**The Cambridge Medieval History Collection** J.B. Bury, Norman Baynes, Louis Halphen, William Miller, Charles Diehl, 2024-02-22 The Cambridge Medieval History Collection is a fantastic and comprehensive history of medieval europe Featuring Volume 1 The

Christian Roman Empire And The Foundation Of The Teutonic Kingdoms Volume 2 The Rise Of The Saracens And The Foundation Of The Western Empire Volume 3 Germany And The Western Empire Volume 4 The Eastern Roman Empire and Volume 5 The Contest Of Empire And Papacy     *The Nan Chronicle* David K. Wyatt,2018-05-31 A new translation of the 1894 chronicle by a high ranking official from the Nan kingdom a once powerful principality whose territory encompassed all of what is now northwestern Laos and neighboring portions of China in addition to the present province of Nan in Thailand It details the history of the principality the legendary origins of the Nan River Valley the rituals and customs of the Nan the moral duties of the ruler and royal genealogy A fascinating portrait of Thai history and culture     **Premodern History and Art through the Prism of Gender in East-Central Europe** Daniela Rywíková,Michaela Antonín Malaníková,2021-12-15 Premodern History and Art through the Prism of Gender in East Central Europe is a representative collection of current Czech research in premodern history and art history using gender as a tool of analysis The common denominators of the texts collected in this volume are the art history of the premodern period gender perspectives and to a certain degree the Czech milieu The book is divided into four parts based on area of interest time frame and research perspective The first part sheds light on the state of research in the field of women s history along with the implementation of the concept of gender and highlights a certain paradigmatic conservatism of Czech art historiography The second gathers contributions that analyze visual sources of Czech origin The third includes texts that analyze gender issues on the level of literary representation The final part presents two case studies that involve analysis of the premodern West European source base Rywíkov and Malan kov present this volume as an innovative way to introduce this specific segment of Central European art history to a broader audience in global academia     **History of the Church of England** Richard Watson Dixon,1881

**The Lausiac History of Palladius** Palladius (Bishop of Aspuna),Cuthbert Butler,1904     *History of the Church of England: Henry VIII A.D. 1538-1547* Richard Watson Dixon,1881     **The History and Antiquities of the County of Leicester** John Nichols,1804     *The English Woman in History* Doris Stenton,2022-03-29 First published in 1957 The English Woman in History displays the place women have held and the influence they have exerted within the changing pattern of English society Ever since the days of Queen Elizabeth I the position of women in English society has been a matter of general debate In the seventeenth century many men produced books in praise of women following the example of Thomas Heywood Most of these books were devoted to the praises of individual women but their authors generally produced arguments against subjection of all women to the unthinking dominance of men While married women were still legally subject to their husbands and no women were allowed to take part in public affairs it was impossible to write objectively about women s place in the world The women who at the end of the seventeenth century began to write were generally fired by a sense of injustice and men tended to write condescendingly of charm and beauty which interested them more than intelligence and wit Now that women are bearing public responsibilities with success it is possible for historians to look back

dispassionately over the centuries and trace the stages by which this position has been won It is a survey of this nature which Lady Stenton has attempted in this book This is a must read for students and scholars of women s history gender studies and women s movement History of the Church of England: Henry VIII.
