that neither had ever considered before. In effect, they exchange places and find the peace that neither will ever retreat from again.

Numerology and Other Stories Christian Michener, 2006 Stories that depict how people deal with the unexpected pleasures in life.

Numerology or What Pythagoras Wrought Underwood Dudley, 2019-07-10 Numerology is the belief that numbers have power over events. It is a descendent of number mysticism, the belief that the contemplation of numbers can give mystical and non-rational insights into life, the universe and everything. Twenty-five hundred years ago, Pythagoras originated number mysticism, crediting certain numbers with characteristics, though numerology is a more recent invention that allots numbers, hence characteristics, to individuals. Underwood Dudley outlines here the history of number mysticism and numerology and gives many examples, including biorhythms, Bible numberists, pyramids.

Motivational Numerology Sally Faubion, 2001 Sally Faubion explains in simple, easy-to-follow terms how to determine one's numbers using just a name and birth date. The numbers represent various aspects of a person's life, including destiny, character, personality, soul's urge, attitude and hidden agenda. She then provides helpful information on what these numbers mean and what they reveal.
