Second Language and Heritage Learners in Mixed Classrooms Patricia Bayona, Elena García-Martín, 2022-11-29

This book addresses the complexity of mixed language classroom learning environments in which heritage learners HL and second language L2 learners are concurrently exposed to language learning in the same physical space Heritage speakers defined widely as those exposed to the target language at home from an early age tend to display higher oral proficiency and increased intercultural proficiency but lesser metalinguistic and grammatical awareness than L2 learners The theoretical and pedagogical challenges of engaging both types of learners simultaneously without polarizing the classroom community dictates the need for well defined differentiated learning strategies in response this book offers best practices and reproducible pedagogical initiatives and methodologies for different levels of instruction The chapters address themes
