Wisconsin Red Book , 1940 **Civics & Culture for Preschooler K'2000 Ed.** , **The Scottish Educational Journal** , 1919 **Developing Literacy Skills in the Early Years** Hilary White, 2005-05-19 I found this book to be very useful and would recommend it to all infant teachers especially those working with children with special needs It gave me plenty of new ideas and would be especially helpful to newly trained teachers REACH Many young children need targeted support and

encouragement to help develop their literacy skills This book contains tried and tested activities to improve listening verbal reasoning and language skills in young children and shows you how to turn theory into fun practical ideas for the classroom The author shows how to link activities to the Early Learning Goals and the National Literacy Strategy and the book includes lesson activities using puppets nursery rhymes story boxes and picture books suggestions for using role play ideas for organising your play setting to encourage literacy related play lesson plans assessment guidelines lists of resources a selection of photocopiable material This book is a valuable resource for those working with children aged 3 to 8 and those working in playgroups day nurseries nursery schools and reception classes will find it particularly useful It suggests ways to improve young children s literacy skills and can also be used as an INSET resource to share with the whole staff Hilary White is a freelance writer consultant and teacher She lectured for many years in an early years training college

Year Book
 Charleston (S.C.),1917 *How to Teach Writing Through Reading the Classics Gr. 7-9* Penny Nutbrown, Learning to write is a complex process and learning to write well is not a goal that can be achieved if the learner is working without examples some clear instruction of how and why language works as it does and then opportunities to practice are necessary My goal in writing this manual was to provide young people with the preceding In this manual the basic elements of grammar and composition are laid out in a series of steps that takes the pupil from being able to identify what a word is understand the role of that word in a sentence create sound sentences and paragraphs of her own and eventually put all those skills together to be able to express herself clearly and meaningfully Throughout the pupil is provided with both opportunities to practice and play with the concepts about which she is learning and most important examples of superior writing drawn from a wide selection of quality classic English language literature It is hoped that by proceeding thus the young person will not only become more adept at writing but also develop an appreciation for good books and pursue reading for pleasure The lessons in this manual are set out in an order to assist the pupil to develop an understanding of the fundamentals of language before proceeding to matters of sentence structure grammar and paragraph writing However any exercise in this book could be used out of context depending on the needs of the pupil and or the goals of the instructor The important thing is that the pupil always is allowed to use the means of example instruction and practice to achieve the desired objectives Reading Outcomes read from a wide variety of literary texts both for information and for enjoyment use simple organizational structures ie headings layout as a means of locating specific information use punctuation ie periods commas question marks and capitals to recognize separations between ideas in a text demonstrate an understanding of such stylistic features as quotation marks and paragraphing as means of organizing actions and ideas in a narrative text Writing Outcomes use simple and compound sentences with correct punctuation and use of capitals organize sentences and paragraphs logically to enhance comprehension of the reader use a variety of resources including the computer to check spelling and points of grammar in a piece of personal writing organize writing creatively and logically for specific purposes
